- MIRON WILLIAMS

1813-1884

Born in Bennington, Vermont. Died in Marysville, Michigan.

When he was three years old, his parents moved to Deerfield, Ohio. When he was 17 years old, he started working as a carpenter in Canton, Massillon, and Cleveland. In 1832, he moved to St. Clair county, Michigan, and began his career as a millwright, at which trade he built more sawmills than any other millwright in the state.

As time went on his occupation changed to producing lumber from the pine forests of the state. During the latter part of his lumber operations, he and Nelson Mills were partners in an operation at Marysville. He disposed of his lumber interests in 1875 and retired to his farm on the bank of the St. Clair River immediately south of Marysville. [1]

- Came to Newport in 1832 and joined with Sam Ward and William Gallagher operating saw-mill and grist mill at Belle River Mills, then known as Ward & Gallagher Mills.

Married Mary Gallagher, 1838.

Settled in Vicksburg, 1854. [542, p 2]

- Two brothers, J. L. and J. W. Kelsey, built a mill in 1844 in the forest three miles west of Vicksburg on the Fort Gratiot Turnpike. Their lumber was hauled by teams to their dock up the St. Clair river which was known as Kelsey's dock or wharf.

Miron Williams and Nelson Mills organized a partnership March 21, 1850 and bought the mill and adjoining land of Kelseys. They operated the mill under the name of Williams and Mills, later to become a well known institution along the river and at Vicksburg, to which point the Kelsey mill was moved in 1858, after the timber available to the turnpike mill was exhausted.

Miron Williams had been a mill operator for Ward & Gallagher at Belle River Mills. Nelson Mills had been since 1844 a ship carpenter in Ward's Marine City Shipyard. Williams married the oldest Gallagher girl, Mary, in 1838 and they came in 1854 with their family of two boys and seven girls to Vicksburg, this being quite a substantial increase in the population of that time. The Williams farm home became the scene of much entertainment during the 30 years following. A school was maintained by Williams for his own children and those of the neighborhood, being the first school house in Vicksburg. [1129]

- MIRON WILLIAMS, capitalist, Marysville, is a native of Bennington County, Vt., and was born in the town of Bennington June 6th, 1813. When only three years of age his parents came to Ohio and located on the Western Reserve. He lived there until seventeen years of age, then worked at carpenter trade at Canton, and Massillon and also at Cleveland. While at the latter place he hired out to a millwright, named Wells, for three years. In June, 1832, he came to St. Clair County on the old steamboat Gratiot and landed at Uncle Billy Brown's place on the river. He began working at his trade. The same year helped build the old Black River steam mill. Built several mills in Canada and many in this State. He built more mills while in the business than any other millwright in the State. He bought out and ran a saw mill, grist mill and carding mill at Detroit and was there two years, then returned to Newport. He was there but a short time when he engaged more extensively in the lumber business; bought a large amount of pine land; bought one mill and built another at Marysville and an interest in another at Algonac; had lumber yards in Huron, Fremont, Toledo, and Chatham, in Canada, and also shipped to Chicago and transacted a large and extensive trade, owning from eight to ten thousand acres of pine land, and during his business life lost a large fortune by fires and by the failures of others. He continued in the lumber business until 1875. Disposed of his pine and lumber business and retired to his farm on the river where he now lives. He is one of the oldest settlers in the County, and his success in life is owing to his own efforts. Mr. Williams married Miss Mary Gallagher, of Belle River, this County, in February, 1838. They had ten children — William (died when two years of age), John G. (was killed in the lumber woods January, 1870, he was thirty years of age), Mary (now Mrs. N. Mills), Hannah (now Mrs. C. Neal), Emma (now Mrs. H.

McMorran), Prudence (now Mrs. C. Dale), Florence (now Mrs. G. Kimball), David (married and living in Port Huron), Adaline (at home), and Emeline (now Mrs. A. J. Beardsley). [29, p 685]

- In 1859, Myron Williams was successful in changing the name of the community from Vicksburg to Marysville (in honor of his wife and daughter whose names were Mary). [5165]

- Justice of the Peace, 1879. [29, p 487]

- Myron Williams, father of Emma Caroline (Williams) McMorran, was b. in Vt. He moved to Ohio when a young man, and later to Mich., where he engaged in lumbering in the Thumb Dist. He was a millwright contractor and built sawmills throughout the state, including one at Marysville, Mich. His wife, Mary (Gallagher) Williams, was b. in Pa. (?). [1059, p 1]

- Myron Williams, of Marysville, died at the residence of his daughter, Mrs. Capt. Neal, in Ann Arbor, last Friday. He went to that city about two weeks ago to secure medical treatment, but his condition was hopeless, and suddenly terminated in death.

He was born in Bennington, Vt., on June 6th, 1813, and was 71 years old when he died. He came to St. Clair county in 1832, and settled in St. Clair township. He was a millwright, and built a very large number of mills in this state and Canada. He also engaged in the lumber business, and carried on extensive trade.

He was married to Miss Mary Gallagher, of Belle River, in February, 1838, and she died one year ago. Ten children were born to them — William (died at two years of age); John G. (killed in the lumber woods in 1870), Mary (Mrs. N. Mills of Marysville); Hannah (now Mrs. Neal of Ann Arbor); Emma (now Mrs. H. McMorran of Port Huron); Prudence (Mrs. C. Dale), Adeline (with her father), Emeline (now Mrs A. J. Beardsley of Charlevoix); Florence (now Mrs. Guy Kimball of Port Huron); and Mr. David Williams, of Port Huron.

The funeral was held on Sunday morning and the body was interred in the cemetery at Belle River, near St. Clair city, where his wife was buried. [1433]

- Born in Algonac, Mich. The first born daughter in a family of ten children. Died in Marysville, Mich. [1]

- Their oldest girl was Mary, my mother, born 1842. She was married in 1862 to Nelson Mills, who came from Canada in 1844, and had been a ship-carpenter in Marine City until he joined Miron Williams in lumbering on the Turnpike about 1850. [544]

- Mrs. Nelson Mills died at her home in Marysville on Saturday night, aged 45 years. Mrs. Mills was born in the township in which she died, and was a daughter of the late Myron Mills [sic], and a sister of Mrs. Henry McMorran and Mrs. Guy Kimball, of this city. She had been in poor health for sometime past, and her disease baffled the physicians. A postmortem examination revealed the fact that her blood had turned to water. The deceased left a husband and seven children, John, Myron, Margaret, Hannah, Emeline, Hattie and David. The funeral will be held from the family residence on Tuesday at 12 o'clock. [8419]

General: • MARYSVILLE - One name is as good as another.....or is it?

In 1843 Edward Vickery bought land and erected a sawmill at the point where Mud Creek flowed into the St. Clair River, at the foot of what today is Huron Boulevard. The name given this location was Vickery's Landing. As the surrounding settlement grew it eventually became known as Vicksburg.

Vickery sold his sawmill in 1852 to Lewis Brockway and Horace Bunce, who in turn sold it to Nathan Reeves, Myron Williams and Nelson Mills in 1854. In 1859 Nelson Mills ordered a piano for his daughter Mary. The delivery destination was given as Vicksburg, Michigan. Unknown to Nelson Mills, there was also another city in Michigan, a much older city, called Vicksburg, in the southern part of the state just southeast of present day Kalamazoo. The piano was mistakenly shipped to the other Vicksburg. The shipping agent

told Mr. Mills that his piano had been shipped and had arrived in Vicksburg without a scratch. Mr. Mills, knowing that his daughter's piano had not arrived in the settlement, vehemently denied the piano arrived at its proper destination. Further checks made by the shipping agent discovered that there were in fact two settlements in Michigan called Vicksburg. The shipping agent was able to retrieve the piano and personally delivered it to Mr. Mills and his daughter Mary.

In 1859, at the insistence of Nelson Mills, the name of the settlement, located on the western bank of the St. Clair River, was officially changed to Marysville, in honor of both his wife and daughter. [2515]

- Born in Halifax, Nova Scotia, the first born in a family of 14 children. In 1844 he left his father's farm near Wardsville [Ontario] and migrated to Newport, now Marine City, Mich. where he went to work as a ship carpenter in the same ship yard where in later years he had several ships built and repaired. About 1850 he moved 14 miles north to Vicksburg, the name being changed to Marysville, to honor his wife, to go into the lumber business. He resided in Marysville until his death. [1]

- March 1845: School in Mosa; from penmanship book: "went to school on 12th of March, 1845, Aldborough." [1118]

- 10 Oct 1845: Living in Mosa Township.

- ...who came from Canada in 1844, and had been a ship-carpenter in Marine City until he joined Miron Williams in lumbering on the Turnpike about 1850. [544]

- Married 1863. All children born in Marysville, Michigan. [1]

- "Nelson Mills settled in Mosa with his father in 1826....."

The 1826 date of settlement in Mosa given in this source corresponds to that indicated in the query in Mills Ancestry [issue #10 26 Sept. 1988], which gives it as c. 1826. The wording "settled...with his father" seems a bit incongruous, since Nelson would have been only 3 years old in 1826. The fact that the author, writing about 60 years after Nelson moved from Mosa to Michigan, chose to describe the settlement in terms of Nelson rather than Barnabas, suggests that he may have had some kind of contact with Nelson over the years. (The author, Hugh McColl, who was b. 1837 in Ekfrid Twp., published the Strathroy Age from 1868 to 1876, and was postmaster at Strathroy from 1875 until his death in 1910.)

- At Marysville, or Vicksburg, as it was then generally called, E. P. Vickery, the first syllable of whose name had been used in giving the name to the settlement, had built a steam saw mill about 1843 which he later enlarged until it had a capacity of one million feet. A short

distance below, Williams and Mills built, in 1855, a steam mill of two million feet capacity, and this together with the Vickery mill, were acquired by Williams and Mills, and later by Nelson and Barney Mills, who also purchased in 1878 the mill above their upper mill, which had been built in 1871 by William Sanborn and brother (James). This mill was a fine modern mill with a capacity of seven million feet, and was erected to saw timber brought from north of Saginaw bay. [29, p 372]

- In 1845, William Sanborn and his brother, John P. Sanborn, came to the Port Huron area to work with their uncle James W. Sanborn. In Michigan, William Sanborn learned the art of timber scouting and surveying work under his uncle in the public land office. After the Civil War, William operated a sawmill on the St. Clair River in Marysville, Michigan, where he sawed the pine timber he cut from his properties in Iosco, Alcona and Oscoda Counties. He sold the property to Nelson and Barney Mills in 1871. This mill was located on the old Morton Salt property north of Bunce Road in Marysville. [8325, p 67]

- Two brothers, J. L. and J. W. Kelsey, built a mill in 1844 in the forest three miles west of Vicksburg on the Fort Gratiot Turnpike. Their lumber was hauled by teams to their dock up the St. Clair river which was known as Kelsey's dock or wharf.

Miron Williams and Nelson Mills organized a partnership March 21, 1850 and bought the mill and adjoining land of Kelseys. They operated the mill under the name of Williams and Mills, later to become a well known institution along the river and at Vicksburg, to which point the Kelsey mill was moved in 1858, after the timber available to the turnpike mill was exhausted.

Miron Williams had been a mill operator for Ward & Gallagher at Belle River Mills. Nelson Mills had been since 1844 a ship-carpenter in Ward's Marine City Shipyard. Williams married the oldest Gallagher girl, Mary, in 1838 and they came in 1854 with their family of two boys and seven girls to Vicksburg, this being quite a substantial increase in the population of that time. The Williams farm home became the scene of much entertainment during the 30 years following. A school was maintained by Williams for his own children and those of the neighborhood, being the first school house in Vicksburg. [1129, p 2]

- [excerpts] Williams & Mills bought the turnpike saw-mill Mar. 21, 1850 from Joel w. & Jos. L. Kelsey, who had bought in 1844 from P. Laturno and Jos Beaushaw. Other land was included in the deed from Kelseys. Price was \$3500, with mortgage back for \$2500. See Vol U- pages 703-704.

Miron Williams and Nelson Mills formed a co-partnership dated May 29, 1850, and

operated this mill, store, boarding house on the turnpike. The location was in NW 1/4 Sec. 1, St. Clair township.

Some date between 1850 and 1854, Nathan Reeve of Detroit (or Newburgh, N. y.) was taken into partnership, becoming the firm named Reeve, Williams & Mills.

Mar. 25, 1862. Nelson Mills and Barney Mills partnership agreement.

- Before the end of pastor Tuttle's first successful year here, the Methodists were planning for a building. They had organized a Board of five Trustees--Peter Brakeman, Nelson Mills, Ainsley Griffith, William Smith, and David Carlisle. These trustees purchased a strip of land 4 rods wide and 39 rods deep from Obadiah Gardner for the sum of \$100. [1141, p 5]

- The Methodist Episcopal Church of Vicksburg was organized November 9, 1859, with Peter F. Brakman, Nelson Mills, Ainsley M. Griffith, D. Carlisle and William Smith Trustees, and William Tuttle, pastor. [29, p 425]

- At the foot of River Road and what is now Huron Ave. stood the general store operated by Nelson and Barney Mills. They carried everything a lumberjack needed to get along in life. All kinds of merchandise and groceries. The men were paid \$1.50 per day and felt an obligation to trade with Mr. Mills. They were paid on Saturday at the office in rear of store on way home from work. Later in day on payday most of them went back to store and purchased their needs for next week which resulted in Mr. Mills getting the money back that he had paid the men earlier in the day. [1156, p 1]

The Mills family had a complete lumber empire -- a lumber camp but can't recall where it was located but my Father called it the Nelson Mills camp in his songs. They owned a fleet of boats, four sawmills and several farms and the store also leased and operated Stag Island, and inaugurated a ferry service between Marysville and the island. [1156, p 2]

Also would like to add that Nelson Mills was in his office a lot but he could put on boots and grab a pole and ride the logs in the river as good as any of the men. [1156, p 3]

- In the fall, when the first snow came, the Mills family's horses and oxen were shipped from Stag Island in the St. Clair River to Ogemaw County to work in the lumber camps.

Around 1870 the Mills family owned hundreds of acres of Ogemaw County. They started a lumbering project which was carried for twenty years. After the trees were cut and trimmed into sizable logs, they were skidded into the Rifle River, during the spring freshets, and floated downstream. Upon reaching Lake Huron, they were rafted and pulled by tug boats to the St. Clair River, near Port Huron. Steam boats and tow barges

transported them to Cleveland, Ohio, through Lake Erie. [3402]

- Timber to the amount of \$150 has been purchased here for the M. E. church of Port Huron. Seventy-five dollars of this is Mr. Nelson Mills' donation. [8418]
- The Mills Transportation Company was formed February 4, 1878, with a capital stock of \$250,000, divided into 10,000 shares of \$25 each. Nelson Mills, of Marysville, held 2,812; Barney Mills, 938; August C. Gray, 1,250; Henry McMorran, Port Huron, 2,500; and Charles Neal, Bay City, 2,500 shares. [29, p 547]
- Nelson Mills, Marysville, of the firm of N & B Mills, Section 32, manufacturers of pine and other lumber, is a native of Nova Scotia, and was born January 15, 1823. When three years of age his parents moved to Upper Canada in the township of Mosa; there he lived until manhood. Then he came to Michigan and located in the County at Newport (now Marine City) and became a citizen. He worked at ship-building. Then he and Myron Williams bought a tract of timber and sawmill on the Fort Gratiot turnpike in 1850, and engaged in lumbering. Their mill burned the next winter, and they rebuilt the mill and had it running in six weeks. They ran the business there twelve years. In 1853, they formed a partnership with N. Reeves, of Detroit, and bought a tract of pine land in Sanilac County, and the Brooks and St. Clair mill at Algonac. N. Mills took charge of the Williams and Mills' property, and M. Williams that of the Reeves, Williams and Mills'. In 1854, they bought the Vickery mill at Vicksburg and transferred their business to that place and built another mill. Soon after this the Vickery mill burned. The business was carried on in this way for three years, when Reeves failed; Williams and Mills took his interest and paid the debts. They carried on the business until 1862. Then N. Mills bought the Williams' interest, and took B. Mills in as partner and moved the mill from the turnpike to where the Vickery mill had been burned. They bought a tract of pine in Ogemaw County. They run the logs down the Rifle River, where they raft them and bring them to Vicksburg (now Marysville), where they operate two mills and a shingle and planing mill. They cut from eight to ten million feet of lumber yearly, and have the largest retail trade on the river. Mr. Mills is the largest stockholder in the Mills Transportation Company, which consists of the large steam barge Nelson Mills and four tow barges. They have also two other steam barges which are employed in freighting lumber to Cleveland, where [there is] the lumber yard for the sale

of their lumber. They also carry on mercantile business. The interests of this firm comprise the business interests of Marysville. Mr. Mills has been actively identified with the interests of the town and county, and has held the office of Supervisor of the town of St. Clair, Justice of the Peace and School Inspector; and has held the office of Postmaster most of the time since he came here. He owns a large farm about two miles from Marysville. In 1863, Mr. Mills was united in marriage to Miss Mary Williams, a native of this county, and daughter of Myron Williams. Mr. and Mrs. Mills have six children, three sons and three daughters - John, Myron, Maggie, Hannah, Emeline and David. [29, p 586]

- For many years the lumber and shipbuilding enterprises of Nelson and Barney Mills comprised the only industry in the village [Marysville, MI]. [5165]

- My [Myron Mills] father, N. Mills, was one of the leaders of industry in this section from 1876 to 1904, taking an active part in most of the enterprises that developed St. Clair County, and was specially interested in lake freight transportation. After his death in 1904, I became one of the executors of his estate, and had charge of it until disposed of in 1912. [1136]

- NELSON MILLS PASSES BEYOND

and Large Vessel Owner

-- Reported Very Wealthy

Nelson Mills, one of the oldest and best known residents of St. Clair county, died at his home in Marysville on Wednesday afternoon. He was taken sick on Sept. 9 last and has been confined to his room since Christmas day. Different specialists have been called and all have agreed that the stomach trouble was of such a serious nature that he could not recover and that the end would be only a matter of a few months. Notwithstanding his illness he has looked after many of the details of his business up to within a few days, and remained conscious up to the time of his death. Mr. Mills was considered the wealthiest man in St. Clair county, his property holdings being estimated at over \$1,000,000.

Nelson Mills was born January 15, 1823, in Nova Scotia, of English parentage. When three years of age his family moved to Wardsville, near Chatham, Ont., where his early boyhood was passed on a farm until he was twenty-one years old, except one winter which was spent getting out ship timber for the Quebec trade. In 1844 he came to Marine City, then known as Newport, and engaged in shipbuilding, at which occupation he had

the name of doing more work in one day and doing it better than any other three men in the county. It was there that he first became known for that strength, endurance, and passion for labor that has marked his whole life, and this great capacity for work soon gained him more than local fame. He detested shams and believed that work was the mother of success, and that luck was only a very distant relative.

Between 1844 and 1850 he made frequent trips into the pine forests of Michigan as a land looker for various people, and in 1850 engaged in lumbering on his own account in partnership with Myron Williams and Nathan Reeves, doing what was then a large business in lumber and rafting of logs on Black river, their capacity being 10,000,000 feet of lumber annually. In a few years Reeves went out of the business and Williams & Mills erected their first saw mill on the Fort Gratiot turnpike, three miles from the St. Clair River, for which their supply of logs was obtained from a 3,000 acre tract of thickly timbered land surrounding that point, the logs being brought to the mill on a wooden railroad.

In 1862 Mr. Mills purchased his partner's interest in the business, and with his brother, Barney, formed the partnership of N. & B. Mills, which has until the present time continued with-out interruption, with headquarters at Marysville. This firm later purchased 15,000 acres of pine land in Ogemaw and Arenac counties, which became their resource for a large timber supply for fifty years.

In 1862 Mr. Mills, in connection with L. M. Skidmore, opened a wholesale lumber yard at Toledo, Ohio, which continued for six years.

Nelson Mills has been interested in vessels all his life, and has owned and operated a large fleet of boats in the lumber, grain, and ore trades, and has always been closely connected with the development of shipbuilding, from the small vessels of the '60's to the present day. In 1863 his first venture was the building of the schooner Antelope, and placing her in the Chicago trade, where she not only cleared her first cost during the first season, but was sold at the end of the first year for more than her entire cost. This phenomenal success induced him to dip deeper into this branch of business, and for many years the Mills Transportation Co., the Pawnee Boat Co., and other lines have been important factors in the carrying trade of the Great Lakes. This firm in 1864 established a wholesale and retail lumber yard at Cleveland, Ohio, under the name of Mills, Jewett & Co., which some years later was changed to N. Mills & Co., and then to the Mills, Carleton Co. In 1897 the present corporation was formed by the consolidation of the Mills, Gray, Carleton Co., became one of the largest wholesale lumber companies doing business on Lake Erie, handling over 100,000,000 feet annually.

In 1889 Mr. Mills, together with his son, John, in connection with Isaac Bearinger of Saginaw, and Hiram W. Sibley, of Rochester, N. Y., purchased 10,000 acre tract of land in

West Virginia, timbered with black walnut and yellow poplar, and commenced manufacturing this valuable timber on an extensive scale.

In 1900 John E. Mills, eldest son of Nelson Mills, secured the right of way and began the construction of an electric suburban road between Lansing, St. Johns, and St. Louis. Upon his death in August, 1903, the work was taken up and carried on by his father. During the summer of 1903, Mr. Mills with his son, Myron, his son-in-law J. R. Elliott, and Geo. G. Moore, of Port Huron, bought the Lansing street railway, which has been reconstructed, and both roads are being rapidly pushed to completion.

The many business interests in which Mr. Mills was personally concerned are:

President of the Mills, Gray, Carleton Lumber Co., Cleveland, Ohio

President of the Lansing street railway

President of the St. Louis & St. Johns Railway Co.

President of the Mills Transportation Co.

President of the Pawnee Boat Co.

President of the Mills, Elliott Manufacturing Co.

President of the Nelson Mills company

President of the Port Huron & Sarnia Ferry Co.

President of the Port Huron Navigation Co.

Director of the Panther Lumber Co., West Virginia

Director of the Port Huron Savings Bank

Director of the Port Huron Engine & Thresher Co.

Director of the Deepspring Mineral Bath Co.

Director of the Northern Life Assurance Co., of Canada

Mr. Mills was a large property holder in Port Huron, Detroit, Toledo, and Cleveland. He was the owner of Stag Island, a popular summer resort in St. Clair river, owned a planing mill and branch lumber yard in St. Clair, and large farms in St. Clair county. He was also an active stock-holder in numerous industries: Malleable Iron Works, Port Huron Saw Works, and the Anglo-American Fire Insurance Co., of Toronto.

Mr. Mills always took a marked interest in politics, his first vote having been for Fremont in 1850, and while a devout adherent to the principles of the Republican Party, and often solicited to accept office, his business interests compelled refusal, except in the early days of the county, when he was supervisor and justice of the peace.

In 1850 he became a member of the Methodist Episcopal church, and for more than fifty years held the office of steward of the church. No matter what the business cares of the week had been, he was never found absent from his pew twice on Sunday, and during the early part of his life took an active part in Sunday school work. In his business, religious

and every day life, he has shown the same strong characteristics. Determined in carrying out with success whatever he undertook, and always thoroughly just in his dealings with men in whatever station in life. He rarely discharged an employee, and during dull seasons in business his great anxiety was to be able to keep those depending on him employed.

Mr. Mills, was married in 1862 [sic] to Miss Mary Williams, daughter of his former partner, and the union was blessed by three sons and four daughters: John E., Myron W., Margaret M., Hanna E., Emeline W., David W., and Hally B. Mrs. Mills died in 1891. Her death was followed by that of Hally in 1900, and John in 1903. [3], [1825, p 5; reprint]

- NELSON MILLS PASSES AWAY.

Pioneer Lumberman and Capitalist of Michigan Dead

Port Huron Mich., March 17—Nelson Mills, a pioneer lumberman and capitalist, died at his home in Maryville [sic] during the day, aged eighty-one years.

Mr. Mills built up one of the finest summer resorts on the lakes at Stag island, in the St. Clair river, which he leased from the Canadian government for 100 years. He controlled lumber yards at Cleveland, Toledo, Maryville and in West Virginia.

Recently he promoted and completed the deal for the purchase of the Lansing street railway and the St. Louis-Johns interurban line in this state. [8016]

- LATE NELSON MILLS

An Interesting Story Told of His Early Life

How the Village of Marysville Received Its Name

A dispatch from Marine City says, of the late Nelson Mills:

An interesting story is told of Nelson Mills, St. Clair County's millionaire, who died a few days ago. It would be needless to state for the benefit of those who were personally acquainted that Mr. Mills when a young man was very plain in his appearance and address, but possessed of a good stock of courage and perseverance.

It was about 1848 that Mr. Mills arrived in what was then Newport, now Marine City, Capt. Sam Ward who was the founder of Newport, was then carrying on a shipyard and general store, the shipyard being known in later years as the Holland yard. Being in urgent need of more ship-carpenters, and happening to be on the dock as young Mills landed, and learning that he wished work, Capt. Ward went with him at once to the shipyard, where Jacob Wolverton was master builder, and Stephen Rose foreman. Capt. Ward suggested to his master builder that he thought he had found a man to work in the yard. Wolverton, giving a side glance over his shoulder at Mills and his tools (which were exposed in his open "coon box"), told him that if Ward had any barns to build he might

hire him, but that he himself had no use for him in his shipyard.

It happened that Ward was in need of having a barn built, and at the curt answer of Wolverton the captain turned to Mills and asked him if he would build it. The young man answered he was looking for work, and it mattered little where it was. He went to work at once on the barn (which for many years stood in the rear of the Ward residence). This has since been known as the Holland homestead. After completing the barn, Capt. Ward was so well pleased that a position was given Mills at once in the shipyard, where he remained as long as it was continued by Ward, and afterward for Solomon Gardner when the Steamer "Ocean" was built.

When he settled up with Ward, Mills had the larger portion of his wages coming to him, which furnished the nucleus for his going into the lumber business at Marysville in company with Myron Williams.

Mills afterwards married Mary, the daughter of his partner, and in her honor the village was named.

Mills' experience in the Newport shipyard was of great importance to him, as, outside of his vast lumber and real estate interests, he had been known as one of the largest ship owners on the lakes. The old shipyard where he once worked has been kept busy for many years building new boats and repairing old ones for him. [1127]

- MILLS' ESTATE

Will of Nelson Mills Was Filed Today

The Five Children All Get Share and Share-Alike

The will of the late Nelson Mills was filed in the probate court today. The estate is divided, share and share alike, among his five children, namely: Myron W. Mills, Margaret Hopkins, Hannah Mills, Emeline Elliott and David Mills.

The will was executed on the 17th of April, 1903, and occupies just twenty-three typewritten lines.

Myron W. Mills was made executor and was empowered to sell or convey any or all of the estate without the necessity of applying to the probate court. Subsequently Mr. Mills made his son, David W. Mills, a joint executor with Myron W. Mills and expressed his desire that the estate should be kept intact and that all partnership and business interests in which he was engaged at the time of his death should be carried on until such time as the best interests of the estate would permit them to be closed up, and for this purpose Myron W. and David W. were also made trustees of all of the estate, real and personal, and were directed to distribute the estate among the heirs from time to time as the best interests of

all seem to require. The trustees are given full power and authority to manage the business precisely as if it was their own. In the event of the death of either of the trustees, the other is given full power and authority under the will.

John E. Mills was alive at the time this will was made but, owing to the fact that his father incurred large liability for him which the estate had to pay, no provision was made for him in the will. The other children were asked to deal fairly and justly by this son.

The will was witnessed by Prudence Carroll and W. L. Jenks.

Myron L. Mills said it was impossible to estimate the value of the estate. In the petition filed by Attorney George G. Moore in the probate court this morning, the value of the estate was placed at \$1,000 and upwards, but it is understood the real value comes nearer a million or a million and a half. It includes the Mills Gray Carleton Lumber Co., of Cleveland, and business and book property in Cleveland and Canton, Ohio, including also large summer resort property in Cleveland, great lumber tracts in Northern Michigan and coal and lumber lands in the south. The Lansing and Suburban Traction Company, vessel property, bank stock, ten or twelve farms in St. Clair county, Stag Island, stock in the Engine and Thresher Co. and many other industrial enterprises. By the provisions of the will it is estimated that the children will have two hundred to three hundred thousand dollars each. [1128]

- When Nelson Mills passed from life into death St. Clair county suffered one of the greatest losses in her history. He was a real captain of industry, but his success was never due to any crooked methods but to a tremendous capacity for hard work and unusual business ability. (cont.) [50, p 681-4]

- There is much history, etc. about the Mills in this county, and I guess some other parts of Michigan. The Mills were prominent and rich at one time. [3275]

- Well the updates to the Pioneer site...are a delight to see. I just love that 'David W. Mills Ship' photo. Nelson Mills' Great Lakes shipping interests were as important as the timber reserves and the mills that processed that material into dimensional timbers and dimensional lumber. This ship? It was steam powered (1st generation Great Lakes shipping vessels were sailing ships that specialized in cargo, 2nd generation were sailing and steam assisted combos, then finally fully steam-powered barge style ships which is what the

David W. Mills was)...and carried 1,000,000 bf of lumber at a time. That's a large shipment today. But then? It was massive. It shows how serious the NORTHERN OHIO LUMBER wholesale operations of Nelson and David Mills were in Cleveland at that time. And the ship....named after his son David. Just wonderful. Right? It has to be terrific to you.....Great picture. [7496]

General: • **A Brief History of Marysville**

In 1817, Zephaniah W. Bunce sailed up the St. Clair River and settled at the mouth of Baby's Creek, serving as merchant, postmaster, lumberman, judge, and legislator for sixty five years. There was no habitation nearer that Fort Gratiot to the North and Palmer (St. Clair) to the south. The pine forest that stretched from Pine River to the Strait of Mackinac was barely touched by man. This was woodland.

Eventually saw mills sprouted up on streams in Marysville known today as Carleton Creek (the Golf course), at Bunce Creek (Detroit Edison Plant), and at Mud Creek (in Marysville Park).

Meldrum and Park erected a sawmill in 1792 at Carleton Creek and was later succeeded by Colonel Andrew Mack, a prominent Detroit man. The Colonel constructed a house there, which later became the home of George W. Carleton. A model of this house may still be seen on the lawn of Marysville Historical Museum in Marysville Park. The tombstone of Andrew Mack and his wife, Amelia, still remains standing on the north bank of Carleton Creek in the Riverview Golf Course.

Another mill located at Bunce Creek was owned by Judge Bunce and his sons, Mumford and Lefferts, which was built on the site on an earlier mill started by Antoin Morass about 1786. It was water powered and in operation from 1818 until 1870. Initially it was called Bunceville, serving as a port of call for passenger steamers running between Chicago and Detroit. It was the trading post for Indians and trappers, the post office for Fort Gratiot and Desmon, of which Judge Bunce was postmaster. The judge later became a member of the first Michigan Legislature.

In 1843, Edward P. Vickery purchased land from Cummings Sanborn and erected a sawmill at the point where Mud Creek flowed into the St. Clair River, near the foot of the present Huron Boulevard. He named his operation Vickery's Landing. As the settlement grew, it was renamed Vicksburg. Then in 1859 the name was changed to Marysville, after Nelson Mills' wife Mary. Vickery sold his mill in 1852 to Lewis Brockway and Horace E. Bunce, who in turn sold it in 1854 to Nathan Reeves, Myron Williams and Nelson Mills. Mills became the sole owner in 1862. Nelson Mills operated three specialized mills on the St. Clair River near the mouth of Mud Creek. These continued to function until about 1900. The Williams-Mills operation was the largest enterprise in Marysville up until the arrival of C. H. Wills.

Another establishment within the present boundaries of Marysville was Hubbard's Corners, where Isaac Hubbard built a tavern, blacksmith shop and a store on the corner of Bartlett Road (Huron Blvd.) and Gratiot Turnpike. Hubbard married Edward Vickery's daughter, Mary.

From 1853 to 1883, Vicksburg was also a shipbuilding town. Myron Williams built the schooners: Mary-88 tons; Mary Williams-88 tons. These small schooners were built to transport lumber from Vicksburg to Detroit and other Lake Erie ports. In 1862 Williams built the schooner Emeline-121 tons; and in 1864 the tug Tawas, named after an Indian of that name. The tug blew up in 1874 killing some of its crew.

In 1864, Williams also constructed the City of Tawas-572 tons and the scow D. G. Williams in 1874. N & B Mills rebuilt the Clifton in 1866, built the N. Mills in 1870, the Mary Mills in 1872 and the Steamer J. E. Mills in 1883.

Following the lumber era - from 1900 to 1919 - Marysville was a quiet little village

extending from the river west to what is now Michigan Avenue. There was no industry at that time, although there was a rapid transit system to Detroit and Port Huron via the electric interurban railway known as the D.U.R. (Detroit Urban Railway).

In 1919, C. Harold Wills, a millionaire motor car engineer from Detroit, changed the face of the village. Within two years, his "Dream City" had become a reality. New streets were laid out and new homes built. C. H. Wills and Company built a factory to produce the Wills Ste., Clair automobile, whose design and engine were far ahead of its time. Unfortunately, due to the high cost of production and a severe economic depression, the operation failed. The building Wills had constructed was later purchased by Chrysler Corporation and houses the Mopar operation there today.

Marysville was first incorporated as a village in the year 1919 and as a fifth class City in 1924 under the City Manager form of government. The population has grown steadily and is approximately 10,000 today. New businesses have sprung up in the area, attracted by our fine school system, efficient police and fire departments, and good municipal services. [2357]

Biography: • Myron W. Mills, splendid gentleman, descendant of a long-line of respected forebears and present official Historian of Marysville, furnishes the script for my broadcast of tonight. It is a pleasure to collaborate with Mr. Mills in bringing old-time history of Marysville to you at this time.

For 30 years following 1871 the whole activity of Marysville centered in the lumber mills and vessel business of Nelson and Barney Mills. The history of Marysville during that period must be the story of N & B Mills, --- the company which began in 1862 and continued to operate its saw-mills until the death of the partners in 1904 and 1905.

By a fortunate, well-timed purchase of pine land in 1870 from a group of land speculators in Buffalo, the Mills Company obtained a log supply to keep their operations running many years. This purchase involved going into debt for upwards of \$50,000, which was a big loan at any time but was especially heavy when it became necessary to carry it through the 1873 panic. Only the confidence of the selling parties in the integrity and industry of the Mills firm enabled the latter to carry through the undertaking. The debt

was finally paid off in about 10 years, after the partners had found it necessary to pledge everything they possessed in order to raise money.

By singular good fortune they were able to get the William Sanborn Mill, just north of the Marysville Creek, in 1878. This mill had operated only a year or two after it was built in 1871, because the Sanborns had no available timber supply. The mill was strictly modern, built to saw timbers as long as 80 feet. Logs of this type could be obtained only from the shores of Lake Huron and its tributaries. This fitted exactly into the plan of N & B Mills whose logs coming from Tawas Bay ran to lengths of 120 to 140 feet. It cannot be said that such lengths were usual, but many did cut up into 40, 60 and 80 foot lengths, and many pine logs suitable for spars were formed and laid aside for future demand as spar timber.

Log rafts on St. Clair river were very common during those years. Almost daily a raft passed down bound for Detroit, Toledo, Cleveland and other Lake Erie ports in tow of one of the old time lake tugs.

Four or five days were required to bring one of the Mills rafts from Tawas Bay to Marysville. The tying-up place was at Bunce Creek where two very strong piles were driven at the beach for snubbing. When a raft approached St. Clair river, it was necessary to keep in mid-channel, as they were 600 or more feet wide and 1500 to 2000 feet in length. They were usually held in the lake until they could come in by daylight. The morning of arrival of a raft all was excitement in Marysville. "Dad" Levi Ogden, grandfather of Myron E. Ogden, loaded a dozen mill hands into his wagon to take they tying-up tackle to Bunce Creek. This consisted of a line or rope about the size of a man's leg. Frequently it was possible to hail a vessel passing down. "Vessel ahoy!" "Did you see a raft coming in?" And perhaps the answer would be "Yes, it is just coming into the river." After waiting an hour or two, the tug could be seen passing Black River. Another hour would bring it down along the Canadian shore. Suddenly the tug would swing over to the sand hill at Ravenswood, and the raft swung slowly and gracefully across the river, reaching from shore to shore. Slowly it straightened out and drifted with the strong current toward the snubbing piles. Everything was in readiness as the big raft floated down. At the right instant Nelson Mills shouted from the river bank, "Hold on! Hold everything," waving his hat and arms as the signal. Black smoke poured from the tug, her throttle wide open, steam roared from the steam pipe, the raft straightened and the chains tightened up. The big yawl with 6 or 8 men shot to shore, men jumped in the water, hauled the big line ashore to the snubbing piles, threw on the turns, tightened up the line, the raft nosed into the shore, smoke and fire flew from the friction on the piles, water was doused on, the line, surged, more fire, more smoke and more water doused on. Two boats, the Point

Abino and the J. E. Mills, on the outside crowded the raft ashore. The logs rolled up on the beach and if all went well the raft was finally at rest and safely tied up. The tension was over and Marysville had a supply of logs for another month or two.

The Marysville Post Office from 1864 to 1893 was located in the Mills store east of the river road at the foot of present Huron Boulevard. Mails were carried by star route (horse and buggy or cart or sleigh) between Port Huron and St. Clair until the coming of the interurban car line in 1900. A covered stage heated by a stove operated during the winter months when the regular passenger boats could not operate between Algonac and Port Huron.

The Mills store provided nearly everything required by a pioneer community, dry goods, needles and pins, boots and shoes, groceries, flour, salt pork, drugs, patent medicines, tobaccos, hardware, axes, nails, etc.

A telegraph office of the Western Union opened in October, 1874, in the Mills store and continued until 1904. N. Mills was manager. The first operator was N. P. Arnold followed by W. O. Randall, Ed. Gillett, Arlie Mills, George Shaw, Myron Mills, and W. J. Newton, all of whom were also clerks in the store and post office.

The Mills lumber office was in the rear of the store, presided over by A. C. Gray, who began working for the company in 1862 and continued in charge of the many details of the lumber and boat business until 1895, a most loyal and reliable factor in the business. Two sons, Guy and Ralph, were raised by Mr. Gray. They entered the lumber business of N. Mills & Company in Cleveland, Ohio, in which they became partners, and made a distinguished record in that city for many years as highly successful lumbermen and eventually established a company of their own, the Guy and Ralph Gray Lumber Company.

Marysville's first long distance telephone was installed in the Mills office about 1879, when the river line was put in operation between Port Huron and Detroit. The telephone at that time was mainly used for office communication to Cleveland. In 1894 a private telephone line connected the residences of Nelson Mills and Myron Mills with the Mills office. These were the only telephones used in Marysville until about 1910, when the Port Huron exchange was extended to cover the Marysville section.

At another time I will be glad to tell you something about some of the old Marysville families.

Here is where the story of Historian Mills ends for tonight.

What follows is the contribution of your announcer because Myron Mills is too modest to write the good things which so truthfully can be told about his father, Nelson Mills, and his sturdy character.

I quote the tribute which W. L. Jenks, in his History of St. Clair County, paid the father of Myron W. Mills.

"Nelson Mills was a real captain of industry, but his success was never due to any crooked methods, but to a tremendous capacity for hard work and unusual business ability. As one of the Port Huron papers remarked at the time of his death: That he was possessed of a remarkable business sagacity has been conceded for years. His marvelous acquisition of property, and always by honest means and clean methods, brought that fact home convincingly to every mind. Another paper prints the following: Mr. Mills' secret of success was industry combined with good judgment. No one of his employees worked harder than he and he never seemed to be thoroughly happy unless he was doing something. He had little faith in luck, but believed that industry and perseverance would win in the end. He was always genial and approachable by anyone. Every proposition met with respectful consideration and his word could be relied upon implicitly. While his business interests have been largely in the hands of others during the past years, because of advancing age, yet he had continued the active supervision of affairs up to a short time before his death and his removal will necessarily be felt in the community. His career may not be described as brilliant, but he was solid, successful man, one of the real captains of industry upon whom the burden of progress always rest. Such was the estimate of those who know him, and the following brief account of his life will prove their words to have been far from eulogistic.

Nelson Mills was born on the 15th of January, 1823, in Nova Scotia. His parents were of English birth, and when their small son was three years old, they removed to Wardsville, about thirty miles from Chatham, Ontario, where they bought a farm. Here the lad grew up, received what education he had, the conditions of the times making this rather meager, and until he was 21 worked on his father's farm. One of these winters, however, he spent in getting out ship timber for the Quebec market. In 1844, having through (sic) the work just mentioned, acquired some knowledge of shipbuilding and some acquaintance with shipbuilders, Nelson Mills went to Newport, now Marine City, Michigan, where he engaged in shipbuilding. There he began to gain the reputation for that same strength, endurance and passion for labor that marked his whole life. He soon had the name of doing more work in one day and doing it better than any other three men in the county. In addition to carrying on his shipbuilding trade, between the years 1844 and 1850, much of his time was taken up by frequent trips which he made into the woods as a land looker for various people. In this way he picked up a vast amount of knowledge concerning the pine timber lands of Michigan, and when he engaged in the lumber business in 1850, he was thoroughly familiar with the details of the work.

Mr. Mills always took a keen interest in politics, though his business cares prevented him from ever accepting office in spite of the solicitations of his friends. He cast his first vote for Fremont in 1856, and from that time was always a staunch Republican. He became a member of the Methodist Episcopal Church in 1850, and for more than fifty years held the office of steward of the church. No matter how heavy his business cares may have been, nor how wearied he was with the exertion of the week, Sunday always found him in his pew at church, and he did not attend once, but twice. During the early part of his life he was an active worker in Sunday School. The following is a brief estimate made of him by one who knew him: "In his business, religious and everyday life, he has shown the same strong characteristics, determined in carrying out with success whatever he undertook and always thoroughly just in his dealings with men in whatever station of life. He rarely discharged an employee, and during dull seasons in business his great anxiety was to be able to keep those depending on him employed."

Yes, Myron W. Mills has promised to tell you about some of those old-time Marysville families at some future time but the Marysville Historian would never have peeped about his own family. He just isn't built that way. So I have done it myself. Now, good night, good cheer, and I thank you. [1130]

The citizens of Port Huron have repeatedly shown their appreciation of his untiring industry and sterling integrity, and there is every reason to feel that there will be no departure from the confidence they have always shown. His executive ability is of a high order. Both in his official and in his private life, Mr. McMorran deserves and has the highest esteem of his fellow men. [29, p 887]

 Mother: **Mary Jerralds WILLIAMS** [1133, p 3], [1135, p 40, #123] - Daughter (4 Jun 1842-3 May 1891)

Myron Williams

- Lived in Marysville all his life and died in Port Huron. [1]
- When Nelson Mills and Mary Williams married in 1863 they bought and lived in the house vacated by the Hubbard family. In 1868 the house burned. Myron Mills, then one and one-half years old, miraculously escaped being trapped in the fire. N. Mills then began building the brick home that stood sixty-five years as a landmark on the St. Clair River. [1131, p 2]
- My first work, beginning at about age 14, and during vacations until I finished school, was running logs in booms on river, operating small steam engine and firing boiler in cut-off mill, deck-wolloping, sealing lumber, clerking in general store, telegraph operator, blacksmith's helper, and other sundry jobs in my father's saw-mill operations at Marysville. 1888-1896, book-keeper in N. & B. Mills lumber office.
 1896-1904, lumber inspector and salesman, same concern.
 1904-1920, engaged in electric railway development and operation.
 1916-1923, held office of Supervisor in Township of Port Huron. Marysville was detached from the township in 1923, and I became disqualified for the office then.
 1929-1933, Postmaster at Marysville.
 1904-1929, Director in Port Huron Bank (now 1st Nat. Trust & Savings Bank). Declined re-election when things went bad with me. [1136]
- His schooling finished, Mr. Mills was in the employ of his father, who was extensively engaged in the lumber, mill and transportation business. With the death of his father, Mr. Mills became one of the executors of the estate left by Nelson Mills, which was both large and extensive. Mr. Mills has private interests of a considerable magnitude in St. Clair

county, a farm of four hundred acres in Kimball and St. Clair townships being one of his possessions. He is identified prominently with a number of industrial and transportation corporations in the county. In 1903 he became interested in electric railway construction. He was one of the promoters in the development of the Lansing, St. Johns & St. Louis Railway and with his associates acquired ownership of the street railways in Lansing, Jackson, Battle Creek and Kalamazoo, which afterwards developed into the Michigan United Railways Company, of which company he is president. Mr. Mills is a director in the Commercial Bank of Port Huron, and has interests in various enterprises outside the confines of St. Clair county and of Michigan. He has never taken much active interest in politics, the only public office ever held by him being that of justice of the peace in his home township. He has resided continuously at his country home on the banks of the river St. Clair, to which he is greatly attached.

Mr. Mills is a member of the Independent Order of Foresters, and is a Detroit clubman of considerable prominence. [50, p 750]

- There you have my side of the family tree. I was born 1866, the second child of Mary and Nelson Mills. [544]

- I am enclosing original of the agreement of Mills Heirs, assigning to your company, Great Western Petroleum Corporation, portion of royalties that may be obtained from wells you are drilling and propose to drill on our land in Richland township; viz,

- Beth's dad was a millionaire at one time in his life -- owning oil wells, property, railroads, etc. But his brother John, who (I think) was an attorney, invested Myron's money in a railroad that either didn't exist or went defunct. He ended being the postmaster of the post office. [2011]

Mary Margaret

- Lived in St. Clair, Joplin, Mo. and Cincinnati, Ohio where she died. [1]
- DIVORCED MRS. HOPKINS IS MARRIED, LITTLE SON GIVING MOTHER AWAY
Port Huron, Mich., Sept. 23 – Before an assemblage of select guests in the old Mills

homestead in Marysville today, 11-year-old Mark Hopkins gave the hand of his mother, Mrs. Margaret M. Hopkins, in marriage to George K. Barnes, of St. Louis, Mo., formerly of Detroit.

The bride is a sister of Myron Mills, the M. U. R. magnate, a daughter of the late Nelson Mills and divorced wife of Walter Hopkins, of St. Clair. Their divorce of about a year ago was a society sensation. Mrs. Hopkins was the one who obtained the decree, on the score of her husband's drinking habits. [342]

- The interest of Margaret M. Barnes, deceased, is assigned by George K. Barnes, widower, of Cincinnati, Ohio, and Mark Hopkins, son by former marriage. These are sole heirs. They are on the record in Ogemaw County as legatees and owners of the Margaret Mills Barnes 1/5 undivided interest in the Mills lands in Richland and Mills townships. [51]

- Death Date: DWM photo of grave marker, Lakeside Cemetery, Port Huron, Michigan. [341]

- Mrs. George K. Barnes, 62 years old, 1406 East McMillan Street, died yesterday afternoon at Bethesda Hospital, following an illness of six months. Death was attributed to osteomyelitis, a bone inflammation.

Mrs. Barnes was born in Marysville, Mich., in 1870 and passed the greater part of her life there. She was the daughter of Mr. and Mrs. Nelson Mills, her father being a pioneer lumberman of that vicinity.

In 1907 she was married to George K. Barnes, salesman; approximately five years after their marriage, Mr. and Mrs. Barnes came to Cincinnati, where they have lived ever since. No children were born to this union. Mrs. Barnes had one son, Mark Hopkins, Los Angeles, by a previous marriage.

Mrs. Barnes was a member of the Needlework Group, Maternal Society and New Thought Temple, Grandview Avenue and McMillan Street.

Besides her son and her husband, she is survived by two brothers, Myron W. Mills, Marysville, Mich., and David W. Mills, Los Angeles, and two sisters, Mrs. James R. Elliott, Glendale, Calif., and Mrs. William B. James, Port Huron, Michigan.

Funeral services will be conducted Saturday morning at 10 o'clock at the W. Mack Johnson Funeral Home, East McMillan Street, with Dr Harry G. Hill, pastor, New Thought Temple, officiating.

The body will be cremated at the Cincinnati Crematory. [8428]

David Williams

• Codicil [to Nelson Mills Will] appoints son David W. Mills as joint executor with Myron W. Mills. [1133, p 6], [1135, p 50, #172]

- SUIT INVOLVING OVER \$1,500,000

[excerpts] A suit was begun in the circuit court on Monday afternoon which involves real and personal property amounting to a million and a half dollars. Myron W. Mills and David Mills, executors of the estate of the late Nelson Mills are the complainants, and Mary M. Mills and Hannah E. Mills, administratrixes of the estate of the late Barney Mills, are the defendants. The suit is a friendly one, and is begun for the purpose of winding up the co-partnership of N. & B. Mills.

Judge Law ordered that Myron Mills and David Mills continue the business, sell the property, and close the estate as soon as possible. [7070]

- The marriage of Miss Maud Merrell, daughter of Mr. and Mrs. E. G. Merrell, to Mr. David Williams Mills, of Marysville, was quietly celebrated yesterday. The ceremony took place at the home of the bride's parents, Commonwealth Avenue, and Rev. William T. Jaquess officiated. Only the immediate families were present. After the ceremony Mr. and Mrs. Mills left for a trip south, where they will pass the remainder of the winter. [338]

- David W. is vice president of the Mills, Gray, Carleton Lumber Company, and makes his home in Cleveland. He was married in 1909 to Miss Maud Merrell, of Detroit, and they have one son, Nelson. [50, p 684]

- Lived in Cleveland, Ohio, Santa Cruz, San Francisco, Los Angeles and Pasadena, Calif. [1]

- Resided at 14186 Euclid Avenue, East Cleveland. [336]

- D. W. Mills, of Northern Ohio Lumber & Timber Co., Cleveland, Ohio, on his recent visit to California stated his company handled principally southern pine and Douglas fir, with small quantities of California sugar and white pine and red cedar siding.

Mr. Mills says the general feeling is towards a better business than last year. [7526, p 2]

- It is a good question why David W. Mills picked up and moved to California? I don't know for sure, but I think I know some reasons why that might be the lumber business was changing...lumber products were becoming more mechanically produced, and that likely meant it became even more of a commodity-priced product. (The high margin days...were likely behind him...in a significantly developed and mechanized market like Cleveland. Plus, going into the 1900s...steel was king.) But in California...it was still highly undeveloped. And the lure of going west where you can lead in an immature market likely had something to do with it as well. He probably had a good payday too...and like all business owners, perhaps seized upon "an exit strategy opportunity." [7493]

- Informant on Edward George Merrell death certificate; 4 Aug 1924; his address given: 1886 Carter Road (address for Northern Ohio Lumber & Timber Co.) [3702]
- Resigned as President of Monterey Bay Lumber Company; about Nov 1928. [7500]
- Mr. Mills, father of the injured young man, formerly was president of the Monterey Bay Lumber company, resigning several months ago. [7503]

- Dear Beth

We arrived here Tuesday afternoon, Bertha having decided she would like to have another look at St. Cloud, something we had decided not to do when we left home. However, we are leaving for Duluth this afternoon and hope to be in Mackinaw Friday night and Leland early Saturday. Expect to leave Leland early next Monday and should be passing through Ogemaw sometime around noon that day and in Port Huron late afternoon.

A fine trip so far.

Love,

Dave [1137]

General: • The Wreck of the David W. Mills [excerpts]

The "David W. Mills" was a typical Great Lakes cargo vessel of the late 19th century. Measuring 202 feet by 34 feet by 13 feet, this wooden "steam barge" could carry over one million board feet of lumber. Built by Thomas Quayle and Sons Shipyard, the vessel was originally named "Sparta" and was launched at Cleveland, Ohio on April 11, 1874. The vessel was renamed in 1910 after the manager of the Port Huron Navigation Company, the firm that owned the ship. Captain Frank J. Peterson bought the "Mills" in 1919.

The "Mills" ran aground on Ford Shoals on August 11, 1919 in dense smog created by forest fires in Canada. Attempts to free the boat failed and it broke apart during a violent October storm. [7064, p 2]

- I thought you might enjoy the knowledge that your family's history is still actively operating in Cleveland. That's just a great thing, I think. So I'm sending this note to share that.

NORTHERN OHIO [Lumber & Timber] is the oldest lumber company and sawmill in the State of Ohio, founded in 1864, and has been operating for 156 continuous years in downtown Cleveland. The Company (around 12-15 employees) is a wholesale, commercial lumber and building materials supplier...for Professional Contractors, not a retail lumberyard with walk-in homeowner customers. We're still a sawmill...and cut custom heavy timber stock on a Mershon Timber Saw and an AM Timber Moulder-Planer, bought new at the time in Saginaw, Michigan — we assume by Nelson Mills — and installed here at NORTHERN OHIO in 1893. (Yes, they still operate on our Millhouse deck...we cut heavy timbers on them for other retail lumberyards and mostly commercial projects. I have attached some pictures of those machines. They were originally steam powered, but were converted to electric power in 1910.) We do other things now too...make heritage wood tabletops, doors, flooring, things like that. I joke that 156-year

old companies have clearly learned to adapt. But that is totally accurate.

...with a lot of foresight and smarts, he [Nelson Mills] began assembling collaborative and timber supply partnerships (and shareholders in NORTHERN OHIO LUMBER in 1864 with Caleb Jewett and George Carleton) with multiple, local lumberyards and mills in what was then known in Cleveland as "The Lumber District," riverfront land on a bend in the Cuyahoga River just upstream from Lake Erie called Scranton Peninsula. NORTHERN OHIO strictly milled and supplied lumber for other Yards, not the public. That didn't stop him from also opening a local yard too though, N&B Mills. His son, David W. Mills (always signed his name DW Mills), was also a principal of NORTHERN OHIO up until the mid-1920's or 1930's when the company would eventually buy out all of the other Yards in the Lumber District.

We mention Nelson Mills in our history section. You can see it here:

Business: • I haven't heard of David Williams Mills but a search on newspapers.com shows that he arrived in Santa Cruz ca 1925 and only stuck around for about five years. The article says he was president of the Monterey Bay Redwood Company and was succeeded in that role by J. A. Harris, with whom he still apparently had a relationship since Harris's wife attended Mills' wife's funeral in 1937. The Monterey Bay Redwood Company incorporated on January 24, 1925 to harvest the remaining old growth redwood trees in what would become the Soquel Demonstration State Forest. I suspect I'll read more about your grandfather when I'm editing the third book by Ronald Powell, which will include the history of that lumber company. I haven't gotten to it yet, unfortunately.

I'm still struggling through volume 2! Still, there are lots of articles on the Monterey Bay Redwood Company on newspapers.com, so I'd check that out as a starting point if you haven't already. [7497, p 1]

- [excerpts] In a deal indicated by revenue stamps used in the transaction of approximately \$500,000, the Monterey Bay Redwood company comes into ownership of the peak of Loma Prieta, the highest in the Santa Cruz mountains, and a forest of 5000 heavily wooded acres, mainly virgin redwood, with a considerable stand of pine.

The Monterey Bay Lumber company is headed by D. W. Mills and a group of other capitalists of Cleveland, Ohio.

Fred D. Hihn and Ruth Younger, heirs of the Hihn estate, are the largest stockholders in the Valencia-Hihn company... [7498]

- "Thus it was that the big Hihn Sawmill which had been erected at Laurel at the beginning of the century was able to ship to San Francisco the lumber the city needed so desperately for rebuilding after the quake and fire. F. A. Hihn. who had made himself Santa Cruz first millionaire, announced the construction of the new mill at Laurel after his crews had logged off the country around Aptos and Valencia and delivered the timber to Hihn's mill on Soquel creek. Hihn's move to Laurel was to open a stand of timber virtually untouched. The bright new machinery, for a Stearns mill, was bought from the Eby Machinery company in San Francisco and transported to Laurel on the railroad. The mill, the pride of its owner, had a steam operated single band saw. Its capacity was rated at 50,000 feet a day. with a possibility of crowding the run to 60,000 feet if the logs ran good. The installation of the mill at Laurel virtually marked the end of the days of logging with oxen in the Santa Cruz mountains. Hihn installed donkey engines which dragged the logs over skidways. The Hihn mill, which operated for 17 or 18 years, reached its peak of production during the years San Francisco was rebuilt. A few years after Hihn's death in 1913. the Laurel mill ceased operations, with most of the available timber cut. In 1917 the machinery was bought by the California Fruit Growers association and moved to Mather, in the Hetch Hetchy country of Tuolumne county. It operated there until 26 years ago when it was moved to Soquel creek by James A. Harris. Jr., and David Mills, and operated there until four or five years ago as the Monterey Bay Redwood company. Last month some of the machinery from the mill was sold to interests at Acreata, in Humboldt county, and the remainder disposed of to dealers in used mill machinery." [7499]

- For the purpose of increasing production of redwood lumber for the coming year the Monterey Bay Redwood company has installed a band resaw at its mill on the Soquel

creek, it was announced today by officials of the company. The installation work was completed last week. At the same time it was announced that at a recent meeting of the board of directors of the company J. A. Harris Jr. was elected president of the company to succeed D. W. Mills, resigned. [7500]

- Mrs. David Mills Died Yesterday at Pasadena Home (Santa Cruz Sentinel, 29 Jan 1937)

News has been received from Pasadena announcing the death of Mrs. David W. Mills formerly of this city.

Death was caused by a heart attack and apparently Mrs. Mills had been in good health a few minutes before her passing.

Mr. and Mrs. Mills came to this city in 1925 and were prominent in the community life until 1929, Mr. Mills being connected as president with the Monterey Bay Redwood Company and was succeeded by J. A. Harris.

Mrs. Mills leaves to mourn her death her husband, son and daughter-in-law, Mr. and Mrs. Nelson Mills and their small son.

Mrs. J. A. Harris and Mrs. Frank G. Wilson will leave early this morning for Pasadena to attend the funeral services which will be held at Forest Lawn Memorial Saturday at 2 p. m. [7497]

- MILLS – Mrs. Maud Mills, 692 South Grand Avenue, passed away Jan. 27, 1937. She was the beloved wife of David W. Mills, and mother of Nelson Mills. Funeral services will be held Saturday at 3:30 p. m. at the Wee Kirk o' the Heather, Glendale. Forest Lawn Memorial Park Association, Inc., in charge. [1073]

- Harold remembers very well the funeral of Maud Mills at Forest Lawn in 1937. It was pouring rain. Her death had been sudden and unexpected. She was small of stature, was high strung, and smoked heavily. [1160, p 2]

- My former next door neighbor used to speak of Maude Merrell as they were about the same age and were cousins through the Halls as Charles W. Hoyt's wives were daughters of Ezra Knapp and Mary Hall, the eldest child of General Isaac Hall. [5177, p 1]

Bertha Esterbrook

- Name given as Bertha G. Weber. [1, p 4]

- Arrived Port of New York, widow, 16 Jun 1938, from Naples, Italy. [7013]

- We arrived here Tuesday afternoon, Bertha having decided she would like to have another look at St. Cloud. [1137]

- Unfortunately, I couldn't find anything about Bertha after 1957. Neither Otto or Bertha are buried here in St. Cloud. [6995, p 1]

- I remember the day she left vividly; we were waiting in the living room for her family/friends to pick her up. Not too much talk; seemed a little somber. And when, they arrived I was on the Oak Grove front porch saying goodbye. I thought they drove her to either Ohio or Michigan (I probably thought that because that were the Mills family came from).

I think it was a Saturday afternoon as Matsu's truck was out front. I didn't fully understand what was going on or who these people were. I sensed that we would never see her again and when it was over, Dad was relieved.

Sorry I can't remember more about the specifics; I was just too young.
Don [7033]

- My recollection is that she moved to Florida. [7035]

- Thanks, Don...I was not aware of this at all. I probably was up north at Stanford, so the timing would be in the fall of 1957 I surmise. Would you agree?

Dave

Reply from Don: Yes, I think it was in the late Fall; perhaps, late October or early November. It wasn't a cold day but it was not an Indian summer afternoon, either.

I believe Dad received a letter approximately 2 weeks after she left indicating she had settled in and was doing well. I don't think it came from her and to the best of my knowledge, Dad had very little contact afterwards. This closed a book for Dad.

Hally Ballenger

• Lived all her life in Marysville and died in Detroit when she was in school there. [1]

• Hally B. Mills, youngest daughter of Nelson Mills, of Marysville, died in Harper's hospital, Detroit, at 8 o'clock Sunday evening after an illness of 10 days. While attending

school at the Detroit seminary she was threatened with appendicitis and was removed to the hospital for the purpose of operation if necessary, under the care of Dr. H. O. Walker and Dr. Jennings. The appendicitis symptoms soon subsided, but a vague and more serious complication arose in the form of what was finally pronounced Graves' disease, affecting the heart and nervous system, rapidly undermining her strength. She rallied for a few days until Saturday night, when she began to fail very fast. Dr. Treadgold was called from Port Huron several times in consultation, and was present with her father, sister and brothers at the end. Detroit specialists had also been in consultation, but were baffled in the effort to locate the trouble and its treatment until too late.

Miss Mills had attended the Detroit seminary for three years devoting much of her time to the study of drawing, in which she showed marked natural ability, her ambition being to become an artist in that line. he was 15 years of age, of lovely character and disposition, and was much loved by her associates who in losing a friend also lost one who much loved them. The remains were brought home Monday afternoon, and the funeral will be held from the family residence at Marysville Wednesday afternoon at 1 o'clock. [1125]

J. P. Pownal, Esq.

Dear Sir –

Your letter in relation to some money now in your hands as Administrator of Sanford Williams Estate, due to his daughter Adaline, now my wife, has been duly received by us. We desire this money to be paid to my wife's sister, Emeline Williams. We have this day executed jointly a receipt and sent it to her, to be presented to you, or rather an order and receipt combined. She will be able to prove our signatures and I write you this that by comparison of writings, post marks, etc., the judge of the Probate Court may be satisfied of the integrity of the transaction. Should any question be raised however I will send sister Emeline a power of attorney. It is my wish as well as my wife's that she should draw this money.

As to stamps etc, I secretly [?] know what to do, but will affix an Internal Revenue Stamp to the order. Should anything further be necessary, please write me in full.

If not too much trouble, I wish you would, on receipt of this, write to Emeline Williams at

Akron and inform her whether she can draw the money on this order and where to meet you as it might save her the expense of a journey to see you.

Respectfully yours,

S. B. Axtell [1431, p 1]

My Good Young Lady:

I regret to say that with all its pretensions to commercial, financial and industrial enterprise and such, Summit County is without an organized historical society, nor can even the "tip-top" city of Akron boast of such an institution. Hence your letter addressed to the secretary of said suppositious society has been sent to me, probably because of my modest pretenses to local historical lore. I fear, however, that I can throw but little light on the decidedly shadowy subject you are investigating, though familiar with the locality and many members of the families involved for the past 64 years. Mr. Hiram J. Spicer, youngest son of Major Miner Spicer, born here in 1816, is still living on a portion of the land purchased by his father for himself and others in 1810. Mr. Spicer says that the entire party who, with his father, settled on these lands in 1811, including Paul Williams, were from Groton, New London Co., Conn. But he does not know anything of the Williams ancestry, or the maiden name of Mrs. Paul Williams. Possibly the Town records of Groton could shed some light upon the subject.

Paul Williams, himself, died sometime before I came to Akron, 64 years ago. At that time his widow (second wife, I think) was living in the old homestead (still standing) and

with her living a pair of twin granddaughters who had been orphaned by the early death of both of their parents. Their names were Adaline and Emeline Williams. The former married Samuel B. Axtell, of Richfield, in this county. A son, in Richfield, and a daughter, in New Jersey, survived them. Emeline Williams, never married, and is still living with her niece, I think, in Rahway, N.J.

A daughter of Paul Williams became the wife of Mr. George Babcock, and succeeded to the homestead, on the death of the mother. A son of the Babcocks, Williams P. Babcock, now 64 years of age, is still living here. I have interviewed him, but he can give me no information that will be of any practical worth to you in your research. He thinks there is a family record in existence, possibly in possession of a sister-in-law in a neighboring town which he will try and hunt up. If he finds anything of value to you I will advise you later. Mr. Babcock thinks that his cousin, Emeline Williams, knows more about the early history of the family than any other person now living. Her P. O. address, Mr. Babcock thinks, is 127 Church St, Rahway, N.J.

There are other descendants of Paul Williams still living here, among whom a great granddaughter, Mrs. Judge A. C. Voris of 243 Fir St., may possibly have given the subject you are investigating some attention in quest of (discovering ?) antecedents in her own behalf. Possibly a line to her may prove beneficial to you. Regretting my inability to serve you better, and believing that you will the more fully appreciate the little I have attempted to do when I inform you that I am now in my 85th year, and so nearly blind as to be unable to read this letter after I get it completed, I am

Very Respectfully,

S. A. Lane [1418, pp 3-6]

"I stopped at Deerfield, Ohio, to see if I could locate any burial sites for the family. On the road to Deerfield my eye caught a sign for Williams Road. And shortly thereafter came to a small cemetery where I stopped. I walked directly to the grave of Sanford Williams. But, I was disappointed to discover no other markers for known family members. The cemetery is the Robinson Cemetery in Palmyra Twp. [1394, p 2]

“...settlements were begun about 1788...John Thomas and Rufus Williams,...made each their pitch on the east Hill — the one north and the other east of John Martin, and both adjoining his.” [1406, p 814]

“...Rufus Williams was the first tailor who cut and made men’s clothes.” [1406, p 818]

“In January, 1805 [sic], Rufus Williams (spoken of before as one of the first settlers) was instantly killed by the fall of a tree blown down upon him in a high wind, as he went out to fodder his cattle.” [1406, p 821]

• “[These settlers in the town of Huntington about 1789], were closely followed by Thomas and Rufus Williams, who each pitched next to John Martin on East Hill, the one

- 1789 About this time Thomas and Rufus Williams settled on East Hill; Abel Turner, John Fitch, and Samuel Fargo in the Buel's Gore section of town; and Stephen Squires in Sherman Hollow. [1408]

• ANCESTOR'S SERVICES

My ancestor's services in assisting in the establishment of American Independence during the War of the Revolution were as follows:

Thomas Jerrolds (so spelled in Scotland) later in this generation changed to Gerald, is the ancestor who assisted in the Revolutionary War, acting in the capacity of Sergeant in

the company of non-commissioned officers and privates (1781 to 1783) and in the Corps of Invalids as Sergeant from 1781 to 1783. He was in the Third Regiment, Connecticut line. Captain Williams of Wethersfield, Conn., Record of Connecticut during War of the Revolution, published in Hartford, Conn., 1889. Items of service are found on pages 296 and 335.

BLWT. 1034 for 100 acres was issued April 1, 1822 to Seth Leavitt, Assignee, who filed a Discharge Certificate of George Washington, showing that Thomas Gerralds was a Serg't. in the Invalid Regiment, and had served 6 years and 3 months. The certificate was dated June 11, 1783. This warrant had been bought by Leavitt from the son of the Rev. Soldier, Thomas Gerald, in 1810, to whom it had been given by the father, then visiting his son. Later, according to the testimony of Mrs Asenath Gerald of Suffield, Conn., widow of the son Thomas, in 1821, the father went back to Williston [sic], Vt. and died. Oct. 9, 1815 Mary Williams and her husband, Sanford Williams of Huntington, Vt. sold their interest in the warrant to Seth Leavitt. Mary had died before 1822, when the Probate Court issued a certificate giving the names of the seven children of Thomas Gerald, Rev. Soldier, and that Thomas, Mary and Clark, had died since their father. (As the son received the warrant from his father in 1810, and died in 1814, that approximates the death of his father.) Sept. 6, 1821 Timothy Risley and Abigail Risley, Thomas Case, Jr. and Sarah Case, all of East Hartford, Conn. sold to Seth Leavitt their interest in the above Land warrant, and stated that Thomas Gerald, Sen. was the father of Abigail, and Sarah; that he and his son Thomas of Warren, Vt., their brother, were dead; that Prudence Slate, wife of Thomas, lived in Truxton, N.Y., Martha Randall, wife of David Randall, lived in Huntington Vt. (Mary must, therefore, have died between Sept. 6, 1821 and Feb. 9, 1822, when the Probate Court certificate was issued.) March 6, 1818, Seth Leavitt wrote Mrs Mary Everts of Bolton, Vt., widow of Thomas Gerald, Rev. Soldier, who had remarried, assuring her that he would do nothing to prevent her obtaining a pension or BLWT., but as widows of Rev. soldiers were not entitled to either, at that time, he presented his claim, with the above mentioned letters, and received the warrant.

- Thomas was born in Scotland around 1745. In his family bible, Thomas spelled the family name as Jerrells.

In 1777, Thomas joined the Continental Army, Connecticut Line, for the Duration of the war. In 1781, he was promoted to the rank of Sergeant. On April 5, 1781, he was transferred to the Corps of Invalids and Sappers. His discharge paper, attached, was signed by George Washington. The book *Private Yankee Doodle* by Joseph Plumb Martin is a first-hand account written by a soldier who also served in the Connecticut Line. It's a wonderful account of the Revolutionary War and must document many of the same experiences that Thomas had. I will post a link at the bottom of the sketch.

In his military files (where his name is spelled Thomas Jerrols), there are many documents, including his discharge papers, signed by George Washington. I will post a copy in the memories section. Upon discharge, his role was Sergeant in the Corps of Invalids and Corps of Sappers and Miners. The nature and extent of his wounds or disabilities are not stated, but he did go on to father many children with three wives.

In 1810, Thomas gave his Revolutionary War bounty lands to his son, Thomas, Jr., who conveyed the same to Seth Leavitt, then a citizen of Williston. Seth is buried in the East Cemetery. Seth Leavitt had some legal problems getting title to the bounty lands and set out to quiet title. This included visiting all of Thomas' heirs. These letters are all in Thomas' military files. All heirs disclaimed their interest except Martha Jerrols and David Randall. They would not agree to it, so Seth Leavitt appealed to the government via his Representative for relief. [7761]

- "Scotland" could be Scotland, Windham county, Connecticut. [Zip Code: 06264] [3388]
- I recently ran across some information on the Mary Gerald's (Jerrol's) line you submitted to the Ancestral File that I thought you would be interested to know. Her father, Thomas Gerald's, was a Revolutionary War veteran and there was a dispute over his bounty lands. FHL film number 971,063 has the records, including a document signed by Mary Williams and Sanford Williams. Mary's sister, Martha, is my 4th GGMother. Mary and Martha were two of seven children. The oldest brother, Thomas, lists his mother as Prudence. Martha's mother was Mary, according to her own records. I am not sure where the Elizabeth you identified as Mary's mother would fit in. What evidence do you have as to her identity and relationship to Thomas, Sr.? I am trying to put the whole family together. [2310]
- Gerald seems to be a derivative of GEROULD, which is French Huguenot (Protestant), and the founder of the family was a Dr. Jacques who settled in Medfield, MA. Although I have nothing on the parent of your Thomas, I can almost assure you he was not from Scotland near England. The confusion with the name comes after 1840 with the Irish immigration when so many came with the name Fitz Gerald and later dropped the Fitz. [3388]

Isaac WILLIAMS - G Grandfather

Death: 1806, Groton?, New London, Connecticut [1]

- Name given as Isaac. Lived in Ledyard, now [sic] Groton, Conn. [1]
- Possibly from Westerly, R. I. - boundary dispute between R. I. & CT not settled until 1728. [1395, p 1]

Research: • Look for in 1790

- 1800 Census: Groton, New London, Connecticut. 00010/00100. Perhaps the correct

family; the only Isaac Williams in Groton, but he may be too young. Perhaps this is his son, Isaac. [6349]

- Perhaps Isaac is this Richard. [7732]

General: • Ledyard is a town in the southeastern part of Connecticut that, although it is predominantly rural in part, is rapidly becoming suburban in character. Bordered on the West by the Thames River with its gently rolling, tree covered hills and occasional outcroppings of ledge, it stretches off the east bordering Mystic and Stonington, and is approximately 40 square miles in area. Originally Pequot Indian territory, the first land grants to the early settlers were assigned as part of New London territory. In 1705, land on the eastern side of the Great (Pequot) River became the independent town of Groton within which the present boundaries of Ledyard exist. Early land records and legal transactions referred to this location as Groton until 1836, when the residents of this part of the North or Second Society of Groton incorporated and took the name of Ledyard. The town was named after Colonel William Ledyard, who was the commander of the Colonial forces that defended Fort Griswold in 1781 at the Battle of Groton Heights. [2211, p 1]

- This book is an attempt at the early family records of William Williams of New London, Conn., but is incomplete [since] many of the early records were destroyed by war and fire during the War of the Revolution, the Battle of Groton Heights, etc. Moreover, so many by the name of Williams came into New London County and settled at New London, Groton, Stonington, Norwich and Vicinity at about the same dates, several Families using the same names for their children, even in the same town, and especially as often no Family records were kept, it has been very difficult to collect the facts from descendants, or even to find many of them.

The author has worked on this problem for over 40 years. Some of the descendants of Robert Williams of Roxbury, Mass. came into Connecticut and settled at Stonington and Pomfret, Conn., and many other Connecticut Towns, and intermarried with descendants of William Williams of New London County. *Wheeler's History of Stonington, Conn.*, gives descendants largely of Robert Williams of Roxbury.

Then after the War of the Revolution scores of descendants by the name of Williams removed to New Hampshire, Vermont and Massachusetts, New York State, the Western Reserve in Ohio, to Pennsylvania and even farther west. [94, p 3]

- Paul Williams himself died sometime before I came to Akron 64 years ago [thus 1835]. At that time his widow (second wife, I think) was living in the old homestead (still standing) and with her were living a pair of twin granddaughters who had been orphaned by the early death of both of their parents. Their names were Adaline and Emeline Williams. The former married Samuel B. Axtell, of Richfield, in this county. A son, in Richfield, and a daughter, in New Jersey, survive them. Emeline Williams never married and is still living with her niece, I think, in Rahway, N. J. [1418, p 4]

- I have been doing quite a bit of investigation on the West Richfield connection. I have been to Richfield twice and collected some information there.

The first bit you might find of interest is that Adaline apparently separated from Samuel Beach before he went to Utah. She went back to Ohio and began buying land in West Richfield. At her death she apparently owned quite a bit. It was in her name, not in S.B.'s. I couldn't find out how it was disposed of, except that some went to Roscoe. Charles Clifford had a small piece that that she apparently gave him while she was still living.

She is NOT buried with him in New Jersey. She is buried in Akron, along with Charles Clifford and Mary. Apparently Mary died first and C.C. lived in Akron with his brother Lewis until his death. From your account it appears that Lewis then went to Pennsylvania to work.

A large part of the land that Adaline owned in West Richfield was later taken over by the Girl Scouts as a camp. The GS are now trying to sell it. The Richfield Historical Society is trying to raise money to buy it as they don't want it to be divided up for housing. [7318]

- Mrs. Adeline Axtell, widow of the late Hon. Samuel B. Axtell, who died about a year ago, departed this life at Richfield, Ohio, July 19th. [7816]

- Application has been filed in the same court for the admission to probate of the will of

Adaline S. Axtell, late of Richfield township. All of the property of testatrix is left without reservation to her daughter, Alice Phillips, and husband. [8212]

J. P. Pownell, Esq.

Dear Sir

Your letter in relation to some money now in your hands as Administrator of Sanford Williams Estate, due to his daughter Adaline now my wife, has been duly Exd by us. We desire this money to be paid to my wife's sister Emeline Williams. [1431, p 1]

- Hon. Samuel B. Axtell, one of Richfield's early adopted sons, and whose family and property interests are still in that township, represented the San Francisco (Cal)., district in the fortieth and forty-first sessions of Congress. Returning to Richfield, on the expiration of his second term, he was in January, 1875, appointed governor of the territory of Utah, by President Grant, but a few months later was transferred to New Mexico, of which territory he was governor between three and four years. Still later, in May, 1882, by appointment of President Arthur, he became chief justice of that territory, which position he filled with acknowledged ability for three years, tendering his resignation to President Cleveland, May 1st, 1885, to take effect on the 25th of the same month. On June 1, 1885, Judge Axtell accepted from the Southern Pacific railroad, the position of solicitor of that road for New Mexico, with headquarters at Santa Fe, which position he held until his death, at the home of his daughter, Mrs. Charles M. Phillips, in Morristown, New Jersey, August 6, 1891, at the age of 71 years, 9 months, 22 days. [258, pp 949-50]

- [excerpts] In 1851 he went from Richfield [Ohio] to California, and his wife followed and joined him there in 1856. In California, he was a practical miner and laborer, working with all his might at whatever his hand found to do, and continuing the study of law, which he had commenced before leaving Ohio. He was admitted, upon examination, to the Supreme Court of the State of California in 1854, and commenced the practice of law in Jackson, Amador Co., in that State. He was three times elected District Attorney. Removing to San Francisco, he was elected, in 1867, to represent that city and district in the Fortieth Congress, and was re-elected to the Forty-first Congress.

In January, 1875, he was appointed by Gen. Grant Governor of Utah Territory, and in the summer of that year was transferred to New Mexico, where he acted as Governor for three years and a half, assisting during two Territorial Legislatures to obtain much needed and progressive legislation. [257, p 997]

- After President Grant appointed him governor of Utah Territory, one of Axtell's first acts

was to deliver a certificate of election to George Q. Cannon, newly elected territorial congressional delegate. It was something Gov. Woods [his predecessor] refused to do. Axtell was immediately branded as a tool of the Mormons, and editors of The Salt Lake City Tribune referred to him as "Bishop" Axtell. He tried to ease the situation by touring the larger counties in the territory, but his opponents would have none of it and increased their attacks on him. In the end, Grant was asked to intervene, but instead he appointed Axtell governor of New Mexico Territory. [2662]

- The President and Secretary of the Interior have decided to dismiss the charges against Gov. Axtell, of New-Mexico, as vague and unsupported by proof. The Secretary, in the presence of the President and others, this morning expressed his intention of putting this decision on record as the result of a careful investigation made under his supervision by Assistant Attorney-General Marble. The charges, it is declared, were preferred by irresponsible persons who do not sustain them under oath. On the other hand, Gov. Axtell denied the charges promptly under oath and furnished official documents fully refuting them. In addition to this, an unqualified endorsement of his administration has been forwarded to the department from the best citizens of all parts of New-Mexico. [2673]

- Axtell was appointed Governor by President Grant in 1875. Axtell's administration ended in 1878 when he was suspended by Secretary of the Interior Carl Schulz following an investigation into his activities as governor. He later became Chief Justice of the New Mexico Territorial Supreme Court. [2298]

- b. Oct. 14, 1819, married Adaline S. Williams of Summit Co., Ohio, Sept. 20, 1840. In 1843 he moved to Mt. Clemens, Mich. We have from the pen of Ralph Emerson Twitchell the following:

Samuel Beach Axtell was born in Franklin County, Ohio, October 14, 1819. An ancestor was an officer in the Revolutionary army and his grandfather was a Colonel of a New Jersey regiment during the war of 1812. His father was a farmer. Governor Axtell was a graduate of the Western Reserve College at Oberlin and was admitted to the bar in Ohio. In 1851 he went to California and engaged in gold mining and upon the organization of counties of the state was elected district attorney of Amador County. He removed to San Francisco in 1860, was elected to congress in 1866 and 1868 as a democrat. He changed his political faith at this time and allied himself with the Republican Party of which he was a staunch supporter to the time of his death. In 1874 he was appointed governor of Utah by President Grant and in the following year was transferred to New Mexico, being inaugurated governor July 30, 1875. He was superseded in this position by General Lew

Wallace [author of *Ben-Hur*], appointed by President Hayes in 1878. In 1882 he was appointed chief justice of the Supreme Court of New Mexico, assuming the duties of the office in August of that year. In 1885, Grover Cleveland having been elected president, he resigned the office in May of that year. He was a man of high principles, absolutely without fear. On the bench he endeavored at all times to secure what he saw fit to designate as “substantial justice” for all litigants, and judicial precedents which interfered with the main object of trials in his court, or with equity from his standpoint, were ruthlessly cast aside. In 1890 he was elected chairman of the territorial republican committee. He died August 7, 1891, at Morristown, New Jersey. Conditions, methods, and practices obtaining in the courts of New Mexico during Judge Axtell’s incumbency, and the fearless character of this jurist are well exemplified in the relation of incidents occurring in one or two cases tried before him. In a celebrated criminal trial at Las Vegas, although Judge Axtell had been warned that his life would be forfeited if he dared to sit in the case, promptly on time he opened court. On this occasion he compelled the sheriff to search all of the court attendants and the spectators before he allowed the case to proceed. As a result forty-two revolvers were piled on the table, some having been taken from the attorneys in the case. Each man carrying a weapon into the courtroom was fined ten dollars for contempt of court, and no show of resistance was made when the fine was collected. In another case before him the defendant, a poor young man, whose farm was in jeopardy, had no attorney. Seeing that the case was going against the man unless he could obtain legal counsel, Judge Axtell descended from the bench and began conducting the cross-examination with the remark: “It takes thirteen men to steal a poor boy’s farm in New Mexico.” Upon the conclusion of the submission of evidence, he instructed the jury to find a verdict on behalf of the defendant. When the foreman announced a disagreement, the judge discharged the jury, announced a verdict in behalf of the defendant, and told the sheriff never to allow any one of the discharged jurymen to serve again in Miguel County. His wife died in July 1893. [2664]

Mrs. Adeline Axtell, widow of the late Hon. Samuel B. Axtell, who died about a year ago, departed this life at Richfield, Ohio, July 19th. Samuel B. Axtell was an old-time attorney of Amador county and was elected to the office of District Attorney in 1854, at the first election after the county of Amador was set off from Calaveras. He was re-elected to the office again in 1856. He lived in Jackson till 1864, when he went to San Francisco. Being a natural leader and a politician, in 1867 he received the nomination for Congress from the First District and was elected, defeating T. G. Phelps. In 1868 he was again elected to Congress, this time defeating Frank M. Pixley. [7816]

• [excerpts] Lumbering reached gigantic proportions back in our early history, when Michigan was known as the lumber capital of the world. Ogemaw County contributed millions of feet of virgin timber during that era, which has acclaimed Michigan a giant in the annals of our history.

In the fall, when the first snow came, the Mills family's horses and oxen were shipped from Stag Island in the St. Clair River to Ogemaw County to work in the lumber camps.

Around 1870 the Mills family owned hundreds of acres of Ogemaw County. They started a lumbering project which was carried for twenty years. After the trees were cut and trimmed into sizable logs, they were skidded into the Rifle River, during the spring

freshets, and floated downstream. Upon reaching Lake Huron, they were rafted and pulled by tug boats to the St. Clair River, near Port Huron. Steam boats and tow barges transported them to Cleveland, Ohio, through Lake Erie. [3402]

- Mills Township, with the Rifle River flowing through its center, is surprisingly free of early lumber settlements. Although lumber camps surely existed along the township's waterways, supply and milling settlements flourished elsewhere.

Richland Township contained the settlements of Hardwood Lake and Mills, and is still the location of the village of Prescott. Mills was a train stop at the western county line. Prescott began as a camp called Camp Six. Its owner, Barney Mills, built a saw mill and shingle mill and owned much of the timber lands in Mills and Richland Townships. [3403, p 9]

Prescott's first saw mill was built by Barney Mills. He also built a shingle mill in Prescott. In 1889, the McLain brothers owned the mills that Mr. Mills had built. [3403, p 16]

John Fitzmaurice tells of a Saturday evening he spent in a southern Ogemaw Camp.

January 17th, 1883, I find by reference to my notebook, was an occasion in which I was made partaker in a camp "Saturday night" that I will long remember. It was in B. B.[sic] Mills' Rifle River camp, Mich., which like a singed cat, was much better than it looked. It was built upon the old-fashioned style, with what is known as a "caboose," in place of a stove. The "bunk camp" was cosy, and with but little room, one would imagine, in which to give a variety theatre exhibition. Still, in that same camp was congregated more diversified talent, than I have met at one time before or since in the woods. [3403, p 31]

- The Mills Transportation Company was formed February 4, 1878, with a capital stock of \$250,000, divided into 10,000 shares of \$25 each. Nelson Mills, of Marysville, held 2,812; Barney Mills, 938; August C. Gray, 1,250; Henry McMorran, Port Huron, 2,500; and Charles Neal, Bay City, 2,500 shares. [29, p 547]

- **Prominent Port Huron Man Dead.**

Port Huron, Mich., July 19 [1905] – Barnabas Mills, a brother of the late Nelson Mills and a partner of his in many of their business enterprises, died at this home at Marysville this morning, aged 77 years. Mr. Mills took sick while inspecting some of the lumber properties belonging to the estate in northern Michigan, and was brought home last week. [1128]

- Died intestate. [1135, p 51, #179]
- Barney Mills died intestate leaving a widow without children by him. The widow has

one son and two grandchildren by a former marriage. There are thirteen families of Barney Mills kindred of which the heads of six are still living. Two near Chatham, Ontario, one in Washington state, two in Ogemaw County, Michigan, and one in this village. Of all the other families there is one minor child about sixteen years of age living near Chatham, Ontario.

Barney Mills estate consists practically as follows:

Farm, store, village property and house at Prescott, Ogemaw County, Michigan.

Stock in several corporations.

1/4 interest in this co-partnership.

The inventory of this company will be furnished you as soon as it can be obtained and an appraisal made. But for the purposes of this letter will state that the assets are chiefly as follows:

Real estate in Ogemaw, Montmorency, Sanilac and Saint Clair Counties, and in Cleveland and Toledo, Ohio.

Lumber yard and Planning [sic] Mill at Saint Clair.

Stock of lumber and store at this place.

Stag Island.

Interest in mill and land in West Virginia.

Interest in Electric Railway at Lansing.

Accounts and notes receivable. [1139]

- In a separate email I am going to send you a photo of the first store in Prescott, which was built by Barney Mills as a general department store. The two-story brick building was built sometime before 1900 on Sherman Street. Mills closed the store and the building was purchased by the I.O.O.F. and Geneve Rebecca Lodges. The groups held their meetings upstairs and used the first floor for large gatherings, such as banquets, dances, and large community meetings. For quite a number of years (about 15) the first floor was also used by the school where temporary classrooms were established. After 1965, when the I.O.O.F. charter expired and was not renewed, the building was sold to Bed and Bernadine Haskin and used as a recreational facility.

Do you have the book called PRESCOTT COMMUNITY IN PIONEER HISTORY by Erwadeen Hosbach? [6119]

- Barney Mills was another pioneer lumberman. He owned hundreds of acres of wooded land north of town. After the land was cleared it was sold to men who became farmers. Mills also had one of the first general stores before 1900 in the two-story brick building on Sherman Street, which now houses Bud and Bernadine Haskin's Rec. Hall. [6146, pp. 3 &

4]

- The town had several mills as well as in the rural area. Barney Mills had a grist mill and Bob Cliff, Sr. had a shingle mill. Both were destroyed by fire. [6146, p 9]
- Harold Currie lives on the farm of his grandfather, Gilbert Currie, Sr., two miles north of Sage Lake Road. It had been purchased from Barney Mills. [6146, p 28]
- Yesterday I spent some time at the Oscoda library in the genealogical room. (I love it there!) Anyhow, I found some little things about Barney Mills in the newspapers. I figured this was easier to just type the info out rather than scan the copies, as some are such poor quality.

TAWAS HERALD June 5, 1891: Barney Mills long timber camp is in operation at West Tawas, again with Joseph Lalone, the old standby foreman. Part of the old crew is on deck, with Tink at the helm.

TAWAS HERALD May 20, 1892: (two entries)

Louis Grant, representing E. Morse, the lumber King of the east, of Tonawanda, was in town this week visiting Jos. Lalone, Barney Mills' foreman. Mr. Morse has purchased a quantity of timber from Mr. Mills.

Jas. Lalone, foreman for Barney Mills, informs us that he has started rafting at the mouth of Tawas River, and will add another force of men in a few days. Quite a number of the old boys are at their old posts of duty.

TAWAS HERALD July 28, 1893: (part of the Prescott social column)

A train of Barney Mills long timber goes out every day from Bush Lake to Tawas Bay.

J. B. Mills, better known as "Cheap John," handles hardware and everything very extensively. He keeps in stock hardware from a needle to a threshing machine. J. B. is quite a hustler.

TAWAS HERALD December 15, 1893: (part of the Prescott social column)

The Keystone flouring mill here is now owned by Messrs Barney Mills and C. E. Cannan. The third partner pulling out of the business.

TAWAS HERALD March 29, 1895: C. E. Cannon has served his connection with the Keystone Milling Co. Having sold his interests in the firm to Barney Mills.

TAWAS HERALD June 27, 1902: (part of the Whittemore social column)

Barney Mills visits our village quite often of late. He has a fine span of drivers of which he is justly proud, and then he is found of good company. [6147]

- Came to Michigan in 1854, according to 1894 Michigan Census. [1151]

• Reuben Mills, a brother of the late Nelson and Barney Mills, holds a prominent place in the history of Marysville, both because of his sturdy and upright citizenship and his substantial connection with the lumbering interests of this part of the state. He was born in Wardsville, the Dominion of Canada, on April 11, 1839, the son of Barney and Margarette Ann (Hamilton) Mills.

As a boy Reuben Mills attended the school in Wardsville, Canada, during the short winter season, and at the Mills school in Marysville after he had come to this place at the age of nineteen [1858]. From the age of nine until he was thirteen Reuben lived at home, and then went to work by the month on a neighboring farm. After six years he came to Michigan, and here for one year was engaged in farm work for his brother. He then started in the lumber business, and in a single summer at running a shingle and lathe mill, and receiving pay by the thousand, he made the sum of four hundred dollars, a very

remarkable amount for a boy of those days. Soon after this venture he found his way to the lumber woods, and there worked for some time, driving logs by way of Elk creek and Black river. Following that he worked in the Reeves, Williams and Mills saw mill, soon becoming foreman and an overseer of logging camps, a calling which he followed for thirty-five years. He invested in four hundred acres of farm land in Sanilac county, Michigan, and it has been so well improved under Mr. Mills' management that it is now practically all under cultivation.

At the age of twenty-one Mr. Mills was united in marriage to Miss Corinthia Wright, of Marysville, Michigan. She died, leaving four children, Etta, Prudence Edith, Arlington, and Herbert R. Etta became the wife of John A. Rowe, a Methodist Episcopal minister, now the pastor of a church at Napoleon, Michigan. Mr. and Mrs. Rowe have five children. Prudence Mills married Frank Geel, a farmer, and is now the mother of one child. Arlington Mills passed away in his twenty-first year, and his brother Herbert died at the age of seventeen.

Politically Mr. Mills is a thorough going Republican, and had the honor to start his allegiance to that party by casting his first vote for Abraham Lincoln as president. He was a member of the school board of his district for forty years without a single break until his resignation on last July. Since his seventeenth year he has been a member of the Methodist Episcopal church, the greater part of the time being also an office holder in the church.

In 1898 Mr. Mills was again married, his bride being Mrs. Addie M. Davis, of Marysville. It is interesting to record that in the days when Mr. Mills was a sturdy driver of logs for his brother he once, during a summer in the early sixties, cleared five thousand dollars in a single season. [50, p 780]

- Received 1/26th of the 1/4 share of the assets of said co-partnership belonging to the Barney Mills estate. [1155, p 4]

- REUBEN MILLS: AGED PIONEER PASSES AWAY

Was One of the First in Developing Lumber Tracts in This Part of State

Marysville, Jan. 24 – Reuben Mills, pioneer resident of Marysville and one of the first developers of the lumber industry in this part of the state, died Sunday night at 12 o'clock at his Marysville home, after a lingering illness of one year's duration. Heart trouble was the direct cause of death.

Mr. Mills, who had reached the age of 82 years had been in failing health for some time, and his death last night was not unexpected.

The death of Mr. Mills removes one of the last of the few surviving pioneers whose lives were given over to the development of this section of Michigan, and whose early life were

filled with hardships of the lumber camps and log running which featured the early history of St. Clair county and vicinity. [343]

General: • *The History of Chautauqua County, New York* (FHL 974.795 H2y, 1990) (1875) states that Charlotte was formed from Gerry April 18, 1829. David Randall and family moved there in May, 1826 (along with others from Rockingham). This history explains at 252: "At a meeting of the citizens held at the house of David Randall at the Center, at the suggestion of Mrs. Randall, the town was named from a town having that name on Lake Champlain, in Vermont." Thus, Martha went down in history as having named Charlotte, New York. [2320, p 2]

Paul

• **Paul Williams was almost certainly the brother of Rufus;** family tradition according to “Chotty” [McMorran] is that Paul’s children/grandchildren were frequent visitors at Miron Williams’ home in Michigan. [96, p 2]

• **“Chotty’s” notes indicate no proof of the parentage of Paul, Rufus and Prudence.** [1395, p 2]

• Mr. Hiram J. Spicer, youngest son of Major Miner Spicer, born here in 1816, is still living on a portion of the land purchased by his father for himself, and others in 1810. Mr. Spicer says that the entire party who, with his father settled on these lands in 1811, including Paul Williams, were from Groton, New London Co., Conn. But he does not know anything of the Williams ancestry, or the maiden name of Mrs. Paul Williams. [1418]

• So also, when, from a few years before 1800 on for more than half a century, the tide was moving westward into Central and Western New York, Ohio, Michigan, Indiana,

Illinois, Iowa and territories still further on toward the Rockies; there were Allyns and Geers and Morgans and Gallups and Williamses and a good many others from North Groton [became Ledyard in 1836] swept along with it. [74, p 26]

- 1816 Tax List, Portage County, Ohio. [1422, p 65]
- Under the State Constitution of 1802 up to 1825 it was only known as Portage township, at which time Gen. Simon Perkins and Paul Williams platted and laid out a town upon and surrounding the intersection of Main and Exchange Streets in Uppertown, and, it being on the top of the summit, at an average of 400 feet above the Lake, called it Akron. [1421]
- He [General Perkins] did not, however, own all the land at the exact spot where he felt the town should be located. A section southeast of Main and Exchange was owned by one of the first settlers of Portage Township, Paul Williams, a native of Connecticut.

Williams had come to the Reserve in June, 1811, with Miner Spicer, of Groton, Conn., and the two men had selected sites where they decided they would like to settle. During the following winter, on February 12, 1812, Williams and Spicer bought adjoining tracts in Tract 8, Portage Township, from Joseph Perkins. Williams paid \$273 for 109.13 acres, or \$2.50 an acre.

After acquiring his land, Williams brought in his family, built a log cabin near the present intersection of Buchtel and Broadway, and began farming.

Agreeing on the town-founding plan, Williams and Perkins quickly came to terms and in the late spring of 1825 the two men employed Joshua Henshaw to lay out a town. Williams owned approximately a third of the town site; General Perkins owned the remainder. Each man retained title to his portion.

For some unknown reason, Williams had nothing named for him to perpetuate his memory. This may have been because he died soon after the town was founded, on May 17, 1828, and his properties were divided among his many heirs. [112, pp 80-2]

- Williams, who had come to Portage Township with Miner Spicer in 1811 to select land for homes, purchased his tract, containing 109.13 acres, from Joseph Perkins on February 6, 1812, for \$273, or \$2.50 an acre. On the same day, Perkins sold Spicer 260 acres adjoining Williams' tract on the east, for \$650.

Williams and Spicer became the first settlers of Portage Township. Williams built his home at what is now the corner of Broadway and Buchtel Avenue while Spicer built near the present corner of Exchange and Spicer. [112, p 555]

- Previous to the commencement of work upon the Ohio Canal, in 1825, the territory

now covered by the thriving and populous city of Akron was an almost unbroken wilderness, excepting a small portion of the Sixth Ward (the original village of Middlebury) and the partially cultivated farms of Miner and Amos Spicer and Paul Williams, these gentlemen being the first settlers in Portage township. [258, p 32]

- When the commissioners decided to run the canal across the portage, General Simon Perkins of Warren (one of the commissioners) formed a partnership with Paul Williams, and bought up 1,000 acres for a trifling sum of money. They laid out the beginnings of Akron in 1825 and reaped a rich harvest. The Irish who came west to dig the canal put up a hundred cabins in the village. In 1827 when the canal was opened about 600 people were living in Akron. It was in the Reserve, but it was in no wise New Connecticut. [1423, pp 200-1]

- The farm house of Paul Williams, a one story frame building, on the laying out of the new village, was found to stand in about the center of South Broadway, a little south of Middlebury street, and was accordingly moved a few rods to the eastward, where, as the well known Babcock house, it still stands, in a remarkably fair state of preservation. [258, p 38]

- Leaving Groton again in June of 1811, with the sturdy conveyance of an ox team and wagon, and this time accompanied by his family, his brother Amos, and Paul Williams, he [Major Minor Spicer] once more reached the spot that was for more than two-score years to be his home. [257, p 323]

- For a time, Minor Spicer, Amos Spicer and Paul Williams, with their families, constituted the entire settled population of the township. [257, p 324]

- The first settler in the Akron territory outside Middlebury was Major Miner Spicer, who laid out a 260-acre farm in what was later "Spicertown," in 1810, and settled there the following year, after a four-month trip from Groton, Conn., by ox team. With him were his wife, his brother Amos and his cousin, Paul Williams. This same cousin, Paul Williams, was to be the first settler in the original town-site of Akron. But this was not until the next decade. [508, pp 14-5]

- In the following June, he [Miner Spicer] again started for Ohio, this time with his family. He was accompanied by his cousin, Amos Spicer, and Paul Williams who had purchased a 109-acre tract immediately west of his land. The party, traveling by ox cart, did not arrive in Portage Township until September. [112, p 651]

- The year following his wife's death, Major Spicer married her sister, Hannah Allen, widow of Barnabus Williams. Her husband may have been the son of Paul Williams, who also came as early as 1811. [1337, p 872]

- Paul Williams, one of the founders of the original town of Akron, was a native of Connecticut who came to Portage Township in 1812 with Miner Spicer after having purchased a 109-acre tract from Joseph Perkins, of Groton, Conn., for \$2.50 an acre.

Mr. Williams built a log cabin at what later became the corner of Buchtel Avenue and Broadway and engaged in farming.

In 1825, Mr. Williams joined with General Simon Perkins in founding Akron, approximately one-third of the original town site being his land.

Mr. Williams died on May 17, 1828. He was survived by his widow, Sarah; two daughters, Clarissa (Mrs. George Babcock), and Hannah; and a number of grandchildren including Horace Weston, and Oliver S., Eliza and Eunice Williams, children of his deceased son, Barnabas Williams.

On one of the earliest maps of Akron, a short street between Main and the Ohio Canal, south of Exchange, was named Williams Street, but for some reason now unknown the name of this street was later changed to Orleans. [112, p 647]

- On 1816 Portage County, Ohio Tax List. [1422, p 65]

- I looked at our library (I'm in Akron) and surprisingly there wasn't much about Paul Williams! I would think that there would be more about him since he was one of the first folks here! ...Another book said that he donated half of the land for Spicer Hill Cemetery, so he may be buried there. I'm sorry to say that I've never heard of it, but it may have a different name now. Since he donated half the land, he may be buried there. [2410]

Within its boundaries both of the original Akrons were located, the one platted in 1825 by General Simon Perkins and Paul Williams and the one platted in 1833 by Dr. Eliakim Crosby and General Perkins.

Portage Township was set aside in 1798 by the trustees of the Connecticut Land Company, owner of the Western Reserve, as an "equalizing township." [112, p 554]

- Paul Williams himself died sometime before I came to Akron 64 years ago [thus 1835]. At that time his widow (second wife, I think) was living in the old homestead (still standing) and with her were living a pair of twin granddaughters who had been orphaned by the early death of both of their parents. Their names were Adaline and Emeline Williams. The former married Samuel B. Axtell, of Richfield, in this county. A son, in Richfield, and a daughter, in New Jersey, survive them. Emeline Williams never married and is still living with her niece, I think, in Rahway, N. J. [1418]

• This is the document that required a mad dash on a Friday afternoon from the St. Clair County library in Port Huron to the Detroit City Hall before it closed. (At least we went against traffic.) It was worth it, because 1) it revealed that Maud had a previous marriage, and 2) it gave us a view of downtown Detroit which was eye-opening for us.
