- George Mills of Jamaica, LI, NY, is the ancestral immigrant for many Mills, et al., who trace their ancestry to colonial NY, NJ or Connecticut and to Cumberland Co., NS, Loyalists. Unfortunately, no material regarding his life in England has been found, nor anything regarding his parentage or siblings.

16 Feb 1656 Granted home lot in Hempstead.

10 Mar 1656 Name appears on petition for grant in Jamaica, NY.

25 Nov 1656 Granted home lot in Jamaica, NY. [1823, p 9]

- Came from Yorkshire, England in 1630. [1820, p 10]

- Follower of Rev. Richard Denton. Some researchers call George a Reverend also. He was conservative as records of Jamaica NY indicate one of 17 underwriters of Jamaica in 1656. If he did follow Denton, then this was his route in America:

1. arrived 1630 with Winthrop's fleet (eldest son b. 1631 in MB)

2. 1635 rem to Wethersfield

3. 1641 rem to Stamford Ct

4. 1644 rem to Hempstead LI, NY (in 1656 Geo. sold his lands in Hempstead)

5. 1656 rem to Jamaica // 1659 Denton returned to England leaving his many sons behind. [1087, p 2]

- Not mentioned in the list of settlers who departed Stamford for Jamaica in New Amsterdam Colony. [7634, p 73]

- Torrey gives last residence as Jamaica, Long Island. Cites Phillips 36 [1079] and Keeler-Wood 90 [28] as his sources.

- GEORGE MILLS, the progenitor of this family of Mills in America, was born in 1600 in a parish in England, the name of which has not been recovered in this essay, and he came over in or before 1631-1632 (in which year his son Samuel Mills was born in this Country, as see page 10 hereof). George Mills appears first, in contemporary records, as a resident of the town of Homestead, Long Island, in 1656, a town which had been settled in 1644 by some thirty of forty families from Stamford, Connecticut. Evidently, he had joined this settlement between those two years, but coming from what previous places, supposedly in New England, searches made for this account have not discovered, as see page 77. [7996]

- George Mills was one of the founders of Jamaica, Long Island, New York, and at the first Town Meeting held there February 18, 1656, was granted a home lot.

The first and only mention of his wife was made in his statement of 24 Mar 1682, where he states “my wife Rebecca, shall enjoy my dwelling house and home lot and orchard during her life time, if it please God that she shall live longer.

A statement has been made that he was born in 1585 and died in Jamaica October 17, 1674, but the Town Records do not confirm it. [28, p 90-1]

- Among the early settlers of Jamaica L. I. was George Mills born in 1585 [sic] and died aged 89, Oct. 17, 1674 at Jamaica. He was probably a descendant of John Mills who was made freeman of Boston in 1632. [118, p 105]

- Witness our hands this 11th day of February, 1661. Stylo novo.

George Mills [1080]

- 24 Mar 1682. He writes his “will.” [1823, p 9]

- On March 24, 1681/2, is the first and only mention we have of his wife. He states that “my wife Rebecca, shall enjoy my dwelling house and home lot and orchard during her life time, if it please God that she shall live longer than I... [28, p 90]

- Genealogical and Family History of Southern New York and the Hudson River Valley, New York: Lewis Historical Pub. Co., 1913, pp. 803-807. On page 804, it was claimed that George was from Yorkshire, England and was in Milford, CT before removing to Jamaica.

Weiner recorded George's DOB as 1585 and his DOD as 1674, aged 89. George was one of the first settlers at Jamaica, Queens Co., NY. He was one of the seventeen underwriters of the Certificate of Purchase or Declaration of the Founding of Jamaica, 25 Nov 1656 (from: Mills, S. H. (compiler), 'Samuel Mills Ancestry or George Mills and the Samuel Mills Line of Jamaica, Long Island, New York and Greenwich, Connecticut,' (at the NYG&B Soc., 1958). [6775]

- George Mills was born, surely in England, perhaps about 1605. He died at Jamaica, Long Island, New York, probably on October 17, 1694 age 89. His only known wife was Rebecca who was living on March 24, 1681/2 when he signed a deed providing for her. But the wording of the deed, charging his son Samuel with her care, suggest that perhaps she was not Samuel's mother and that George may have had an earlier wife. Many have assumed that this was a daughter of Nicholas Tanner, but the documents relating to Nicholas Tanner's estate do not show this clearly at all. [6825, p 3]
- No probate records exist for George; probably because he transferred his land to his wife Rebecca on March 24, 1681/2, to his son Zachariah on February 22, 1678/9 and apparently to his son Samuel. [6825, p 8]
- No record of a Will, or of Administration upon his estate, appears on file; the apparent reason being that he had already transferred his real estate by Deeds to his wife REBECCA MILLS on March 24th., 1681/2; to his son Zachariah Mills on February 22nd., 1678/9; and to his son Samuel Mills, as of record. • it has often been said that Martha "was born about 1644, probably in America, and died after 1710 in Jamaica, L.I., daughter of Jonas Halstead" of Hempstead, Oyster Bay and Jamaica. However, Martha was much more likely the daughter of Timothy and (Strickland) Wood. She was living on January 21, 1714 [1714/15?] when she and Jonathan sold land. [6825, p 12]

- No Mills were living in Bedford in 1710. [1082]
- Removed to Bedford, Westchester County, NY, by 29 September 1712. [121, p 10], [7996, p 28 (old)]

I do not have the death date for Abigail (Zachariah's first wife) but it must have been before Dec. 1711. Zachariah (Jr.) remarried in Bedford to Martha Miller on Dec. 31, 1711. She was born Jan. 2, 1697 (?), the daughter of John Miller Jr. (son of the original proprietor) and Mary Holmes (daughter of John Holmes Sr.) [1826, p 3]
- He was noted as deceased 15 Jan. 1761 and his wife/widow died 14 March 1823 (sic for 1723?). He was active in town of Bedford in a number of civil posts including that of judge of the Inferior Court of Common Pleas in 1726. He probably married Joanna ??? after 1728. [7589]

- Possibly daughter of Samuel Clark and Hannah Tuttle. [34, p 492], [1357, p 1], [7373, p 4]
- If I were an attorney the preponderance of evidence would be that Bedford Genealogies are wrong; that Zachariah's first wife Abby Clark was from Jamaica, LI, NY. [35, p 38], [1357, p 2]
- Parentage dubious; Abigail of this birthdate given as marrying Ebenezer Cornwall; m 26 Apr 1715. [7373, p 4]

- They went to Nova Scotia where they died. [7589]

- Unproven that wife Sarah is a Holmes (see HOLMES genealogy). [35, p 76]
- It is possible that James Holmes' sisters Rebecca and Sarah were the wives of our David and John Mills of NS. Here are some interesting connections:
 1. James Holmes like David and John Mills was a loyalist and went to NS after the Revolution (although James Holmes returned to Bedford.) (David Mills son George stayed in Bedford until after 1790.)
 - 2 James Holmes was the Lieutenant of the Company at Ticonderoga during the F&I War.

Peter Mills, David's brother served in that company and died that year (Probably killed in battle at Ticonderoga while serving under James Holmes.

3. The name Dorcas is significant. None of the sisters of David Mills's Holmes or Mills ancestors were named Dorcas. So his daughter Dorcas was probably named from his wife Rebecca's side. Rebecca Holmes's sister was named Dorcas. This is not a common name.

4. Rebecca and Sarah Holmes, sisters of James Holmes, are the right age range and the Bedford Genealogies do not give their husbands' names.

5. If Rebecca and Sarah were sisters, that would help explain the closeness of the families in NS since John and David Mills were apparently quite distantly related.

6. John Mills lived in Norwalk Conn and David Mills in Bedford before the Revolution. It is not known if there were any connections between their families there but there easily could have been. James Holmes's mother was born in New Haven and James Holmes himself retired there during the last part of his wife.

7. It seems probable that David Mills' wife Rebecca might have had strong loyalist ties. David Mills himself did not serve in the Revolution on either side. (Some of his uncles and cousins were active Patriots while his brother Reuben was apparently a Loyalist soldier.) He was able to sell his land in Bedford in 1791. What made him go to NS in 1785?

8. The fact that David Mills and Rebecca Holmes were 2nd cousins (And Jesse Mills and Martha Mills would be 1st cousins) helps rather than argues against the hypotheses since such marriages were very common in the Bedford Genealogies.

Of course this hardly proves the hypotheses that Rebecca and Sarah Holmes were the wives of David and John Mills. But the clues are very strong, and they give a strong reason to conduct any possible further research that might relate to this family. I would be interested in any details or scraps which either confirmed or contradicted this idea, or leads on the investigation of the Holmes Family. I noticed that in the BEDFORD GENEALOGIES Bibliography, Ronald B Reynolds of Katonah NY had a MMS collection relating to Holmes, Miller, Renolds and Seely Families. (I am also researching Millers and Seelys) I would like to see that but do not know about disturbing private persons.

Dennis Kenaga [1089, p 5]

- There is absolutely NO evidence that Sarah was a HOLMES. I checked the Holmes Genealogy in the Bedford Records and could not come up with any Sarah Holmes married to a John Mills. Even though the female marriage records were not as complete as the males, if the marriage was in Bedford, it was usually recorded. [1082, p 4]

• His will (NY Historical Society, vol. V, 1754-1760) names widowed mother, Mary, brothers David and Reuben, and sisters, Deborah, Martha, Dorothy, and Mary. No mention of a brother, John. [123], [1826, p 3]

- From the NY Muster roll of 1758 (NY Hist. Soc., vol. 24), we know Peter was from Bedford and 30 years old, making his birth year about 1728, and most likely the second child of George and Mary. [123]
- Peter Mills, 30 yrs., laborer, from Bedford, 5' 8", gray eyes and a round visage, enlisted 4 April 1758 in Capt. Reuben Lockwood's Co. He had been enlisted in Capt. Jno. Holmes' militia company. Lockwood's company mustered 22 April 1758. [1088, p 1]

- Included as "Yeoman" in 1763 list of Freeholders in Westchester County. [874, p 254]

• MILLS, DAVID

Of Westchester County, New York. Mills had 100 acres. He apparently was living in

Cumberland, Nova Scotia in 1786. Mills enumerated his loss at £350 New York. [1085, p 610]

- In September, 1783, arrangements having been made by the British Government to convey a large number of those who were loyal to the British Crown (later known as United Empire Loyalists) from New York to Nova Scotia, and among them most of the Mills families, who came from Westchester County and other localities along the Hudson in New York State. Having had all their property confiscated, the Loyalists arrived at Saint John, N. B., and other ports, in a destitute condition and were provided for by the British Government.

In May, 1784, John Mills and David Mills, with their wives and most of their children, came from Saint John to Barronsfield, in the County of Cumberland, Nova Scotia, now known as the Joggins and Minudie district.

David Mills apparently lived for some time at Barronsfield, or Franklyn Manor, as that district was sometimes called. At a later date we find that his sons acquired land at Southampton along the Athol River, (probably should be Maccan River), where David Mills afterward lived during the remainder of his lifetime. He died at Southampton, but the date of his death is not recorded. His wife died there 1st August, 1808, and they were probably buried in the Southampton Cemetery at Harrison's Hill. [98]

- Granted 500 acres in 1785 at Cobequid Road; from Westchester, N. Y. [789, p 40], [1089, p 8], [1090, p 2], [1816, p 6]

DAVID MILLS of Barrons Field, Prov. Halifax, & wife REBECCA

Sold to Lemuel Light of Bedford, Westchester, N.Y., for £100, N. Y. money, Aug. 2, 1791

- Although David Mills submitted a claim in 1786 in NS for losses in Westchester County, he sold property in Bedford in 1791, probably by means of his oldest son George who left NY for NS shortly thereafter. But it is also probable that David Mills did lose other property in Westchester. The map of Bedford prepared for the American army by Robert Erskine before the burning of the town shows David Mills's mill. [1816, p 5]

- See David Mills and John Mills of Cumberland Co., Nova Scotia, circa 1784 for discussion of possible relationship of David and John. [1829]

- Loyalist. Listed as West Chester Loyalist in 1783 papers of Gilbert Totten. The West

Chester Loyalists was composed of men who had fled their homes. It was a loyalist regiment operating from the New York City area during the Revolution. Colonel James Delancey commanded them throughout most of the war.

When the British army evacuated New York City, the West Chester Refugees were transported to Nova Scotia. About 500 Westchester Loyalists left New York City in June 1783. The transport ship “Thetis” landed about 195 men, women and children at Fort Cumberland, Nova Scotia, that July. Other ships followed. [7606]

- In his will, dated 1 Nov 1815, he mentions his sons Ruben, Peter, Stephen and Nathan Mills; and his daughters, Martha Mills, Abigail Hoeg, Charlotte Harrison and Dorcas Gilroy. [7697]

Census Data: • 1793 Census: District of Rivers Macan, Nappan and Hebert, Nova Scotia. [1544]

General: • A party of the enemy, denominated “Cow Boys” (Refugees) had destroyed his stores. He solicited some men from the Light Infantry, to endeavour to capture some of the gang whom he was personally acquainted with, who belonged to, or were often at Westchester, a village near King’s bridge. Accordingly, a captain and two subaltern officers, and about eighty men (of which I was one) was sent from our regiment, then lying at a village called Bedford, to his assistance. We marched from our camp in the dusk of the evening, and continued our march all night. We heard repeatedly, during the night, the Tories firing on our sentrys that belonged to the horse guards, who were stationed on the lines near the enemy. This was often practised by those villains, not only upon the Cavalry but the infantry also, when they thought they could do it with impunity. [6577, p 120]

- [excerpts] In “The Loyalists of New Brunswick,” Esther C. Wright says that the West Chester Loyalists were settled at Cobequid and Remsheg (Wallace), and “West Chester Loyalists” was just another name for “Delancey’s Refugees.”

What this means for Cumberland County, NS, Mills genealogy is quite clear and should suggest some new avenues of research. David, Jesse, Reuben, Samuel and Nathaniel were listed as West Chester Loyalists in 1783 papers of Gilbert Totten.

The WCL was composed of men who had fled their homes. To the Mills it means they fled Bedford, NY, and Stamford, CT, during the war to live at West Chester and Morrisania.

The West Chester Refugees were a loyalist regiment operating from the British-held New York City area during the Revolution. They are neither a traditional British regiment, nor a motley group of militiamen, but the 18th century equivalent of a guerrilla battalion. Colonel James Delancey commanded them throughout most of the war. His West Chester Loyalists

were refugees from the surrounding counties, who had fled the rebels' retribution. He and his Corps were thoroughly detested by their rebellious neighbors, and rightly so, for they were a formidable force.

When the British army evacuated New York City, the West Chester Refugees were transported to Nova Scotia. About 500 Westchester Loyalists left New York City in June 1783. The transport ship "Thetis" landed about 195 men, women and children at Fort Cumberland, Nova Scotia, that July. Other ships followed. In October of 1784, "W. C. Loyalist" Captain Gilbert Totten, acting as land grant agent for the Corps to Governor Parr, enumerated 182 men, 98 women and 247 children of the Westchester Loyalists at Ft. Cumberland.

Those at Ft. Cumberland included Captains Barnes Hatfield, Samuel Kipp, Moses Knapp, Gideon Palmer, Henry Purdy, Gilbert Totten and Frederick Williams, as well as a smattering of lieutenants and ensigns. Included in this list were six Ackelys, including Isaac, Jr., six Fowlers, five Mills, six Piers, four Pugsleys, seven Purdys, six Tidds and six Tottens with most listing wives and children.

The West Chester Refugees had lost all. Their rich farms in the lower Hudson Valley of New York were seized by the U.S. and sold. In return the Crown granted the Refugees tracts of wilderness and swamp at the head of the Bay of Fundy in a land they called "Nova Scarcity." [1824, p 7]

• It is possible that James Holmes' sisters Rebecca and Sarah were the wives of our David and John Mills of NS. Here are some interesting connections:

1. James Holmes like David and John Mills was a loyalist and went to NS after the Revolution (although James Holmes returned to Bedford.) (David Mills son George stayed in Bedford until after 1790.)

2 James Holmes was the Lieutenant of the Company at Ticonderoga during the F&I War.

Peter Mills, David's brother served in that company and died that year. (Probably killed in battle at Ticonderoga while serving under James Holmes.)

3. The name Dorcas is significant. None of the sisters of David Mills's Holmes or Mills ancestors were named Dorcas. So his daughter Dorcas was probably named from his wife Rebecca's side. Rebecca Holmes's sister was named Dorcas. This is not a common name.

4. Rebecca and Sarah Holmes, sisters of James Holmes, are the right age range and the Bedford Genealogies do not give their husband's names.

5. If Rebecca and Sarah were sisters, that would help explain the closeness of the families in NS since John and David Mills were apparently quite distantly related.

6. John Mills lived in Norwalk Conn and David Mills in Bedford before the Revolution. It is not known if there were any connections between their families there, but there easily could have been. James Holmes's mother was born in New Haven and James Holmes himself retired there during the last part of his life.

7. It seems probable that David Mills' wife Rebecca might have had strong loyalist ties. David Mills himself did not serve in the Revolution on either side. (Some of his uncles and cousins were active Patriots while his brother Reuben was apparently a Loyalist soldier.) He was able to sell his land in Bedford in 1791. What made him go to NS in 1785?

8. The fact that David Mills and Rebecca Holmes were 2nd cousins (And Jesse Mills and Martha Mills would be 1st cousins) helps rather than argues against the hypotheses since such marriages were very common in the Bedford Genealogies.

Of course this hardly proves the hypotheses that Rebecca and Sarah Holmes were the wives of David and John Mills. But the clues are very strong, and they give a strong reason to conduct any possible further research that might relate to this family. I would be interested in any details or scraps which either confirmed or contradicted this idea, or leads on the investigation of the Holmes Family. I noticed that in the BEDFORD GENEALOGIES Bibliography, Ronald B Reynolds of Katonah NY had a MMS collection relating to Holmes, Miller, Renolds and Seely Families. (I am also researching Millers and Seelys) I would like to see that but do not know about disturbing private persons.

 Mother: **Mary HOLMES** (1705-aft 10 Jun 1759)

- Although Reuben may have been with General Sullivan's Continental Troops in 1779, he was definitely a Westchester Loyalist at the close of the Revolutionary War and was among those expelled from New York. He was aboard the Thetis which landed near Petitcodiac, Nova Scotia in June 1783. (This area became part of the new Province of New Brunswick in 1784.) Reuben was at least 25 years old by then, and perhaps already married, though all of this children were born in Canada. Although Reuben had received a land grant at River Remsheg, he never settled there, preferring to stay with his wife's family. [1089, p 8]
- They all lived in the Dorchester, New Brunswick, Parish several years (Dorchester Town Records), but both Reuben and Ichabod held deeds to land in Moncton as early as 1786. [1089, p 9]
- Reuben Mills settled in Moncton, d. 1822. He is my earliest known verified ancestor. [7625, p 1]

- You have Deborah Mills' (nee Lewis) death date listed as 1822. Her name appears in the

- Abigail is given as his eldest child by Lodge with a ca. b. of 1749, derived from age at death in 1838. [1088, p 4]

- Stamford Loyalist Jesse Mills was chased to his sister's house in the north part of Stamford. DG Bell cites only one sister in stats given for John Mills, farmer from CT. Nova Scotia sources say it was Abigail Mills and that she married for a second time Matthew Hoeg in R. Hebert. Thus, I figure that Abby's first husband died during the Amer. Rev. and that she was in NS by 1783. [1816, p 1]

Nathan

- I read a note somewhere during the Yorkshire Gathering that this HOEG family was from YORKSHIRE, but I am not sure. My instincts tell me that the name is Dutch but then the William of Orange did end up on the throne of England. [3578]

- The information that you have...sounds like it is...my Nathan and Abigail. It's interesting to read that she was married twice. Nathan was also. From what I have been able to find...is

that Nathan and 1st wife had 2 children – Andrew and Sarah. His 1st wife was killed during the American Revolution too. He married Abigail...and they had 5 children...

Nathan changed the spelling from Hoag to Hoeg...when he was fleeing from the US to Canada. His side were Quakers. [7314]

- Nathan evidently changed the spelling of his family name from Hoag to Hoeg to evade capture. [8328, p 2]

- Many stories are told of the Robber Hoag, a noted Tory who infested this vicinity during the Revolution. He carried on quite an extensive business of horse-stealing, in connection with his other maraudings. He and his gang were accustomed to enter dwellings, and if the people refused to give up their valuables, or to tell where they were secreted, he would tie them fast in a chair and build a fire under them, and keep them there until his demands were complied with. Many were so injured by this treatment that they did not recover in years. At one time Benj. Noxon was going out in the field, and on passing near a clump of bushes, heard the click of a gunlock. A glance revealed the Robber Hoag, lurking in the bushes. He pretended not to notice the robber, and gradually drew off, and when at a safe distance ran for home with all his might. Hoag was brought up in the neighborhood which was afterwards the scene of his robberies, and he subsequently told the man with whom he had lived, that he had often covered him with his rifle as he was hiding about in the woods, and bushes, but could never summon quite enough courage to shoot. After the war, Hoag fled to Canada. A number of years after he came back to Beekman, supposing his deeds had been forgotten, to visit the family of a relative. But he was not forgotten; for a number of persons who had suffered from him formed a plan to kill him, and he was forced to fly to save his life.” [8328]

- Jesse Mills, a Stamford area Loyalist, married in Nova Scotia in 1784, and his parents were listed on the town books as "John and Sarah Mills of 'Hanford' in New England." "Hanford" did prove to be "Stamford." [1088, p 3], [8306]

- He must have served as a British soldier as he had been wounded and had three buckshot in one arm, making it almost useless. He came as a UEL with his sons and his parents, John and Sarah Holmes (- Sept. 11, 1792). They went first to St. John, NB and in May 1784 moved to the Joggins and Minudie area. He secured a farm on the east side of River Hebert or Franklyn Manor as it was then called. He married Martha Patty Mills, daughter of David and Rebecca Mills. She had come over on the same boat as he had. They married at Fort Cumberland, NS in 1784. All their children were born in River Hebert. in 1785 he was granted 200 acres on the Remsheg River (part of the Westchester Grant) as were Reuben Mills and Samuel Mills, perhaps his brothers. At some point he moved to Linden and lived with his son Daniel Mills (c1800 -). In 1818, he was living in Linden when he wrote a petition to the governor regarding the land he had near River Hebert. [7607, p 1]

- Mills, Jesse, had rendered himself so offensive to the patriots of the north part of the town that, he was pursued into his sister's house, which stood near where Isaac L. Jones' store now stands on Highridge, and was wounded by a shot. He escaped from his pursuers and went to Nova Scotia. [7634, p 266]

- The precise place of Jesse's birth is not know, but he was a Loyalist during the American Revolutionary War and relocated to Cumberland County Nova Scotia with the Westchester Refugees. It is most likely that he was born in Westchester County, New York and family tradition holds that he was born in the town of Bedford. However, the marriage register (see below) indicates that Jesse's parents were from Connecticut. See research notes.

Jesse Mills lived in British Colonial America prior to the American Revolutionary War. During the war, Jesse fought on the side of the British Loyalists. According to the Nova Scotia Public Archives, Reuben Mills was from Bedford, Westchester County, New York. Jesse's status as a United Empire Loyalist is confirmed by the land grant he received in 1785 in Cumberland County, Nova Scotia.

Jesse was evacuated from New York City with the Westchester Refugees, arriving in Nova Scotia in 1783.

Jesse Mills married Martha (Patty) Mills, 15 Oct 1784 at Ft. Cumberland. The marriage register has the following: Jesse Mills, son of John Mills and Sarah Holmes of Hanford (Conn) in New England, and Martha Mills daughter of David MILLS and Rebecca Mills, of Franklin Manor, were married October 15, 1784.[4]

He was awarded a land grant in Ramsheg (Wallace area), Cumberland County, Nova Scotia in 1785 (see Land Grant: Ackerley and others). However, rather than settle in Wallace, Jesse acquired a parcel of land in the River Hebert area where he settled and raised his family.

Jesse died 3 Feb 1825 and is buried in the Linden Hillside Cemetery in Linden, Cumberland County, Nova Scotia. [7713]

• **The Second Reuben Possibility.** Using the same Mills Ancestry proposed by Michael J.

Mills, a second candidate for Reuben Mills emerges. Zachariah (#28) had a son John Mills (#91) who was a half brother to George Mills (#84). John Mills (#91) also had a son named Reuben (#207). Michael J. Mills linked George Mills (#84) to Reuben Mills (#184) as the UEL who landed with the Westchester Loyalists in Ramsheg in 1784. However, the following evidence points toward Reuben (#207) son of John Mills (#91) as the better candidate for the Reuben in Ramsheg.

First: His Age. The first question is Reuben's age. This record of Reuben which was originally a GEDCOM upload from David McAvity shows Reuben's birth date as 1730. This is problematic since his children were born between 1787 and 1803. This would make Reuben 57 years old when his first child was born, and 73 years old when his youngest is born. While the 1730 birth date is not certain, it suggests that George Mills' son was too old to be the Reuben in Ramsheg. Reuben, son of John, has an estimated birth date of 1750 to 1755 which makes him a much more likely candidate.

Second: The Brothers. Further evidence to support this supposition involves the siblings of Reuben. In the 1785 land grant in Ramsheg (Tatamagouche), Reuben Mills is mentioned along with Samuel Mills and Jesse Mills.

According to Michael J. Mills' ancestry, John Mills (#91) had the following children: Abigail (#205), Jesse (#206), Reuban (#207), David (#208), Samuel (#209), Daniel (#210). In addition, there are also land grants for David Mills, and Daniel Mills. Essentially, all of John's sons are listed in the Westchester Loyalist land grants (see Westchester Loyalist Land Grants in the Documentation below).

(Important qualifying note: Since this summary was written, it has become a strong possibility that the connection of Reuben, Samuel and Jesse Mills may have been based on the Ramsheg land grants, rather than documentation in Bedford, N.Y. In other words, seeing three men with the surname Mills may suggest they are related, but it is not guaranteed. It may be that this was a supposition that was used to build the list of Reuben's brothers in Bedford. [Mills-4919](#) [7626, p 6]

 Mother: **Tabitha DIBBLE** [1082, p 3] (1713-aft 1763)

- A minor in 1746 when he chose Edward Nash of Norwalk, Conn., to be his guardian upon the death of John Mills III. A farmer living in Stamford at the time of the Amer. Rev.

Arrived at St. John, NB on the Two Sisters with wife and 7 children. In 1784 moved to NS, where sons received land grants on R. Remsheg. [1088, p 3]

- Mills, John. Loyalist; Cumberland Co. 1784 (391:43). [3212, p 433]

- From Southampton, N. S. Township Records, we find that Jesse was son of John and Sarah Mills said to be from Stamford (CT) in New England. We already know that there was a line of John Mills (Barbour Collection: CT Vital Records, Stamford 1641-1852) living in the Stamford area since 1702 or earlier, so why would we not assume that John originally came from Stamford rather than Bedford? [123]

- His [Jesse] parents were listed on the town books as “John and Sarah Mills of ‘Hanford’ in New England.” “Hanford” did prove to be “Stamford,” but it was just the start of making adjustments and interpretations. [1088, p 3]

- See David Mills and John Mills of Cumberland Co., Nova Scotia, circa 1784 for discussion of possible relationship of David and John. [1829] And further discussion postulating John as son of Zachariah Mills and his second wife, Martha Miller. [1831, p 6]

- His line not continued in Mills Ancestry. [7613, p 2] Perhaps the same man as John, b 1724 in Mills Ancestry. [7614, pp 6-7]

Father: **George MILLS** - GGG Grandson (-1794)

Mother: **Phoebe** (-aft 1818)

- Nathaniel lived with his uncle, Peter Mills, until he was seventeen years of age. He was an energetic young man and at the age of twenty-six had earned and saved \$1,400.00, a considerable sum of money considering conditions at that time. In 1818, he with a number of others including the Lumleys, Clarks, Kings, and Lovel and Rebecca Harrison, left Southampton for Canada West, as Ontario was then known. They went by sailing vessel from Joggins, N. S., to Boston and spent a day or two sight-seeing. Nathaniel Mills bought a horse and light wagon at Boston and drove from that city to Albany, N. Y., and after a short rest, from Albany to Rochester. The surveys of the Erie Canal were then being made and he and others of the party followed the roads along route of the survey from Rochester to the Niagara River. After crossing the river they proceeded to Iona, Elgin County, Ontario, where Nathaniel secured land and lived for a short time west of the township line between Southwold and Dunwich and there married Rebecca Harrison, daughter of John and Charlotte (Mills) Harrison. About two years later Nathaniel bought land and removed to

Palmyra, in Kent County. His wife died there of pneumonia about two months after their third child was born. Their first child, John, was born at Iona, their second, Mary, (Mrs. John DeCow) a most excellent woman, with whom the writer spent many pleasant hours in 1878, and third, Jane, who married a man by the name of Eastlake, were born at Palmyra, in Kent County. About the beginning of the year 1827 Nathaniel Mills married Mary Guggerty, of County Caven, Ireland, and there on March 1st, 1828, their first child, a girl, was born, and on March 18th, 1831, there was born a boy to whom was given the name of his great-grandfather, David, and who grew to manhood on his father's farm in the County of Kent; he was elected to represent the County of Kent in the first parliament that assembled at Ottawa after Confederation, was a Minister of the Crown in the McKenzie Government, a Senator and then Minister of Justice at Ottawa. [98]

- Pioneered in Orford [township] in 1817. [3519]

- I am a descendant from George Mills 1605 as well; where we differ is from David Mills and his wife Rebecca, where you were from Peter Mills and I was from George Mills (- 1794). Apparently Nathaniel Mills hung out and moved with his uncle Peter though which is really cool. [7206]

Burial: 13 Jun 1894, Lakeside Cemetery, Port Huron, St. Clair, Michigan [340, p 5]
Occupation: Farmer [3387]
Residence: Springhill, Cumberland, NS; Mosa township, Ontario [3387]

Father: **Peter MILLS** [1096], [7615, p 8] - **GGG Grandson** (abt 1770-1820)
Mother: **Eleanor INNIS** (2 Apr 1777-1 Apr 1809)

- Born in Nova Scotia. Moved with family to Wardsville, Ontario in 1827 and lived his last years in Marysville, Michigan. [1]
- Son of Peter & Elenor Mills. [2, p 1], [114], [1818, p 5]
- Barnabas could have been named after Peter's brother-in-law, Barnabas Gilroy. [1112, p 1]
- I find your Barnabas born 26 Feb 1801 in the town book, but Darrell doesn't list him, as he was not in the family notes, which would indicate that Barny [sic] did leave the county. [1087, p 1]
- In my opinion there can be no doubt that Barnabas was in fact a son of Peter and Eleanor (Ennis/Innis) Mills. The only contrary evidence seems to be the fact that W. Darrell Mills' genealogical tables, as given in Michael's newsletter, do not show Barnabas as one of Peter's children. However, Darrell's record leaves out other known children of Peter, and has at least one major error, so the omission of Barnabas cannot be considered significant. It must be pointed out in fairness to Darrell that he does not claim that his list of Peter's children is complete; in my experience "family source" information rarely is. [4, cover letter]
- Actually I have a long-time acquaintance with your genealogy since our Mills families both came from NS to Mosa and then to St. Clair Co., MI. When I started hunting for my Mills connection in St. Clair, I met Lois Wedge. She gave me a sheet showing Daniel Mills as the father of Barnabus. But when I got the NS info, it appeared much more likely to me that he was the 1801 son of Peter, which is apparently the conclusion others came to also. There was a Daniel Mills in NS early enough to have a son in 1801, but the odds are against two Barnabas Mills being born in 1801. Name inferences are hardly conclusive. The Barnabas could have been named after Peter's brother-in-law, Barnabas Gilroy. Peter also had sons named Reuben and Nelson, names of your Barnabas's sons. Your Barnabas did not have a Peter, but many of the Mills did not name any of the children after the father of grandfather. [1112, p 1]
- Moved from NS to Iona, Ont. [55, p 1]

- It is possible that Barnabas may have moved to Upper Canada ca. 1820 as a single man, returning later to Nova Scotia to marry and live until after his son Hamilton was born. (In this connection the following information, mainly from secondary sources, may or may not be significant: About 1820, the time that this census indicates for Barnabas' arrival in Upper Canada, several families removed from the Southampton area of Cumberland Co., N. S., to Upper Canada, settling in the Iona area in Dunwich Twp. in what is now Elgin County. The group included James Lumley (son of John and Nancy (Harrison) Lumley) and his wife Eleanor H. Nelson; Eleanor was a sister of Barnabas Mills' first wife, Margaret Ann Nelson. According to Source 3, Barnabas Mills was born at Southampton, and according to Source 5, in Upper Canada. Barnabas Mills first settled at Iona.) [4, p 5]

- His [Reuben Mills] father was a native son of Nova Scotia, the year of his birth being 1801. The elder Mr. Mills followed the calling of the farm throughout his entire life. He came to Canada [meaning Ontario] in an early day, when he had reached his majority, and lived there for many years, till his family of thirteen children, seven boys and six girls, had grown to manhood and womanhood. The mother died when Reuben Mills, the immediate subject of this brief personal record, was nine years old [thus 1848], and some time after the father married again. The second wife bore him two children, and after her death in Canada he came to Marysville, where he passed away in 1871. [50, p 780]

- Nova Scotia Department of Lands and Forest Cadastral Map Index Sheet No. 60:

This map shows that Barney Mills was granted 200 acres in Cumberland County. The lot, through which the Black River flows, is located on the eastern outskirts of the present town of Springhill, and lies on both sides of the road leading to Salt Springs. (The eastern part of the Springhill Cemetery now lies on part of the lot.) The following indicial information is given for the grant: "Lib 10 Fol 8 No. 1567/Book N p16". [3387]

This is undoubtedly the property that Barney Mills "of River Thames" sold in 1836 [see below]. It cannot be concluded from this information that [Barnabas] Mills actually resided on the property. At this time many residents of the earlier-settled parts of the county obtained grants of crown land in the unsettled interior, probably to have access to the timber on the properties. [4, p 7]

- Petitioner a native of province with wife and one child; has never had land granted; asks for an order to survey for 200 acres "on the Black River adjoining lands on the East side, formerly laid off for Andrew Dexter." [A notation on the document states that a warrant to survey was issued and a grant made, both on 16 Dec. 1823.]

The property is clearly that shown on the cadastral map, and that sold by Barnabas Mills of Mosa Twp. in 1836.

The statement that (on 23 Oct. 1823) Barney Mills had a wife and one child agrees with the Family Record: Barnabas' eldest child (Nelson) was born 15 Jan. 1823, and thus was nine months old when the petition was written; Barnabas' second child (Hamilton) was not born until 8 Aug. 1824, ten months after the petition was written. [5, p 1]

- In 1825, the hilltop now Springhill, and the surrounding countryside was all laid off in grants. A map of Crown Grants by B. Scott with grants dated 1827 and 1828 show these on or near the "Claremont Road" (now Main Street): ...Barney Mills, ... The grants were very elastic in their titles and surveys, with the legal term "more or less" widely used. These lands were used as a commodity and the early settlers constantly bought, sold and exchanged among themselves. [3386, p 2]

- 1826: removal from Nova Scotia to Mosa: "when he [Nelson Mills] was three years old, they removed to Wardsville, about 30 miles from Chatham, Ontario." [3]

- Barney Mills: Lot 21, Range 1RS. [1110, p 166]

- Barney Mills: Lot 20 & 21, 1st Range S. Long Woods Road; 92 acres; patent date: 18 Nov 1847. [1111]

- From transcriptions of assessment rolls for the township of Mosa, Middlesex County, Ontario for the years 1826, 1831, and 1841, the following information is taken from those transcriptions and the facsimile:

- In 1826 Joseph Mills occupied 100 acres on Lots 20 & 21, south of Longwoods Road; the household consisted of Joseph only; none of the land was cultivated; the assessment was 20 [shillings].

(Joseph Mills is not listed in later assessment rolls.)

- In 1831 Barney Mills occupied Lot 21, first range south [of Longwoods Road]; the transcription gives no other information; the original perhaps includes more.

- In 1841 Barney Mills occupied Lot 21, First Range; the household consisted of three males over 16, three males under 16, one female over 16, and four females under 16 [for a total of 10].

(Barney Mills is not listed in the 1826 roll.)

This information places Barnabas in Mosa Township at least as early as 1831. Apparently he was not there in 1826, at least not as a land owner or tenant farmer, which is consistent with his arriving with his family in Upper Canada ca. 1825 and first settling at Iona.

The composition of Barnabas' household in 1841 may be compared with that predicted by the information in the Family Record [prepared by David W. Mills]. According to the Record, in 1841 there would have been: three males over 16 (Barnabas, Nelson, Hamilton); three

males under 16 (Barney, Hanse, Reuben; Abraham was born 27 Mar 1841, but since the assessment was for 1841, it would presumably have been made at or before the beginning of the year, and thus before Abraham was born); one female over 16 (Margaret Ann Nelson); four females under 16 (Elizabeth, Jane Ellen, Mary, Margaret Ann). The match is perfect. [4, pp 5-6]

- The agricultural census shows that “Bernard” Mills occupied 190 acres on Lots 20 & 21 on the First Concession South (of Longwoods Road), of which (in 1860) 120 acres were “under wood,” 15 and 1/2 acres in crops, and 54 and 1/2 acres in pasture. In the “Remarks” column are the terse comments: “Soil Good. River Flats. Want of culture.” [4, p 4]

- Barney Mills of River Thames, Upper Canada, and Peggy Ann his wife, for 30 pounds deeded to William Boss of Macan land on the Black River. Signed by Barney Mills and Peggy Ann Mills. Dated 1 Oct. 1836, registered 21 June 1837.

Since Barney Mills of Mosa Twp. at this time occupied a farm which fronted on the Thames River, and his wife’s given name was Margaret (for which “Peggy” is a common nickname), this must be the record of the sale of land belonging to Barney, son of Peter Mills. One can only conjecture about the reason he did not sell the land until at least 10 years after he left Nova Scotia. [4, p 7]

- Obituary

Mr. Barney Mills died Saturday, April 24, of inflammation of the lungs. He had been sick less than two weeks, and was thought by his physician to be improving rapidly. He was able to walk about the room a half hour before his death.

Rev. J. W. Holt conducted the funeral services at the M. E. church, Tuesday, April 27th, at 10 o’clock a. m. The body was taken to Fort Gratiot Cemetery for interment.

Mr. Mills was born in Nova Scotia in 1801 and removed to the vicinity of Chatham, Ontario about the year 1858 [sic]. The last few years of his life were spent in comparative quiet with his sons in this place. Mr. Mills was twice married and 12 children survive him. Among his sons are Reuben and Hamilton Mills, of this place, Nelson and Barney, of the well known firm of N. & B. Mills, lumberman, and James L. Mills, now residing in Washington territory. The daughters are Mrs. Edwards, of Port Huron, Miss Griffith, of Belle River, Mrs. Conger, of Toledo, O., and others residing in Ontario. [176]

- His [Barney Mills] father was one of five brothers who settled in the state of New York, but on the breaking out of the Revolutionary war, he espoused the cause of the Royalists [sic] and emigrated to Nova Scotia, where was born the subject of this sketch, in the year 1801. In 1822 Mr. Mills married Margaret A. Nelson, and four or five years later removed to

Ontario, and soon bought a farm on the Thames, about midway between London and Chatham.

Fourteen children were the result of this union, twelve of whom are still living. They are Nelson and Barney, of the firm of N. & B. Mills, Reuben and Hamilton, all of Marysville; Hance resides in Minnesota, and James L. Mills in Washington Territory, Mrs. Edwards, of Port Huron, and Mrs. Griffith, of Belle River. Mrs. Conger resides in Florida and the others in Ontario.

His wife having died, Mr. Mills afterwards married a Mrs. Merryfield by whom he had two children, who still live in Canada. Since 1870 Mr. Mills has lived with his children in Marysville most of the time. [8417]

All six persons, including the Merryfield girl, are described in the appropriate column as “members of the family,” indicating blood relationship. [4, pp 3-4]

- 1870 Census: Marysville, St. Clair, Michigan. Age 68, living with son, Hamilton. [1690]

General: • The one native of Ireland would be Margaret Ann (Nelson) Mills. All the other members of the household are described as natives of Canada, whereas three were in fact born in Nova Scotia, which did not become part of Canada until 1867. However, the Canadian enumerators more often than not chose to regard persons born in Nova Scotia as natives of Canada, so this apparent discrepancy may be disregarded. [4, p 5]

• Immediately preceding this [Elizabeth Maryfield] family in the census return, an Isaac Simpson, aged 30, and his wife are recorded. Isaac, like Elizabeth Maryfield, was born in England and belonged to the Church of England. Since there were relatively few natives of England in Mosa at the time, and in view of the proximity in the returns, one may speculate that Elizabeth’s maiden name may have been Simpson. Marriage Notes: • The census form includes a column headed “married in the year,” in which it was intended an indication would be made if the person had been married during the year 1860. However, the enumerator in this case gave it a different (and reasonable) interpretation, because in that column, for both Bernard and Elizabeth, he wrote “1853”, obviously indicating that they were “married in the year” 1853, thus providing a bit of unexpected and useful information. For once one is grateful for bureaucratic ambiguity. [4, p 4]

• This record confirms the deduction made in No. 1 (Items 7 and 9) that after the death of his first wife Barnabas Mills married, in 1853, a widow named Elizabeth Marryfield/Maryfield. Since it is to be expected that ministers would have been more careful than enumerators about such matters, it may be taken that Merrifield is the correct spelling of Elizabeth’s married surname.

It may be noted that, although Barnabas was a Baptist and Elizabeth was Church of England, they were apparently married by a Methodist minister. [5, p 1, item 2]

• It is not often that a person can trace his or her family record back over a period of a thousand years and link it up with kingship, but this is true of the late Mrs. Richard Bird, of Mapleton who passed away a few days ago. Mrs. Bird had records in her possession that trace her lineage back to King Alfred the Great. These records were copies from the originals, many of which had to be translated, and which are kept by the Bishop of Durham.

Mrs. Bird was a daughter of Elizabeth Lumley, eldest daughter of John Lumley, who at one time owned practically the whole of the Southampton district. He was a son of Thomas Lumley, who came to Canada in 1777 [sic]. Thomas Lumley was a grandson of the Earl of Scarbrough; a title given to the Lumley family in 1666, and remaining with them to this day. Lumley Castle, built of fine yellow stone, is still intact. The first Lord of Lumley was knighted in 1385 and the name descended from Luelph, a noted Saxon, who was persecuted by William the Conqueror and who fled to Durham where he settled and

married Algatha, daughter of the Earl of Northumberland, whose grandfather was King Ethelred the 2nd, who reigned from 978 A.D. to 1016, and who in turn was a direct descendant of King Alfred the Great. The name Lumley was taken from Lum, a north country word for “wooded valley”, and the hamlet where the original of the family lived is still known as “Great Lumley.” A copy of these records were in Mrs. Bird’s possession and proved her relationship to these historic families. • In 1857, he came to Macomb Co., Mich., where he rented a farm on shares until 1861. On Oct 5 1861, he arrived in Hope Township (Midland Co); for a few months he lived in a shanty near his present farm. He built a log cabin, and was forced to make his way to his home using an old lumber trail. He first homesteaded 40 acres, but by 1881 had added four more 40s, making a total of 200 acres. He soon had 70 acres cleared. Mills also operated the first saw and shingle mill in Hope, and was able to cut 10,000 feet of lumber and 25,000-30,000 shingles a day. He also dealt in real estate.

Samuel Mills served as township clerk, Justice of the Peace, township treasurer, highway commissioner for many years. [4220]

• Harding and Samuel [his brother] and Timothy Fillmore all started the community of Hope, MI, and were among the first settlers of the area, started the first church there, and ran a saw mill operation. [4173]

• Upon reaching age 21, Mills worked in a shipyard for two years. On October 5 1857 he came with his parents to Macomb Co Mich (note-Bruce: this places the older Mills, Peter and wife Phoebe in Macomb Co Mich, not died in Elgin Co Ont). Mills worked on farms for three years, and gravel roads. On January 1, 1861 he arrived in Hope having been five days on the way. The move was made with two double team of horses, and one single team. He bought 40 acres of land, and in 1884 he also homesteaded 80 acres, with finally 73 acres under cultivation. [4220, p 1]

- The Thomas Mills mentioned would appear to be the son of David Mills, Nathaniel's brother, though I have not records of such a son. Could this Thomas be the son of one of George's brothers? Peter? Nathan? Stephen? [1833, p 5]

- Last issue I wondered if this Thomas Mills was the son of David Mills. Well, it appears that it is indeed the case. The circumstantial evidence leads that way and ties in this family tradition (that Thomas was cousin of Hon. David Mills) with factual genealogy. [1834, p 3]

Hon. David

• On March 18th, 1831, there was born a boy to whom was given the name of his great-grandfather, David, and who grew to manhood on his father's farm in the County of Kent; he was elected to represent the County of Kent in the first parliament that assembled at Ottawa after Confederation, was a Minister of the Crown in the Mackenzie administration, a Senator and then Minister of Justice at Ottawa. [98, p 2]

• I have reason to believe that Peter [Mills] and his family removed to Ontario, and later to Michigan as Hon. David visited Nelson W. [sic] in Michigan and he was said to be wealthy, no doubt his descendants are still there. [6257, p 8]

• Complete Federal Political Experience. [3131]

• The Hon. David Mills 1831-1903

A noted cabinet minister and jurist, David Mills was born in a house on the adjacent property, attended a local school, and studied law at the University of Michigan. Elected in 1867 to the Canadian parliament, he sat as Liberal member for Bothwell until 1896, serving as minister of the Interior, 1876-1878, in the Mackenzie administration, and minister of justice, 1897-1902, under Laurier. An expert in constitutional and international law, he wrote extensively on these subjects and lectured at the University of Toronto. In 1896 he was appointed to the Canadian Senate and in 1902 to the Supreme Court of Canada. He is buried in a nearby cemetery. [1834, p 3]

• David Mills, LLB, Bothwell.

The family came from near Plymouth, England, proceeded to Holland in the time of Charles

I. Thence to New England with the Puritans and the descendants removed to Nova Scotia at the time of the American Revolution. The above was the son of Nathaniel Mills who removed from Nova Scotia to Canada, 1807. Born in the township of Orford, Kent Co., Ontario, 18th March 1830. Graduated at Michigan University. [1838, p 3]

- The Mills are related to a David Mills that sat as a Liberal (Democrat in U.S. language) member of our first parliament in 1867. [5906, p 1]

Nelson

• Born in Halifax, Nova Scotia, the first born in a family of 14 children. In 1844 he left his father's farm near Wardsville [Ontario] and migrated to Newport, now Marine City, Mich. where he went to work as a ship carpenter in the same ship yard where in later years he had

several ships built and repaired. About 1850 he moved 14 miles north to Vicksburg, the name being changed to Marysville, to honor his wife, to go into the lumber business. He resided in Marysville until his death. [1]

- March 1845: School in Mosa; from penmanship book: “went to school on 12th of March, 1845, Aldborough.” [1118]

- 10 Oct 1845: Living in Mosa Township.

“Nelson Mills, his Book. A living in the Township of Mosa, London District, October the 10th, 1845.” [180]

- ...who came from Canada in 1844, and had been a ship-carpenter in Marine City until he joined Miron Williams in lumbering on the Turnpike about 1850. [544]

- Married 1863. All children born in Marysville, Michigan. [1]

- “Nelson Mills settled in Mosa with his father in 1826.....”

The 1826 date of settlement in Mosa given in this source corresponds to that indicated in the query in Mills Ancestry [issue #10 26 Sept. 1988], which gives it as c. 1826. The wording “settled...with his father” seems a bit incongruous, since Nelson would have been only 3 years old in 1826. The fact that the author, writing about 60 years after Nelson moved from Mosa to Michigan, chose to describe the settlement in terms of Nelson rather than Barnabas, suggests that he may have had some kind of contact with Nelson over the years. (The author, Hugh McColl, who was b. 1837 in Ekfrid Twp., published the Strathroy Age from 1868 to 1876, and was postmaster at Strathroy from 1875 until his death in 1910.)

Source: Commentary by Robert A. Jones, [5], in which this quotation is taken from Hugh McColl, *Some Sketches of the Early Pioneers of the County of Middlesex* (Toronto, 1902; facsimile edition Ottawa, Ont., Canadian Heritage Publications, 1979), page 23.

- At Marysville, or Vicksburg, as it was then generally called, E. P. Vickery, the first syllable of whose name had been used in giving the name to the settlement, had built a steam saw mill about 1843 which he later enlarged until it had a capacity of one million feet. A short distance below, Williams and Mills built, in 1855, a steam mill of two million feet capacity, and this together with the Vickery mill, were acquired by Williams and Mills, and later by Nelson and Barney Mills, who also purchased in 1878 the mill above their upper mill, which had been built in 1871 by William Sanborn and brother (James). This mill was a fine modern mill with a capacity of seven million feet, and was erected to saw timber brought from north of Saginaw bay. [29, p 372]

- In 1845, William Sanborn and his brother, John P. Sanborn, came to the Port Huron area to

work with their uncle James W. Sanborn. In Michigan, William Sanborn learned the art of timber scouting and surveying work under his uncle in the public land office. After the Civil War, William operated a sawmill on the St. Clair River in Marysville, Michigan, where he sawed the pine timber he cut from his properties in Iosco, Alcona and Oscoda Counties. He sold the property to Nelson and Barney Mills in 1871. This mill was located on the old Morton Salt property north of Bunce Road in Marysville. [8325, p 67]

- Two brothers, J. L. and J. W. Kelsey, built a mill in 1844 in the forest three miles west of Vicksburg on the Fort Gratiot Turnpike. Their lumber was hauled by teams to their dock up the St. Clair river which was known as Kelsey's dock or wharf.

Miron Williams and Nelson Mills organized a partnership March 21, 1850 and bought the mill and adjoining land of Kelseys. They operated the mill under the name of Williams and Mills, later to become a well known institution along the river and at Vicksburg, to which point the Kelsey mill was moved in 1858, after the timber available to the turnpike mill was exhausted.

Miron Williams had been a mill operator for Ward & Gallagher at Belle River Mills. Nelson Mills had been since 1844 a ship-carpenter in Ward's Marine City Shipyard. Williams married the oldest Gallagher girl, Mary, in 1838 and they came in 1854 with their family of two boys and seven girls to Vicksburg, this being quite a substantial increase in the population of that time. The Williams farm home became the scene of much entertainment during the 30 years following. A school was maintained by Williams for his own children and those of the neighborhood, being the first school house in Vicksburg. [1129, p 2]

- [excerpts] Williams & Mills bought the turnpike saw-mill Mar. 21, 1850 from Joel w. & Jos. L. Kelsey, who had bought in 1844 from P. Laturno and Jos Beaushaw. Other land was included in the deed from Kelseys. Price was \$3500, with mortgage back for \$2500. See Vol U- pages 703-704.

Miron Williams and Nelson Mills formed a co-partnership dated May 29, 1850, and operated this mill, store, boarding house on the turnpike. The location was in NW 1/4 Sec. 1, St. Clair township.

Some date between 1850 and 1854, Nathan Reeve of Detroit (or Newburgh, N. y.) was taken into partnership, becoming the firm named Reeve, Williams & Mills.

Mar. 25, 1862. Nelson Mills and Barney Mills partnership agreement.

Mar. 25, 1862. Agreement of Miron Williams to sell to Nelson & Barney Mills. [7069]

- Before the end of pastor Tuttle's first successful year here, the Methodists were planning for a building. They had organized a Board of five Trustees--Peter Brakeman, Nelson Mills, Ainsley Griffith, William Smith, and David Carlisle. These trustees purchased a strip of land

4 rods wide and 39 rods deep from Obadiah Gardner for the sum of \$100. [1141, p 5]

- The Methodist Episcopal Church of Vicksburg was organized November 9, 1859, with Peter F. Brakman, Nelson Mills, Ainsley M. Griffith, D. Carlisle and William Smith Trustees, and William Tuttle, pastor. [29, p 425]

- At the foot of River Road and what is now Huron Ave. stood the general store operated by Nelson and Barney Mills. They carried everything a lumberjack needed to get along in life. All kinds of merchandise and groceries. The men were paid \$1.50 per day and felt an obligation to trade with Mr. Mills. They were paid on Saturday at the office in rear of store on way home from work. Later in day on payday most of them went back to store and purchased their needs for next week which resulted in Mr. Mills getting the money back that he had paid the men earlier in the day. [1156, p 1]

The Mills family had a complete lumber empire -- a lumber camp but can't recall where it was located but my Father called it the Nelson Mills camp in his songs. They owned a fleet of boats, four sawmills and several farms and the store also leased and operated Stag Island, and inaugurated a ferry service between Marysville and the island. [1156, p 2]

Also would like to add that Nelson Mills was in his office a lot but he could put on boots and grab a pole and ride the logs in the river as good as any of the men. [1156, p 3]

- In the fall, when the first snow came, the Mills family's horses and oxen were shipped from Stag Island in the St. Clair River to Ogemaw County to work in the lumber camps.

Around 1870 the Mills family owned hundreds of acres of Ogemaw County. They started a lumbering project which was carried for twenty years. After the trees were cut and trimmed into sizable logs, they were skidded into the Rifle River, during the spring freshets, and floated downstream. Upon reaching Lake Huron, they were rafted and pulled by tug boats to the St. Clair River, near Port Huron. Steam boats and tow barges transported them to Cleveland, Ohio, through Lake Erie. [3402]

- Justice of the Peace, 1856 & 1859. [29, p 638]

- Marysville Postmaster: 1864-1892. [1129]

- Timber to the amount of \$150 has been purchased here for the M. E. church of Port Huron. Seventy-five dollars of this is Mr. Nelson Mills' donation. [8418]

- The Mills Transportation Company was formed February 4, 1878, with a capital stock of \$250,000, divided into 10,000 shares of \$25 each. Nelson Mills, of Marysville, held 2,812;

Barney Mills, 938; August C. Gray, 1,250; Henry McMorran, Port Huron, 2,500; and Charles Neal, Bay City, 2,500 shares. [29, p 547]

- Nelson Mills, Marysville, of the firm of N & B Mills, Section 32, manufacturers of pine and other lumber, is a native of Nova Scotia, and was born January 15, 1823. When three years of age his parents moved to Upper Canada in the township of Mosa; there he lived until manhood. Then he came to Michigan and located in the County at Newport (now Marine City) and became a citizen. He worked at ship-building. Then he and Myron Williams bought a tract of timber and sawmill on the Fort Gratiot turnpike in 1850, and engaged in lumbering. Their mill burned the next winter, and they rebuilt the mill and had it running in six weeks. They ran the business there twelve years. In 1853, they formed a partnership with N. Reeves, of Detroit, and bought a tract of pine land in Sanilac County, and the Brooks and St. Clair mill at Algonac. N. Mills took charge of the Williams and Mills' property, and M. Williams that of the Reeves, Williams and Mills'. In 1854, they bought the Vickery mill at Vicksburg and transferred their business to that place and built another mill. Soon after this the Vickery mill burned. The business was carried on in this way for three years, when Reeves failed; Williams and Mills took his interest and paid the debts. They carried on the business until 1862. Then N. Mills bought the Williams' interest, and took B. Mills in as partner and moved the mill from the turnpike to where the Vickery mill had been burned. They bought a tract of pine in Ogemaw County. They run the logs down the Rifle River, where they raft them and bring them to Vicksburg (now Marysville), where they operate two mills and a shingle and planing mill. They cut from eight to ten million feet of lumber yearly, and have the largest retail trade on the river. Mr. Mills is the largest stockholder in the Mills Transportation Company, which consists of the large steam barge Nelson Mills and four tow barges. They have also two other steam barges which are employed in freighting lumber to Cleveland, where [there is] the lumber yard for the sale of their lumber. They also carry on mercantile business. The interests of this firm comprise the business interests of Marysville. Mr. Mills has been actively identified with the interests of the town and county, and has held the office of Supervisor of the town of St. Clair, Justice of the Peace and School Inspector; and has held the office of Postmaster most of the time since he came here. He owns a large farm about two miles from Marysville. In 1863, Mr. Mills was united in marriage to Miss Mary Williams, a native of this county, and daughter of Myron Williams. Mr. and Mrs. Mills have six children, three sons and three daughters - John, Myron, Maggie, Hannah, Emeline and David. [29, p 586]

- For many years the lumber and shipbuilding enterprises of Nelson and Barney Mills comprised the only industry in the village [Marysville, MI]. [5165]

- My [Myron Mills] father, N. Mills, was one of the leaders of industry in this section from 1876 to 1904, taking an active part in most of the enterprises that developed St. Clair County, and was specially interested in lake freight transportation. After his death in 1904, I became one of the executors of his estate, and had charge of it until disposed of in 1912. [1136]

-- Reported Very Wealthy

Nelson Mills, one of the oldest and best known residents of St. Clair county, died at his home in Marysville on Wednesday afternoon. He was taken sick on Sept. 9 last and has been confined to his room since Christmas day. Different specialists have been called and all have agreed that the stomach trouble was of such a serious nature that he could not recover and that the end would be only a matter of a few months. Notwithstanding his illness he has looked after many of the details of his business up to within a few days, and remained conscious up to the time of his death. Mr. Mills was considered the wealthiest man in St. Clair county, his property holdings being estimated at over \$1,000,000.

Nelson Mills was born January 15, 1823, in Nova Scotia, of English parentage. When three years of age his family moved to Wardsville, near Chatham, Ont., where his early boyhood was passed on a farm until he was twenty-one years old, except one winter which was spent getting out ship timber for the Quebec trade. In 1844 he came to Marine City, then known as Newport, and engaged in shipbuilding, at which occupation he had the name of doing more work in one day and doing it better than any other three men in the county. It was there that he first became known for that strength, endurance, and passion for labor that has marked his whole life, and this great capacity for work soon gained him more than local fame. He detested shams and believed that work was the mother of success, and that luck was only a very distant relative.

Between 1844 and 1850 he made frequent trips into the pine forests of Michigan as a land looker for various people, and in 1850 engaged in lumbering on his own account in partnership with Myron Williams and Nathan Reeves, doing what was then a large business in lumber and rafting of logs on Black river, their capacity being 10,000,000 feet of lumber annually. In a few years Reeves went out of the business and Williams & Mills erected their first saw mill on the Fort Gratiot turnpike, three miles from the St. Clair River, for which their

supply of logs was obtained from a 3,000 acre tract of thickly timbered land surrounding that point, the logs being brought to the mill on a wooden railroad.

In 1862 Mr. Mills purchased his partner's interest in the business, and with his brother, Barney, formed the partnership of N. & B. Mills, which has until the present time continued with-out interruption, with headquarters at Marysville. This firm later purchased 15,000 acres of pine land in Ogemaw and Arenac counties, which became their resource for a large timber supply for fifty years.

In 1862 Mr. Mills, in connection with L. M. Skidmore, opened a wholesale lumber yard at Toledo, Ohio, which continued for six years.

Nelson Mills has been interested in vessels all his life, and has owned and operated a large fleet of boats in the lumber, grain, and ore trades, and has always been closely connected with the development of shipbuilding, from the small vessels of the '60's to the present day. In 1863 his first venture was the building of the schooner Antelope, and placing her in the Chicago trade, where she not only cleared her first cost during the first season, but was sold at the end of the first year for more than her entire cost. This phenomenal success induced him to dip deeper into this branch of business, and for many years the Mills Transportation Co., the Pawnee Boat Co., and other lines have been important factors in the carrying trade of the Great Lakes. This firm in 1864 established a wholesale and retail lumber yard at Cleveland, Ohio, under the name of Mills, Jewett & Co., which some years later was changed to N. Mills & Co., and then to the Mills, Carleton Co. In 1897 the present corporation was formed by the consolidation of the Mills, Gray, Carleton Co., became one of the largest wholesale lumber companies doing business on Lake Erie, handling over 100,000,000 feet annually.

In 1889 Mr. Mills, together with his son, John, in connection with Isaac Bearinger of Saginaw, and Hiram W. Sibley, of Rochester, N. Y., purchased 10,000 acre tract of land in West Virginia, timbered with black walnut and yellow poplar, and commenced manufacturing this valuable timber on an extensive scale.

In 1900 John E. Mills, eldest son of Nelson Mills, secured the right of way and began the construction of an electric suburban road between Lansing, St. Johns, and St. Louis. Upon his death in August, 1903, the work was taken up and carried on by his father. During the summer of 1903, Mr. Mills with his son, Myron, his son-in-law J. R. Elliott, and Geo. G. Moore, of Port Huron, bought the Lansing street railway, which has been reconstructed, and both roads are being rapidly pushed to completion.

The many business interests in which Mr. Mills was personally concerned are:

President of the Mills, Gray, Carleton Lumber Co., Cleveland, Ohio

President of the Lansing street railway

President of the St. Louis & St. Johns Railway Co.

President of the Mills Transportation Co.
President of the Pawnee Boat Co.
President of the Mills, Elliott Manufacturing Co.
President of the Nelson Mills company
President of the Port Huron & Sarnia Ferry Co.
President of the Port Huron Navigation Co.
Director of the Panther Lumber Co., West Virginia
Director of the Port Huron Savings Bank
Director of the Port Huron Engine & Thresher Co.
Director of the Deepspring Mineral Bath Co.
Director of the Northern Life Assurance Co., of Canada

Mr. Mills was a large property holder in Port Huron, Detroit, Toledo, and Cleveland. He was the owner of Stag Island, a popular summer resort in St. Clair river, owned a planing mill and branch lumber yard in St. Clair, and large farms in St. Clair county. He was also an active stock-holder in numerous industries: Malleable Iron Works, Port Huron Saw Works, and the Anglo-American Fire Insurance Co., of Toronto.

Mr. Mills always took a marked interest in politics, his first vote having been for Fremont in 1850, and while a devout adherent to the principles of the Republican Party, and often solicited to accept office, his business interests compelled refusal, except in the early days of the county, when he was supervisor and justice of the peace.

In 1850 he became a member of the Methodist Episcopal church, and for more than fifty years held the office of steward of the church. No matter what the business cares of the week had been, he was never found absent from his pew twice on Sunday, and during the early part of his life took an active part in Sunday school work. In his business, religious and every day life, he has shown the same strong characteristics. Determined in carrying out with success whatever he undertook, and always thoroughly just in his dealings with men in whatever station in life. He rarely discharged an employee, and during dull seasons in business his great anxiety was to be able to keep those depending on him employed.

Mr. Mills, was married in 1862 [sic] to Miss Mary Williams, daughter of his former partner, and the union was blessed by three sons and four daughters: John E., Myron W., Margaret M., Hanna E., Emeline W., David W., and Hally B. Mrs. Mills died in 1891. Her death was followed by that of Hally in 1900, and John in 1903. [3], [1825, p 5; reprint]

• LATE NELSON MILLS

An Interesting Story Told of His Early Life

How the Village of Marysville Received Its Name

A dispatch from Marine City says, of the late Nelson Mills:

An interesting story is told of Nelson Mills, St. Clair County's millionaire, who died a few days ago. It would be needless to state for the benefit of those who were personally acquainted that Mr. Mills when a young man was very plain in his appearance and address, but possessed of a good stock of courage and perseverance.

It was about 1848 that Mr. Mills arrived in what was then Newport, now Marine City, Capt. Sam Ward who was the founder of Newport, was then carrying on a shipyard and general store, the shipyard being known in later years as the Holland yard. Being in urgent need of more ship-carpenters, and happening to be on the dock as young Mills landed, and learning that he wished work, Capt. Ward went with him at once to the shipyard, where Jacob Wolverton was master builder, and Stephen Rose foreman. Capt. Ward suggested to his master builder that he thought he had found a man to work in the yard. Wolverton, giving a side glance over his shoulder at Mills and his tools (which were exposed in his open "coon box"), told him that if Ward had any barns to build he might hire him, but that he himself had no use for him in his shipyard.

It happened that Ward was in need of having a barn built, and at the curt answer of Wolverton the captain turned to Mills and asked him if he would build it. The young man answered he was looking for work, and it mattered little where it was. He went to work at once on the barn (which for many years stood in the rear of the Ward residence). This has since been known as the Holland homestead. After completing the barn, Capt. Ward was so well pleased that a position was given Mills at once in the shipyard, where he remained as long as it was continued by Ward, and afterward for Solomon Gardner when the Steamer "Ocean" was built.

When he settled up with Ward, Mills had the larger portion of his wages coming to him, which furnished the nucleus for his going into the lumber business at Marysville in company with Myron Williams.

Mills afterwards married Mary, the daughter of his partner, and in her honor the village was named.

Mills' experience in the Newport shipyard was of great importance to him, as, outside of his vast lumber and real estate interests, he had been known as one of the largest ship owners on the lakes. The old shipyard where he once worked has been kept busy for many years building new boats and repairing old ones for him. [1127]

- MILLS' ESTATE

Will of Nelson Mills Was Filed Today

The Five Children All Get Share and Share-Alike

The will of the late Nelson Mills was filed in the probate court today. The estate is divided, share and share alike, among his five children, namely: Myron W. Mills, Margaret Hopkins, Hannah Mills, Emeline Elliott and David Mills.

The will was executed on the 17th of April, 1903, and occupies just twenty-three typewritten lines.

Myron W. Mills was made executor and was empowered to sell or convey any or all of the estate without the necessity of applying to the probate court. Subsequently Mr. Mills made his son, David W. Mills, a joint executor with Myron W. Mills and expressed his desire that the estate should be kept intact and that all partnership and business interests in which he was engaged at the time of his death should be carried on until such time as the best interests of the estate would permit them to be closed up, and for this purpose Myron W. and David W. were also made trustees of all of the estate, real and personal, and were directed to distribute the estate among the heirs from time to time as the best interests of all seem to require. The trustees are given full power and authority to manage the business precisely as if it was their own. In the event of the death of either of the trustees, the other is given full power and authority under the will.

John E. Mills was alive at the time this will was made but, owing to the fact that his father incurred large liability for him which the estate had to pay, no provision was made for him in the will. The other children were asked to deal fairly and justly by this son.

The will was witnessed by Prudence Carroll and W. L. Jenks.

Myron L. Mills said it was impossible to estimate the value of the estate. In the petition filed by Attorney George G. Moore in the probate court this morning, the value of the estate was placed at \$1,000 and upwards, but it is understood the real value comes nearer a million or a million and a half. It includes the Mills Gray Carleton Lumber Co., of Cleveland, and business and book property in Cleveland and Canton, Ohio, including also large summer resort property in Cleveland, great lumber tracts in Northern Michigan and coal and lumber lands in the south. The Lansing and Suburban Traction Company, vessel property, bank stock, ten or twelve farms in St. Clair county, Stag Island, stock in the Engine and Thresher

Co. and many other industrial enterprises. By the provisions of the will it is estimated that the children will have two hundred to three hundred thousand dollars each. [1128]

- When Nelson Mills passed from life into death St. Clair county suffered one of the greatest losses in her history. - Well the updates to the Pioneer site...are a delight to see. I just love that 'David W. Mills Ship' photo. Nelson Mills' Great Lakes shipping interests were as important as the timber reserves and the mills that processed that material into dimensional timbers and dimensional lumber. This ship? It was steam powered (1st generation Great Lakes shipping vessels were sailing ships that specialized in cargo, 2nd generation were sailing and steam assisted combos, then finally fully steam-powered barge style ships which is what the David W. Mills was)...and carried 1,000,000 bf of lumber at a time. That's a large shipment today. But then? It was massive. It shows how serious the NORTHERN OHIO LUMBER wholesale operations of Nelson and David Mills were in Cleveland at that time. And the ship....named after his son David. Just wonderful. Right? It has to be terrific to you.....Great picture. [7496]

General: • **A Brief History of Marysville**

In 1817, Zephaniah W. Bunce sailed up the St. Clair River and settled at the mouth of Baby's Creek, serving as merchant, postmaster, lumberman, judge, and legislator for sixty five years. There was no habitation nearer that Fort Gratiot to the North and Palmer (St. Clair) to the south. The pine forest that stretched from Pine River to the Strait of Mackinac was barely touched by man. This was woodland.

Eventually saw mills sprouted up on streams in Marysville known today as Carleton Creek (the Golf course), at Bunce Creek (Detroit Edison Plant), and at Mud Creek (in Marysville Park).

Meldrum and Park erected a sawmill in 1792 at Carleton Creek and was later succeeded by Colonel Andrew Mack, a prominent Detroit man. The Colonel constructed a house there, which later became the home of George W. Carleton. A model of this house may still be seen on the lawn of Marysville Historical Museum in Marysville Park. The tombstone of Andrew Mack and his wife, Amelia, still remains standing on the north bank of Carleton Creek in the Riverview Golf Course.

Another mill located at Bunce Creek was owned by Judge Bunce and his sons, Mumford and Lefferts, which was built on the site on an earlier mill started by Antoin Morass about 1786. It was water powered and in operation from 1818 until 1870. Initially it was called Bunceville, serving as a port of call for passenger steamers running between Chicago and Detroit. It was the trading post for Indians and trappers, the post office for Fort Gratiot and Desmon, of which Judge Bunce was postmaster. The judge later became a member of the first Michigan Legislature.

In 1843, Edward P. Vickery purchased land from Cummings Sanborn and erected a sawmill at the point where Mud Creek flowed into the St. Clair River, near the foot of the present Huron Boulevard. He named his operation Vickery's Landing. As the settlement grew, it was renamed Vicksburg. Then in 1859 the name was changed to Marysville, after Nelson Mills'

wife Mary. Vickery sold his mill in 1852 to Lewis Brockway and Horace E. Bunce, who in turn sold it in 1854 to Nathan Reeves, Myron Williams and Nelson Mills. Mills became the sole owner in 1862. Nelson Mills operated three specialized mills on the St. Clair River near the mouth of Mud Creek. These continued to function until about 1900. The Williams-Mills operation was the largest enterprise in Marysville up until the arrival of C. H. Wills.

Another establishment within the present boundaries of Marysville was Hubbard's Corners, where Isaac Hubbard built a tavern, blacksmith shop and a store on the corner of Bartlett Road (Huron Blvd.) and Gratiot Turnpike. Hubbard married Edward Vickery's daughter, Mary.

From 1853 to 1883, Vicksburg was also a shipbuilding town. Myron Williams built the schooners: Mary-88 tons; Mary Williams-88 tons. These small schooners were built to transport lumber from Vicksburg to Detroit and other Lake Erie ports. In 1862 Williams built the schooner Emeline-121 tons; and in 1864 the tug Tawas, named after an Indian of that name. The tug blew up in 1874 killing some of its crew.

In 1864, Williams also constructed the City of Tawas-572 tons and the scow D. G. Williams in 1874. N & B Mills rebuilt the Clifton in 1866, built the N. Mills in 1870, the Mary Mills in 1872 and the Steamer J. E. Mills in 1883.

Following the lumber era - from 1900 to 1919 - Marysville was a quiet little village extending from the river west to what is now Michigan Avenue. There was no industry at that time, although there was a rapid transit system to Detroit and Port Huron via the electric interurban railway known as the D.U.R. (Detroit Urban Railway).

In 1919, C. Harold Wills, a millionaire motor car engineer from Detroit, changed the face of the village. Within two years, his "Dream City" had become a reality. New streets were laid out and new homes built. C. H. Wills and Company built a factory to produce the Wills Ste., Clair automobile, whose design and engine were far ahead of its time. Unfortunately, due to the high cost of production and a severe economic depression, the operation failed. The building Wills had constructed was later purchased by Chrysler Corporation and houses the Mopar operation there today.

Marysville was first incorporated as a village in the year 1919 and as a fifth class City in 1924 under the City Manager form of government. The population has grown steadily and is approximately 10,000 today. New businesses have sprung up in the area, attracted by our fine school system, efficient police and fire departments, and good municipal services. [2357]

Biography: • Myron W. Mills, splendid gentleman, descendant of a long-line of respected forebears and present official Historian of Marysville, furnishes the script for my broadcast of tonight. It is a pleasure to collaborate with Mr. Mills in bringing old-time history of Marysville to you at this time.

For 30 years following 1871 the whole activity of Marysville centered in the lumber mills and vessel business of Nelson and Barney Mills. The history of Marysville during that period must be the story of N & B Mills, --- the company which began in 1862 and continued to operate its saw-mills until the death of the partners in 1904 and 1905.

By a fortunate, well-timed purchase of pine land in 1870 from a group of land speculators in Buffalo, the Mills Company obtained a log supply to keep their operations running many years. This purchase involved going into debt for upwards of \$50,000, which was a big loan at any time but was especially heavy when it became necessary to carry it through the 1873 panic. Only the confidence of the selling parties in the integrity and industry of the Mills firm enabled the latter to carry through the undertaking. The debt was finally paid off in about 10 years, after the partners had found it necessary to pledge everything they possessed in order to raise money.

By singular good fortune they were able to get the William Sanborn Mill, just north of the Marysville Creek, in 1878. This mill had operated only a year or two after it was built in 1871, because the Sanborns had no available timber supply. The mill was strictly modern, built to saw timbers as long as 80 feet. Logs of this type could be obtained only from the shores of Lake Huron and its tributaries. This fitted exactly into the plan of N & B Mills whose logs coming from Tawas Bay ran to lengths of 120 to 140 feet. It cannot be said that such lengths were usual, but many did cut up into 40, 60 and 80 foot lengths, and many pine logs suitable for spars were formed and laid aside for future demand as spar timber.

Log rafts on St. Clair river were very common during those years. Almost daily a raft passed down bound for Detroit, Toledo, Cleveland and other Lake Erie ports in tow of one of the old time lake tugs.

Four or five days were required to bring one of the Mills rafts from Tawas Bay to Marysville. The tying-up place was at Bunce Creek where two very strong piles were driven at the beach for snubbing. When a raft approached St. Clair river, it was necessary to keep in mid-channel, as they were 600 or more feet wide and 1500 to 2000 feet in length. They were usually held in the lake until they could come in by daylight. The morning of arrival of a raft all was excitement in Marysville. "Dad" Levi Ogden, grandfather of Myron E. Ogden,

loaded a dozen mill hands into his wagon to take they tying-up tackle to Bunce Creek. This consisted of a line or rope about the size of a man's leg. Frequently it was possible to hail a vessel passing down. "Vessel ahoy!" "Did you see a raft coming in?" And perhaps the answer would be "Yes, it is just coming into the river." After waiting an hour or two, the tug could be seen passing Black River. Another hour would bring it down along the Canadian shore. Suddenly the tug would swing over to the sand hill at Ravenswood, and the raft swung slowly and gracefully across the river, reaching from shore to shore. Slowly it straightened out and drifted with the strong current toward the snubbing piles. Everything was in readiness as the big raft floated down. At the right instant Nelson Mills shouted from the river bank, "Hold on! Hold everything," waving his hat and arms as the signal. Black smoke poured from the tug, her throttle wide open, steam roared from the steam pipe, the raft straightened and the chains tightened up. The big yawl with 6 or 8 men shot to shore, men jumped in the water, hauled the big line ashore to the snubbing piles, threw on the turns, tightened up the line, the raft nosed into the shore, smoke and fire flew from the friction on the piles, water was doused on, the line, surged, more fire, more smoke and more water doused on. Two boats, the Point Abino and the J. E. Mills, on the outside crowded the raft ashore. The logs rolled up on the beach and if all went well the raft was finally at rest and safely tied up. The tension was over and Marysville had a supply of logs for another month or two.

The Marysville Post Office from 1864 to 1893 was located in the Mills store east of the river road at the foot of present Huron Boulevard. Mails were carried by star route (horse and buggy or cart or sleigh) between Port Huron and St. Clair until the coming of the interurban car line in 1900. A covered stage heated by a stove operated during the winter months when the regular passenger boats could not operate between Algonac and Port Huron.

The Mills store provided nearly everything required by a pioneer community, dry goods, needles and pins, boots and shoes, groceries, flour, salt pork, drugs, patent medicines, tobaccos, hardware, axes, nails, etc.

A telegraph office of the Western Union opened in October, 1874, in the Mills store and continued until 1904. N. Mills was manager. The first operator was N. P. Arnold followed by W. O. Randall, Ed. Gillett, Arlie Mills, George Shaw, Myron Mills, and W. J. Newton, all of whom were also clerks in the store and post office.

The Mills lumber office was in the rear of the store, presided over by A. C. Gray, who began working for the company in 1862 and continued in charge of the many details of the lumber and boat business until 1895, a most loyal and reliable factor in the business. Two sons, Guy and Ralph, were raised by Mr. Gray. They entered the lumber business of N. Mills & Company in Cleveland, Ohio, in which they became partners, and made a distinguished

record in that city for many years as highly successful lumbermen and eventually established a company of their own, the Guy and Ralph Gray Lumber Company.

Marysville's first long distance telephone was installed in the Mills office about 1879, when the river line was put in operation between Port Huron and Detroit. The telephone at that time was mainly used for office communication to Cleveland. In 1894 a private telephone line connected the residences of Nelson Mills and Myron Mills with the Mills office. These were the only telephones used in Marysville until about 1910, when the Port Huron exchange was extended to cover the Marysville section.

At another time I will be glad to tell you something about some of the old Marysville families.

Here is where the story of Historian Mills ends for tonight.

What follows is the contribution of your announcer because Myron Mills is too modest to write the good things which so truthfully can be told about his father, Nelson Mills, and his sturdy character.

I quote the tribute which W. L. Jenks, in his History of St. Clair County, paid the father of Myron W. Mills.

"Nelson Mills was a real captain of industry, but his success was never due to any crooked methods, but to a tremendous capacity for hard work and unusual business ability. As one of the Port Huron papers remarked at the time of his death: That he was possessed of a remarkable business sagacity has been conceded for years. His marvelous acquisition of property, and always by honest means and clean methods, brought that fact home convincingly to every mind. Another paper prints the following: Mr. Mills' secret of success was industry combined with good judgment. No one of his employees worked harder than he and he never seemed to be thoroughly happy unless he was doing something. He had little faith in luck, but believed that industry and perseverance would win in the end. He was always genial and approachable by anyone. Every proposition met with respectful consideration and his word could be relied upon implicitly. While his business interests have been largely in the hands of others during the past years, because of advancing age, yet he had continued the active supervision of affairs up to a short time before his death and his removal will necessarily be felt in the community. His career may not be described as brilliant, but he was solid, successful man, one of the real captains of industry upon whom the burden of progress always rest. Such was the estimate of those who know him, and the following brief account of his life will prove their words to have been far from eulogistic.

Nelson Mills was born on the 15th of January, 1823, in Nova Scotia. His parents were of English birth, and when their small son was three years old, they removed to Wardsville, about thirty miles from Chatham, Ontario, where they bought a farm. Here the lad grew up,

received what education he had, the conditions of the times making this rather meager, and until he was 21 worked on his father's farm. One of these winters, however, he spent in getting out ship timber for the Quebec market. In 1844, having through (sic) the work just mentioned, acquired some knowledge of shipbuilding and some acquaintance with shipbuilders, Nelson Mills went to Newport, now Marine City, Michigan, where he engaged in shipbuilding. There he began to gain the reputation for that same strength, endurance and passion for labor that marked his whole life. He soon had the name of doing more work in one day and doing it better than any other three men in the county. In addition to carrying on his shipbuilding trade, between the years 1844 and 1850, much of his time was taken up by frequent trips which he made into the woods as a land looker for various people. In this way he picked up a vast amount of knowledge concerning the pine timber lands of Michigan, and when he engaged in the lumber business in 1850, he was thoroughly familiar with the details of the work.

Mr. Mills always took a keen interest in politics, though his business cares prevented him from ever accepting office in spite of the solicitations of his friends. He cast his first vote for Fremont in 1856, and from that time was always a staunch Republican. He became a member of the Methodist Episcopal Church in 1850, and for more than fifty years held the office of steward of the church. No matter how heavy his business cares may have been, nor how wearied he was with the exertion of the week, Sunday always found him in his pew at church, and he did not attend once, but twice. During the early part of his life he was an active worker in Sunday School. The following is a brief estimate made of him by one who knew him: "In his business, religious and everyday life, he has shown the same strong characteristics, determined in carrying out with success whatever he undertook and always thoroughly just in his dealings with men in whatever station of life. He rarely discharged an employee, and during dull seasons in business his great anxiety was to be able to keep those depending on him employed."

Yes, Myron W. Mills has promised to tell you about some of those old-time Marysville families at some future time but the Marysville Historian would never have peeped about his own family. He just isn't built that way. So I have done it myself. Now, good night, good cheer, and I thank you. [1130]

Mary Jerralds

- Born in Algonac, Mich. The first born daughter in a family of ten children. Died in Marysville, Mich. [1]

- Their oldest girl was Mary, my mother, born 1842. She was married in 1862 to Nelson Mills, who came from Canada in 1844, and had been a ship-carpenter in Marine City until he joined Miron Williams in lumbering on the Turnpike about 1850. [544]

- Mrs. Nelson Mills died at her home in Marysville on Saturday night, aged 45 years. Mrs. Mills was born in the township in which she died, and was a daughter of the late Myron Mills [sic], and a sister of Mrs. Henry McMorran and Mrs. Guy Kimball, of this city. She had been in poor health for sometime past, and her disease baffled the physicians. A postmortem examination revealed the fact that her blood had turned to water. The deceased left a husband and seven children, John, Myron, Margaret, Hannah, Emeline, Hattie and David. The funeral will be held from the family residence on Tuesday at 12 o'clock. [8419]

General: • MARYSVILLE - One name is as good as another....or is it?

In 1843 Edward Vickery bought land and erected a sawmill at the point where Mud Creek flowed into the St. Clair River, at the foot of what today is Huron Boulevard. The name given this location was Vickery's Landing. As the surrounding settlement grew it eventually became known as Vicksburg.

Vickery sold his sawmill in 1852 to Lewis Brockway and Horace Bunce, who in turn sold it to Nathan Reeves, Myron Williams and Nelson Mills in 1854. In 1859 Nelson Mills ordered a piano for his daughter Mary. The delivery destination was given as Vicksburg, Michigan. Unknown to Nelson Mills, there was also another city in Michigan, a much older city, called Vicksburg, in the southern part of the state just southeast of present day Kalamazoo. The piano was mistakenly shipped to the other Vicksburg. The shipping agent told Mr. Mills that his piano had been shipped and had arrived in Vicksburg without a scratch. Mr. Mills, knowing that his daughter's piano had not arrived in the settlement, vehemently denied the piano arrived at its proper destination. Further checks made by the shipping agent discovered that there were in fact two settlements in Michigan called Vicksburg. The shipping agent was able to retrieve the piano and personally delivered it to Mr. Mills and his daughter Mary.

In 1859, at the insistence of Nelson Mills, the name of the settlement, located on the western bank of the St. Clair River, was officially changed to Marysville, in honor of both his wife and daughter. [2515]

Marriage Notes: • When Nelson Mills and Mary Williams married in 1863 they bought and lived in the house vacated by the Hubbard family. In 1868 the house burned. Myron Mills, then one and one-half years old, miraculously escaped being trapped in the fire. N. Mills then began building the brick home that stood sixty-five years as a landmark on the St.

• [excerpts] Lumbering reached gigantic proportions back in our early history, when Michigan was known as the lumber capital of the world. Ogemaw County contributed millions of feet of virgin timber during that era, which has acclaimed Michigan a giant in the annals of our history.

In the fall, when the first snow came, the Mills family's horses and oxen were shipped from Stag Island in the St. Clair River to Ogemaw County to work in the lumber camps.

Around 1870 the Mills family owned hundreds of acres of Ogemaw County. They started a lumbering project which was carried for twenty years. After the trees were cut and trimmed

into sizable logs, they were skidded into the Rifle River, during the spring freshets, and floated downstream. Upon reaching Lake Huron, they were rafted and pulled by tug boats to the St. Clair River, near Port Huron. Steam boats and tow barges transported them to Cleveland, Ohio, through Lake Erie. [3402]

- Mills Township, with the Rifle River flowing through its center, is surprisingly free of early lumber settlements. Although lumber camps surely existed along the township's waterways, supply and milling settlements flourished elsewhere.

Richland Township contained the settlements of Hardwood Lake and Mills, and is still the location of the village of Prescott. Mills was a train stop at the western county line. Prescott began as a camp called Camp Six. Its owner, Barney Mills, built a saw mill and shingle mill and owned much of the timber lands in Mills and Richland Townships. [3403, p 9]

Prescott's first saw mill was built by Barney Mills. He also built a shingle mill in Prescott. In 1889, the McLain brothers owned the mills that Mr. Mills had built. [3403, p 16]

John Fitzmaurice tells of a Saturday evening he spent in a southern Ogemaw Camp.

January 17th, 1883, I find by reference to my notebook, was an occasion in which I was made partaker in a camp "Saturday night" that I will long remember. It was in B. B.[sic] Mills' Rifle River camp, Mich., which like a singed cat, was much better than it looked. It was built upon the old-fashioned style, with what is known as a "caboose," in place of a stove. The "bunk camp" was cosy, and with but little room, one would imagine, in which to give a variety theatre exhibition. Still, in that same camp was congregated more diversified talent, than I have met at one time before or since in the woods. [3403, p 31]

- The Mills Transportation Company was formed February 4, 1878, with a capital stock of \$250,000, divided into 10,000 shares of \$25 each. Nelson Mills, of Marysville, held 2,812; Barney Mills, 938; August C. Gray, 1,250; Henry McMorran, Port Huron, 2,500; and Charles Neal, Bay City, 2,500 shares. [29, p 547]

- **Prominent Port Huron Man Dead.**

Port Huron, Mich., July 19 [1905] – Barnabas Mills, a brother of the late Nelson Mills and a partner of his in many of their business enterprises, died at this home at Marysville this morning, aged 77 years. Mr. Mills took sick while inspecting some of the lumber properties belonging to the estate in northern Michigan, and was brought home last week. [1128]

- Died intestate. [1135, p 51, #179]

- Barney Mills died intestate leaving a widow without children by him. The widow has one son and two grandchildren by a former marriage. There are thirteen families of Barney Mills kindred of which the heads of six are still living. Two near Chatham, Ontario, one in

Washington state, two in Ogemaw County, Michigan, and one in this village. Of all the other families there is one minor child about sixteen years of age living near Chatham, Ontario.

Barney Mills estate consists practically as follows:

Farm, store, village property and house at Prescott, Ogemaw County, Michigan.

Stock in several corporations.

1/4 interest in this co-partnership.

The inventory of this company will be furnished you as soon as it can be obtained and an appraisal made. But for the purposes of this letter will state that the assets are chiefly as follows:

Real estate in Ogemaw, Montmorency, Sanilac and Saint Clair Counties, and in Cleveland and Toledo, Ohio.

Lumber yard and Planning [sic] Mill at Saint Clair.

Stock of lumber and store at this place.

Stag Island.

Interest in mill and land in West Virginia.

Interest in Electric Railway at Lansing.

Accounts and notes receivable. [1139]

- In a separate email I am going to send you a photo of the first store in Prescott, which was built by Barney Mills as a general department store. The two-story brick building was built sometime before 1900 on Sherman Street. Mills closed the store and the building was purchased by the I.O.O.F. and Geneve Rebecca Lodges. The groups held their meetings upstairs and used the first floor for large gatherings, such as banquets, dances, and large community meetings. For quite a number of years (about 15) the first floor was also used by the school where temporary classrooms were established. After 1965, when the I.O.O.F. charter expired and was not renewed, the building was sold to Bud and Bernadine Haskin and used as a recreational facility.

Do you have the book called PRESCOTT COMMUNITY IN PIONEER HISTORY by Ervadeen Hosbach? [6119]

- Barney Mills was another pioneer lumberman. He owned hundreds of acres of wooded land north of town. After the land was cleared it was sold to men who became farmers. Mills also had one of the first general stores before 1900 in the two-story brick building on Sherman Street, which now houses Bud and Bernadine Haskin's Rec. Hall. [6146, pp. 3 & 4]

- The town had several mills as well as in the rural area. Barney Mills had a grist mill and Bob Cliff, Sr. had a shingle mill. Both were destroyed by fire. [6146, p 9]

- Harold Currie lives on the farm of his grandfather, Gilbert Currie, Sr., two miles north of Sage Lake Road. It had been purchased from Barney Mills. [6146, p 28]

- Yesterday I spent some time at the Oscoda library in the genealogical room. (I love it there!) Anyhow, I found some little things about Barney Mills in the newspapers. I figured this was easier to just type the info out rather than scan the copies, as some are such poor quality.

TAWAS HERALD June 5, 1891: Barney Mills long timber camp is in operation at West Tawas, again with Joseph Lalone, the old standby foreman. Part of the old crew is on deck, with Tink at the helm.

TAWAS HERALD May 20, 1892: (two entries)

Louis Grant, representing E. Morse, the lumber King of the east, of Tonawanda, was in town this week visiting Jos. Lalone, Barney Mills' foreman. Mr. Morse has purchased a quantity of timber from Mr. Mills.

Jas. Lalone, foreman for Barney Mills, informs us that he has started rafting at the mouth of Tawas River, and will add another force of men in a few days. Quite a number of the old boys are at their old posts of duty.

TAWAS HERALD July 28, 1893: (part of the Prescott social column)

A train of Barney Mills long timber goes out every day from Bush Lake to Tawas Bay.

J. B. Mills, better known as "Cheap John," handles hardware and everything very extensively. He keeps in stock hardware from a needle to a threshing machine. J. B. is quite a hustler.

TAWAS HERALD December 15, 1893: (part of the Prescott social column)

The Keystone flouring mill here is now owned by Messrs Barney Mills and C. E. Cannan. The third partner pulling out of the business.

TAWAS HERALD March 29, 1895: C. E. Cannon has served his connection with the Keystone Milling Co. Having sold his interests in the firm to Barney Mills.

TAWAS HERALD June 27, 1902: (part of the Whittemore social column)

Barney Mills visits our village quite often of late. He has a fine span of drivers of which he is justly proud, and then he is found of good company. [6147]

- Came to Michigan in 1854, according to 1894 Michigan Census. [1151]
- Reuben Mills, a brother of the late Nelson and Barney Mills, holds a prominent place in the history of Marysville, both because of his sturdy and upright citizenship and his substantial connection with the lumbering interests of this part of the state. He was born in Wardsville, the Dominion of Canada, on April 11, 1839, the son of Barney and Margarette Ann (Hamilton) Mills.

As a boy Reuben Mills attended the school in Wardsville, Canada, during the short winter season, and at the Mills school in Marysville after he had come to this place at the age of nineteen [1858]. From the age of nine until he was thirteen Reuben lived at home, and then went to work by the month on a neighboring farm. After six years he came to Michigan, and here for one year was engaged in farm work for his brother. He then started in the lumber business, and in a single summer at running a shingle and lathe mill, and receiving pay by the thousand, he made the sum of four hundred dollars, a very remarkable amount for a boy of those days. Soon after this venture he found his way to the lumber woods, and there worked for some time, driving logs by way of Elk creek and Black river. Following that he worked in the Reeves, Williams and Mills saw mill, soon becoming foreman and an overseer of logging camps, a calling which he followed for thirty-five years. He invested in four hundred acres of farm land in Sanilac county, Michigan, and it has been so well improved under Mr. Mills' management that it is now practically all under cultivation.

At the age of twenty-one Mr. Mills was united in marriage to Miss Corinthia Wright, of Marysville, Michigan. She died, leaving four children, Etta, Prudence Edith, Arlington, and Herbert R. Etta became the wife of John A. Rowe, a Methodist Episcopal minister, now the

pastor of a church at Napoleon, Michigan. Mr. and Mrs. Rowe have five children. Prudence Mills married Frank Geel, a farmer, and is now the mother of one child. Arlington Mills passed away in his twenty-first year, and his brother Herbert died at the age of seventeen.

Politically Mr. Mills is a thorough going Republican, and had the honor to start his allegiance to that party by casting his first vote for Abraham Lincoln as president. He was a member of the school board of his district for forty years without a single break until his resignation on last July. Since his seventeenth year he has been a member of the Methodist Episcopal church, the greater part of the time being also an office holder in the church.

In 1898 Mr. Mills was again married, his bride being Mrs. Addie M. Davis, of Marysville. It is interesting to record that in the days when Mr. Mills was a sturdy driver of logs for his brother he once, during a summer in the early sixties, cleared five thousand dollars in a single season. [50, p 780]

- Received 1/26th of the 1/4 share of the assets of said co-partnership belonging to the Barney Mills estate. [1155, p 4]

- **REUBEN MILLS: AGED PIONEER PASSES AWAY**

Was One of the First in Developing Lumber Tracts in This Part of State

Marysville, Jan. 24 – Reuben Mills, pioneer resident of Marysville and one of the first developers of the lumber industry in this part of the state, died Sunday night at 12 o'clock at his Marysville home, after a lingering illness of one year's duration. Heart trouble was the direct cause of death.

Mr. Mills, who had reached the age of 82 years had been in failing health for some time, and his death last night was not unexpected.

The death of Mr. Mills removes one of the last of the few surviving pioneers whose lives were given over to the development of this section of Michigan, and whose early life were filled with hardships of the lumber camps and log running which featured the early history of St. Clair county and vicinity. - [excerpts] Previous to coming to Michigan he lived in Ohio (Cleveland we believe) where he had attained great prominence at the bar, being regarded as one of the ablest criminal lawyers in that state. He came to Michigan in about 1839, and bought a large tract of land in Macomb County, at the mouth of the Clinton River, where he went into business. He erected saw mills, and laid out a city known as Belvedere. The investment was not a successful one and Mr. Conger sank a large fortune in the enterprise.

He was an ardent Whig, and in 1850 was elected to Congress from the Third District, which then composed the counties of Macomb, St. Clair,...etc.

He leaves a widow, (a sister of Mr. Nelson Mills of Marysville) and a son and daughter by a former wife. [702]

- CONGER, James Lockwood, a representative from Michigan; born in Trenton, N.J., February 18, 1805; moved to New York in 1809 with his parents, who settled in Canandaigua, Ontario County; attended the district schools and Canandaigua Academy; studied medicine; moved to Lancaster, Ohio, in 1822; taught school for several years; studied law; was admitted to the bar in 1825 and commenced practice in Lancaster, Ohio; moved to Cleveland, Ohio, and continued the practice of law from 1826 to 1837, when he moved to Macomb County, Mich., and laid out the town of Belvedere; engaged in banking and mercantile pursuits until 1850; moved to Mount Clemens, Mich.; elected as a Whig to the Thirty-second Congress (March 4, 1851-March 3, 1853); declined to be a candidate for renomination in 1852; resumed his former business pursuits; owing to ill health retired from active business pursuits; died in St. Clair, St. Clair County, Mich., April 10, 1876; interment in Green Lawn Cemetery, Columbus, Ohio. [2343]

- Very little has been preserved of the Cleveland life of James Lockwood Conger, a lawyer residing in the city between 1826 and 1840, save through a package of old letters written by Mrs. Conger to her only sister, Mrs. Erwina Miner of Centerville, Fairfield Co., Ohio. James L. Conger, b. in Trenton, N. J., was the son of David and Hannah Lockwood Conger, who

later lived in Phelps, N. Y. He received his general education in that locality and studied law with Judge Ewing of Ohio. [4169, p 16]

- Some time after the panic of 1837, that was the cause of scattering many of the numerous Cleveland lawyers and doctors to all points of the compass, James L. Conger removed to Belvedere, Mich., where in 1847, after four years of battling with tuberculosis, Mrs. Conger died, aged forty-one. Mr. Conger married again, but there is no record furnished of this union. He became a prominent man of that community and at one time represented it in the lower house of Congress in Washington. - [excerpts] James L. Mills, a lumber manufacturer in Thorp, Washington, has been engaged in the milling business since a boy.

Mr. Mills was educated in Canada and Michigan and is graduated from a commercial school in Detroit. When a boy he started to work in the lumber mills, and in 1868 he took charge of a lumber yard in Toledo, Ohio, for his brother. In 1874 the business was moved to Cleveland, and he continued in charge until 1878, when he went to Colorado for his health. In 1879 he came to Thorp, bought out a homestead and pre-empted the land, and that fall started work on a water ditch for his mill. He commenced to operate the mill in 1880. He bought the J. E. Bates farm in 1884, and later secured one hundred and sixty acres of railroad land, all of which he has under cultivation.

The husband and wife are Good Templars and members of the Methodist church. Mr. Mills is a leader in the church work, is one of the trustees, and has been superintendent of the Sunday school for a number of years. He is an honest, upright and industrious man. His property holdings include three hundred and twenty acres of land, besides the sawmill and site. [4433, p 1]

- The James Mills sawmill in Thorp was one of the first sawmills in the valley. The machinery for the mill was freighted into Kittitas over the Squaw Creek Trail from The Dalles. Many of the early homes were built from lumber cut at this mill. Mr. Mills built a small ditch from the Yakima to the mill pond and to operate the light plant. In 1879 mail and messages were left by this headgate for there was no station in Thorp. Many old letters and records are kept that tell the story of the mill. A water right was sold to Horace Hutchinson so he would have water for his flour mill. A marker is at the head of the mill ditch. On the marker is the date 1879. [4434]

- One mill of which we do have some knowledge was also one of the most picturesque old mills in Kittitas. The James E. Mills sawmill in Thorp. Built in 1879, it seems to have supplied lumber to most of the farmers and builders in the country. There are many old letters, papers and records that give reliable historical data.

A letter written by Mr. Nelson Mills [James' son] reads thus:

"James L. Mills walked most of the way in to Kittitas over the old trail from Puget Sound in 1878. In 1879 and 1880, he dug the mill race and built the sawmill. The water wheel and machinery were brought up from the Dalles by teams and wagons. Later, he sold a part interest in the water to Horace Hutchinson who built the North Star Flouring Mill. In 1902, the sawmill was under the name of J. L. Mills and Son. In 1906, we put in an electric light

plant.

“During the next 30 years, the old water wheel turned logs into lumber by day in the mill, and drove the dynamo by night that turned darkness to light for the town of Thorp. The old sawmill and light plant are on Mills’ land and still in the Mills family.” [4435, pp 109-110]

- Lumber from that mill has always been considered the best in Kittitas; the matched flooring, ceiling, siding was perfect. Many pioneer builders said it was the best he had ever used. “So-called matched boards couldn’t be driven together with a sledge hammer.”

“Lumber from Mills fits; it goes together with a tap of a hammer.”

Commenting on this reputation, Mr. Nelson Mills said, “No wonder, I have seen him [Mr. James Mills], file and fit the bits of matched boards; if not perfect, he would try again for half an hour. When he had everything right, you knew the matched lumber would be perfect.” [4435, p 111]

- Received 1/26th of the 1/4 share of the assets of said co-partnership belonging to the Barney Mills estate. [1155, p 4]

- James L. Mills, a pioneer resident of Thorp for the past 48 years, died Tuesday evening at this home in that city. The deceased was 80 years of age and has conducted a mill there with his son, Nelson, for some time.

As a resident of Thorp for the greater part of his life, Mr. Mills had made a vast number of friends who mourn his passing. Besides his son Nelson he also leaves a daughter, Mrs. Ada Beal, residing at College Place near Walla Walla. His wife died some two years ago. The body was taken to the Honeycutt parlors to remain until funeral arrangements were made.

The passing of Mr. Mills thins still further the list of Kittitas valley pioneers. [4440]

- From my records, the “L” in James L. Mills is LUMNEY. [4446, p 52] I do not know if Lumney was a family name.

[reply]: Likely is was “Lumley.” James L. Mills’ aunt was Eleanor Hamilton Nelson (his mother’s sister) who married James Lumley. [4402]

- The daughter Diana does not appear here [1861 Mosa census].
