Heinrich Albert Techner

- Mr. Zellar was born in Hanover, Germany, and came to this country direct to Chicago in 1868. He was employed at the Eagle Tanning Works until 1911.¹⁴⁴⁹
- Henry A. Zeller, currier, Whitehall, was born in Germany in 1849, and at 19 immigrated to Chicago, where he remained six years, learning his trade at the Union Hide and Leather Co. He came to Whitehall in 1874 and has worked ever since in the Eagle Tanning Co. He married Miss Augusta Schlater [sic], formerly of Hanover, by whom he has had five children, one of whom is dead. Residence Lake street.¹⁴⁴³
- They lived on a farm [in Whitehall]. There is a road named Zellar Road where the farm was located. He was a tanner by trade.²⁶⁴⁸, p 2
- The story handed down to us was that Henry (Heinrich Albert Techner Zelle) Zellar was sent or brought to the U.S. by an aunt and her sons (number unknown) because his mother did not want him to have to serve in the war like his older brothers did. How could that be when his mother died (1853) when Henry was just 4 years old? Could it have been the step-mother said that and not his own mother?³⁵⁵⁷

- My [Jeffrey Cyr] mother remembers her [Ella] as never coming into the house when they would visit. She says the family always gathered at their house (Fred & Mary Zellar's), and that Henry and Ella lived in the Upper Peninsula at the time (1930s). Ella would sit in the car during the whole visit and not have anything to do with any of the family. My Mom has no idea why.^{1477, p 2}
- Theory of Gretchen Mills: Fred and Mary Zellar were Catholic and Ella wasn't.

- Honors inuring to members of the families of Kiwanians must receive their proper recognition. A recent issue of the Pasadena Star-News features a delightful half column with cut on the noteworthy accomplishments of Mrs. Hoyt F. Martin. Mrs. Martin is a Gamma Phi Beta, a native of Evanston, Ill., a graduate of UCLA, interested in reading German and Scandinavian works, is mother of two delightful small daughters, she swims, designs and sews; before her marriage to our Hoyt, was a physical therapy technician by profession. The article emphasizes that her particular line of accomplishments fittingly portray the ideals of Gamma Phi Beta. What Ho Hoyt? Charity fund?⁷⁶⁴⁰

- [excerpts] The fact that she named her elder daughter for Sigrid Undset's medieval heroine, Kristin Lavransdatter, is proof that Mrs. Hoyt Martin, president of the Pasadena alumnae of Gamma Phi Beta, counts reading as one of her more absorbing pastimes. Of Swedish and German descent, she is particularly interested in literature relating to the Scandinavian pioneers in the Middlewest.⁴⁹¹⁹

- [excerpts] Few women in the nation can equal the record of Mrs. Hoyt (Florence) Martin, who is 1957 president of the eight district San Gabriel Valley Council of Camp Fire Girls Inc..

Mrs. Martin's span of participation ranges over 40 years.⁴⁹¹⁹

- [excerpts] 1988 has been my best year, in that my health and strength seem to have returned to normal. My family and friends have enriched my life, while my interest in the needy has made me aware of the reason for living and giving.

In this mixed up world, what could be more important than family, friends, and the love of God.⁷³⁵⁷

- OBITUARY

Florence Hawkins Martin, who lived full time at Lake Arrowhead from 1975 to 1985, died Sept. 16 in Arizona at the age of 88.

Born Dec. 28, 1907 in Evanston, Ill., she moved with her family to Pasadena, Calif. She graduated from Pasadena High School in 1924 and attended University of California, Los Angeles. In 1929 she married Hoyt Fellows Martin, a native of Pasadena.

Florence and Hoyt, along with friends and relatives, frequently camped on the shore of Lake Arrowhead near Orchard Bay in the 1920s. After spending many summers at Lake Arrowhead at the Martin's house on Palisades Drive, they became full-time residents after retirement. Florence was active in Lake Arrowhead Community Presbyterian Church.

She lived since 1985 in Pasadena, where she taught a Bible study class before suffering a stroke in August.

She is survived by two daughters, Kris Schuehle of Flagstaff, Ariz., and Gretchen Mills of Carefree, Ariz; five grandchildren: Neil Schuehle, Jennifer Stradling, Samantha Schuehle, Margaret Andersen and Nelson Mills, and three great-grandchildren.¹⁸¹²

Florence had come to reside in the state where her two daughters had moved. She enjoyed living close to Kris and Gretchen, but leaving the familiar surroundings had not appealed to her at age 88 until a serious stroke necessitated the move. The beautiful surroundings and excellent care were not long to be enjoyed, however, as Florence Martin went home to be with the Lord on September 16, 1996.

Florence Hawkins Martin, born December 28, 1907 in Evanston, IL, moved with her family to Pasadena. She graduated from Pasadena High School in 1924 and attended UCLA. In 1929 she married Hoyt Fellows Martin, a native of Pasadena, who lived across the street from the Hawkins family on Rose Villa Street.

Her work in the physical therapy department at the Huntington Hospital preceded her 25 years of service with Camp Fire Girls, from which she retired as Executive Director in 1975. Florence was also active with Gamma Phi Beta sorority, affiliated with Alpha Iota chapter at UCLA, serving as advisor to Beta Alpha chapter at USC and a Convention Chairman and International Vice President.

After ten years' residence at Lake Arrowhead where she was active in the Presbyterian church, she returned to Pasadena just fifteen minutes away from her daughters. Since 1985 she has resided at Sierra Bonita Towers, a retirement apartment where she taught a Bible study class before suffering a stroke in August this year.

She is warmly remembered by her two daughters, Kris Schuehle of Flagstaff, AZ and Gretchen Mills, of Carefree, AZ; five grandchildren, Neil Schuehle, Jennifer Stradling, Samantha Schuehle, Margaret Andersen, and Nelson Mills; and three great grandchildren, Daniel, Katherine and Kimberly Stradling.³³⁶⁷

Became a devoted wife, mother, housekeeper, gardener, seamstress, etc. for about 7 years, when she became interested in her national sorority, Gamma Phi Beta, which she had joined at UCLA.

Also a renewed interest in Camp Fire Girls crept in when Kris became a Blue Bird. While the girls were growing up, time was divided among various interests, but Gamma Phi and Camp Fire seemed to capture most of the interest.

International Vice President of Gamma Phi for 2 years and six years membership in CF [Bdy?] Dir. with President of Council; National Council member - among contributions.

- Christmas Letter, 1991

This year we haven't had to wait for Christmas to bring joy to our hearts - Our hopes and aspirations started early when Jennifer announced she was carrying identical twin girls. You may remember that Daniel had been born in April 1990 and was still the family's pride and joy and as handsome as his father, David Stradling, and as active as an Olympic hopeful. The birth of the twins came a bit early - September 29, giving great grandmother Florence one more reason to keep on living. Katherine and Kimberly are doing just fine and are, of course, adorable.

Kris and John Schuehle surprised us all by building a sumptuous new home in Forest Highlands, a gated golf course community 6 miles out of Flagstaff, Arizona. I have made my one and only visit because the altitude of 7,000' doesn't agree with my high blood pressure. Samantha is ready for college and Neil is doing well in the Marines.

Gretchen and David Mills have been trying to keep up with their children by doing a bit of traveling, including a trip to Tanzania, Africa to visit Margaret, and another trip to France to visit Nelson who is on a USC program in International Relations and has spent time in Paris and Washington D.C. Margaret is presently visiting in California but will return to Tanzania the first of the year to continue teaching children of missionaries.

I'm still driving my car but only on short runs around town. The Bible class I continue to teach as well as my sewing keeps me in touch with the needs of others, while my constant exercise and walking keep me in good health. I thank God for my precious growing family and for the constant companionship of friends. Life is slowing down for me but isn't it about time? Do have a joyful and blessed Christmas.³¹⁸⁹

• Ruth spent most of her life working as a “mother’s helper,” helping families care for their children. She spent over 30 years raising children for two families. Ruth says she enjoyed being a Mother’s Helper as she loves children. The hardest part was when the children grew up and moved away, but many still keep in contact with Ruth. Ruth has been at Abbington House since September 1976. She enjoys reading and clipping coupons for the staff. Ruth says she finds it a “gratifying and satisfying way to help those who help her.”²⁵³⁵

Bill Zellar, 60, former *Star-News* cartoonist

Bill Zellar, 60, former *Star-News* editorial cartoonist, died Thursday at Veterans Administration Hospital.

Known to many as "Zee" he worked for 10 years, as a cartoonist for the *Star-News* before the effects of diabetes forced him to retire in February 1987.

A native of Illinois, he came to the Chula Vista area 20 years ago.

Zellar was a man of many talents, experiences and interests. Former *Star-News* publisher Lowell Blankford remembered him as "a salty sort of guy with a caustic sense of humor." "I've worked with dozens of cartoonists over the past 25 years. Bill was by far the best." Blankford said.

Descendants

Zellar, a product of the Depression, had done everything from robbing banks (he did time in prison for another crime he said he did not commit), to being a jet engine mechanic in the Air Force to inventing a safety seat for cars.

In the mid-70's he won 3rd place in the nation from the National Newspaper Association for his cartooning.

He was also well known for his jewelery-making and for many years he owned a junk shop on Palm Avenue in Imperial Beach.

Zellar has no surviving family members.

He was cremated Tuesday and his ashes will be scattered at sea Friday. No memorial service is planned.³³¹⁷

• Enclosed you will find a family chart on my husband and I. We have no birth children. But, we have 3 international sons - one from Barbados, one from Kenya and one from Lebanon. When Cyril graduates from Anderson University in June we will seek another son or daughter.³⁵¹¹, p 1

• I am the oldest daughter of John Marcus Hart and HuWeen Veletta Zellar. I am married to Gerald Clement Leedom. We have no biological children but have 9

International Children from around the world. Most of them are either graduates of Anderson University, Anderson, Indiana or presently studying at the University. They brought us much joy and happiness. They have presented us with four grandchildren.^{2646, p 1}

- This week I start teaching a genealogy class at the library for 4 weeks.^{3506, p 2}
- Aunt Phyllis had a rough Christmas without her.⁶⁴⁷⁸

- Dear Cousins:

It has been a while since I have written. The reason is not an excuse but the bare facts.

I think you knew I fell and fractured my right ankle Nov, 2009. After surgery I was placed in a nursing home for 3 months to relearn to walk. I went back to my home in March 2010. In April 2010 my mother HuWeen Hart suffered her 2nd heart attack and was placed in a different nursing home I was in. She hated it.

Family came to me asking how I felt about going into CrownPointe a senior citizen's home with some help that I needed to keep me going with the possibility of my mother joining me. She was not able to return to her home and we would be together. After much prayer I agreed. I moved in on July 1. Mother moved in July 7 along with her cat Mittens. On July 11th we celebrated her 90th birthday at her church she attended since she was 9 years old.

On July 30th mother died in her sleep very peaceably going home to glory joining my dad and her Lord and Savior Jesus Christ.

I am still at CrownPointe which is my new home and I love it hear. My computer died when I moved here and had all kinds of problems getting my new laptop to work. Then I had to reconstruct my email addresses.

Love,

Phyllis Hart Leedom, daughter of HuWeen Zellar Hart⁶⁴⁸⁴

William Edgar Jr.

- Well, the Zellar reunion was just great. We had the best time and met so many nice people.

Bill Melton engineered the whole thing. He is the oldest son of Ethel Zellar Melton and grandson of Walter Russell Zellar. He introduced mother, dad and I, explained what I was trying to do in gathering family information. Charts were passed out and people wrote, wrote and wrote. I came home with 25 charts filled out and with promise of more to come by way of mail.²⁹⁵⁶

- [excerpts] Bill was a veteran of the United States Army. He worked many years for Donnelly and also for Lankfer Diversified.

A memorial service will take place at a later date.⁷²¹⁶
